## MAITRIJUSHA MASTER LEVEL SYMBOLS VOLUME 2 - MAITRIJUSHA GOLD INFINITY

### INTRODUCING MAITRIJUSHA GOLD INFINITY:

We welcome you to the Master Level Symbols MAITRIJUSHA GOLD INFINITY! Here is the information received about the Maitrijusha Gold Infinity energies:

“Greetings dear ones, you are welcome here to this new and exciting level of healing energies. The energies received at this high level of achievement are indeed a reward and also a transitional stance before moving on to higher levels within your love consciousness. You can be again reassured of your healing growth at this time and of the purity of energies coming to you.

Ensure as always that your intention when using any of these energies is as high and as expansive as you can stretch to. The energies, especially at the Maitrijusha Gold Infinity level are infinitely expansive and your intention is the only limitation. All the energies embedded into your system from the Maitrijusha Gold and Maitrijusha Gold Infinity symbols embody a pure consciousness; a pure way of being and loving and living in line with the highest intentions to benefit all.

You are indeed ready for this new adjustment in energies and we wish you well on your pathway to light.

Keep in mind always that the love of the most divine beings are with you on this journey. You are always being showered in divine and pure love; it is simply up to you whether you choose to invite it in. Open your heart further than ever before and allow it to radiate love further than ever before. The Maitrijusha Gold Infinity energies are here to offer the ‘stretch’ and expansion required in order to radiate infinitely the golden energies of pure light and love. Always maintain high intentions on this pathway and do not limit yourself by believing in false potentials, for you are indeed greater and more blessed than you can realise.

For the benefit of all, we thank you deeply and immensely for receiving these energies and helping to grow and heighten the awareness and love within you.

With Golden Maitri blessings.”

## MAITRIJUSHA MASTER LEVEL SYMBOLS VOLUME 2 - MAITRIJUSHA GOLD INFINITY

### 1. AN OUTLINE OF MAITRIJUSHA GOLD INFINITY:

This Master level symbols course is one of our most dynamic, powerful and fulfilling practices so far! It is a beautiful and magical doorway that holds an infinite amount of divine light, love & bliss for anyone who wishes to harness a purely altruistic intention.

During the Maitrijusha & Maitrijusha-Ni practices, you have been introduced to the idea of 'combining' frequencies and this will again be important here with the Maitrijusha Gold Infinity practices also.

During the Maitrijusha Gold Infinity level you will be introduced to 3 symbols; Maitrijusha Gold, Maitrijusha-Na & Maitrijusha Gold Infinity. During the first two weeks you are attuned to, and work with, the Maitrijusha Gold and Maitrijusha-Na symbols and after this practice, you then graduate to receiving the Maitrijusha Gold Infinity Master Symbol attunement and practices.

The important point to be understood here is that once you receive the attunement for Maitrijusha Gold Infinity, this symbol will now encompass or bring together **all** of the Maitrijusha Gold & Maitrijusha Na energies. In other words, after you receive the Maitrijusha Gold Infinity attunement, you will no longer need to work with the Maitrijusha Gold or the Maitrijusha-Na symbols at all (should you choose!) in either healing or meditation.

An outline of the energies, attunements and timeframes is shown in the table below:

Maitrijusha Gold Infinity	
Day	Info
1	Invoke the attunements for Maitrijusha Gold and Maitrijusha-Na.
2 - 15	2 weeks practice using Maitrijusha Gold & Maitrijusha-Na symbols.
16	Invoke the attunement for the Maitrijusha Gold Infinity energies and start chanting the Maitri mantra.
17 - 19	Continue chanting the Maitri mantra as often as possible. On Day 19 your Maitrijusha Gold Infinity attunement is complete.
20	Start using the Maitrijusha Gold Infinity energies on yourself and others!

For those wishing to share these Master level energies with others, please allow yourself the time to first complete this course before sharing.

## 2. INSTRUCTIONS FOR RECEIVING YOUR MAITRIJUSHA GOLD AND MAITRIJUSHA-NA ATTUNEMENTS:

To ensure that the attunement process works successfully we ask that you follow the below instructions as best you can. Most importantly, please relax, open up and receive these beautiful and expansive healing gifts with love.

**NOTE: Before you receive your attunements, please ensure that you have activated (unlocked) the Maitrijusha Gold Infinity energies prior to commencing.**

**The activation / unlocking process is a simple 5 minute process which unlocks the energies and gives you access to them. Once you have unlocked the energies, this means that you have activated your Maitrijusha Gold Infinity attunement, along with both the Maitrijusha Gold & Maitrijusha-Na frequencies also, specifically for you.**

**You are therefore then ready to continue your Maitrijusha journey by working through this ebook, at your own pace and receiving the energies as you feel guided.**

**If you have not yet activated / unlocked the Maitrijusha Gold Infinity energies for yourself, you may do this by following the instructions on Page III of this ebook.**

Once you have activated (unlocked) the energies, you will now be able to simply follow along with the process outlined below for receiving the attunements.

### ◆ Day 1 : Maitrijusha Gold & Maitrijusha-Na Attunements

#### ■ 1. Preparation:

Sit or lie down, whichever is more comfortable for you, ensuring that you will not be disturbed for at least 15 minutes. Perhaps you wish to play some soft [healing or relaxing music](#), light some candles or burn some incense to create a nice ambience.

#### ■ 2. Invoke the first attunement; Maitrijusha Gold:

Invoke the Maitrijusha Gold attunement by placing the hands together, fingertips touching in prayer position whilst saying the following:

**“With love and Maitri kindness I call upon the energies of Maitrijusha Gold to be attuned into my higher consciousness. May the embedded Maitri light heal and awaken me for the infinite benefit of all. Thankyou, Thankyou, Thankyou.”**

Now your attunement will commence and will take around 3 - 5 minutes to complete, so perhaps you may wish to **sit or lie down for around 10 minutes or so to allow for a full digestion of the energies**. You can either time yourself or simply wait until you feel the energy drop off a little.

Also, you don't have to leave your hands in prayer position for the entire time, please feel free to rest your hands either by your side, over your heart chakra or as you feel most comfortable for you. When you feel the energy drop off, or after about 10 minutes, you are now ready to invoke the second attunement.

■ **3. Invoke the second attunement; Maitrijusha-Na:**

This attunement is invoked in exactly the same way as the Maitrijusha Gold attunement. Simply place the hands together, fingertips touching in prayer position and say the following.

*[\(Please find the pronunciation for Maitrijusha-Na here\).](#)*

**“With love and Maitri kindness I call upon the energies of Maitrijusha-Na to be attuned into my higher consciousness. May the embedded Maitri light heal and awaken me for the infinite benefit of all. Thankyou, Thankyou, Thankyou.”**

Now your second attunement will commence and will take around 4-5 minutes to complete, so again, it is best if you can receive these energies for around **10 minutes or so**.

During these attunements, you may feel some energy moving, you may feel relaxed, peaceful or you may feel very little. Whatever the case may be, by following along with these instructions, you will now have received both attunements and will be able to practice the techniques described in the following sections.

■ **4. Closing the attunement:**

As always, we close our attunement with love and gratitude.

**“With love and gratitude I offer my sincerest thanks for receiving the divine Maitrijusha Gold and Maitrijusha-Na attunements. May I use this new energy for the benefit of all. Thankyou, Thankyou, Thankyou.”**

◆ **Days 2 - 15 : Two weeks practice using Maitrijusha Gold & Maitrijusha-Na symbols**

Please see the information in Sections 3, 4 & 5 on the following pages for information on completing these symbol practices.

---

### 3. INTRODUCING THE MAITRIJUSHA GOLD ENERGIES:

From your previous Maitrijusha & Maitrijusha-Ni Master Level Symbols course, you will have no doubt experienced a blossoming of love from your practices, especially if you are combining many different healing frequencies into this symbol.

So it is here that the symbol Maitrijusha Gold brings us to a higher and more deeply divine upgrade in these Maitri energies. The Guides have explained that **the Maitrijusha Gold energies are up to 10 - 100 times more powerful than the Maitrijusha symbol itself!**

Where the Maitrijusha and Maitrijusha-Ni work on the 'gross' energies i.e. with more physical purification often being the result, these new Maitrijusha Gold (and Maitrijusha-Na) energies work more gently at a more subtle level of energies. In this way, these energies are good for those problems or issues at higher vibrations, or that are more deeply embedded at a subtle layer.

For example, Maitrijusha Gold is extremely effective in pushing out fear so please be prepared to be *squeezed* during your practice time! You may perhaps feel some conscious thoughts of fear as well as fear coming out in your dreams as examples of these energies being released from within you.

It is for this very reason why the Maitrijusha-Na energies have been passed down to us here at this point. As you will see in the next section, the Maitrijusha-Na energies will help to alleviate some of the healing crisis symptoms so that we can clear away very deep layers of darkness more easily.

During Marty and Gerry's Maitrijusha Gold symbol practice, they also experienced a very large and beautiful set of glowing, radiating 'balls' of divine Maitri energy being embedded into their chakras.

This can only happen once enough fear has been released in order to make room for these new beautiful and golden energies and it is for this reason that the 2 week symbol practice time is so important!

**MAITRIJUSA MASTER LEVEL SYMBOLS**  
VOLUME 2 - MAITRIJUSA GOLD INFINITY

The Maitrijusha Gold symbol is shown below and works in three stages:

1) The circle - Releasing (the old)

2) The Star - Healing (with Maitri light)

3) The Maitrijusha symbol - Receiving (new energies)

**MAITRIJUSA GOLD**

**MAITRIJUSA GOLD**

**HOW TO DRAW MAITRIJUSA GOLD**

Please note that the inner Maitrijusha symbol is drawn as you would normally and in line with the instructions from the Maitrijusha & Maitrijusha-Ni manual.

**Additional notes about the Maitrijusha Gold symbol:**

- ◆ It can be used where you need, for as long as you need. (In other words use your intuition for where to place the symbol and for how long to use it.)
- ◆ It can be used on it's own, or for additional energy you can 'load' other energies into the Maitrijusha symbol (inside the star) to amplify the energies in the same way as we did in the Maitrijusha symbol practice.
- ◆ Maitrijusha Gold must be used with a 'crystal-clear intention'. Your intention must be very strong and very clear - we will come back to this a little further down for our Maitrijusha Gold Infinity practice.
- ◆ If you wish to, you may recite the words 'releasing, healing, receiving' as you draw each stage of the symbol (in conjunction with the circle, star & Maitrijusha symbol)

*For the symbol practice period, the symbols Maitrijusha Gold & Maitrijusha-Na are to be used alongside each other.* We therefore now wish to introduce the Maitrijusha-Na symbol briefly before we explain how to do the actual practices.

**4. INTRODUCING MAITRIJUSHA-NA:**

As Maitrijusha Gold opens and expels fears from within, Maitrijusha-Na works alongside by drawing the old, unwanted or negative energies into itself, thus clearing toxins from the body more effectively and helping to lessen the effects of any suffering caused (i.e. experiencing fear, emotions, bad dreams etc.).

Therefore, because of this beautiful inter-relationship between the two sets of energies, the Guides have prescribed that Maitrijusha Gold and Maitrijusha-Na be used side-by-side during this 2 week practice.

First we use Maitrijusha Gold to bring about the necessary healing and then Maitrijusha-Na to soothe and perhaps swallow any old, unwanted or negative energies that are ready to be released from the body.

At a deeper level, it was also explained that Maitrijusha-Na has a second function: to balance and stabilise the energies within the recipient as Maitrijusha Gold does it's work. Essentially, Maitrijusha-Na helps us to maintain equilibrium as the old energies flow out and new energies flow in.

**Additional notes about the Maitrijusha-Na symbol:**

- ◆ The semicircle on the outside is what differentiates Maitrijusha from Maitrijusha-Na, so please don't forget it!
- ◆ Maitrijusha-Na does not have to be used in conjunction with Maitrijusha Gold; it is optional, however due to it's helpful effects, it is definitely recommended.
- ◆ Note that in the Maitrijusha-Na symbol the outside circle is drawn first, as opposed to Maitrijusha where the outside circle is drawn last.

### 5. INSTRUCTIONS FOR USING MAITRIJUSHA GOLD & MAITRIJUSHA-NA:

**The following practices for Maitrijusha Gold & Maitrijusha-Na are to be completed once, twice or three times daily (as you wish) for a period of two weeks.** By completing this practice, you are allowing these energies to be assimilated within your consciousness and are therefore preparing yourself to receive the Maitrijusha Gold Infinity attunement.

\*\*\* We wish to remind you again that both the Maitrijusha Gold and Maitrijusha-Na energies are contained within the Maitrijusha Gold Infinity symbol so these practices below are required for this two week period only. After you receive your Maitrijusha Gold Infinity attunement, you will then simply follow along with the Maitrijusha Gold Infinity practices as outlined further in the book.

For now, we hope you enjoy this 2 week period of healing, growth and expansion and may it clear much space for the infinite love vibration which is the Maitrijusha Gold Infinity symbol!

### How to do the Maitrijusha Gold & Maitrijusha-Na symbol practice

1. State your intention that this will be your Maitrijusha Gold & Maitrijusha-Na symbol practice.
2. Set your intention for the healing or meditation work that you wish to do. Please remember to set a strong and clear intention. Remember also to include in the intention that you wish for Maitrijusha-Na to absorb or draw out any and all impurities that are released from the Maitrijusha Gold symbol work.
3. Draw the Maitrijusha Gold symbol (and if you wish to, you can say releasing, healing, receiving as you draw). As an additional optional step, you may load any additional energies into the Maitrijusha Gold centre if you wish to.
4. Now draw out the Maitrijusha-Na symbol alongside Maitrijusha Gold and if you can, hold this visualisation or intention.
5. Repeat the sacred names of the symbols whilst sending or placing into your own body (for the benefit of all!). \*\* See notes below
6. The energies may now take a minute or two to begin to build up in power, then you can receive or send for as long as you wish.
7. When the energies drop off, be sure to give thanks!

*This practice should be repeated once, twice or three times daily for a period of two weeks.*

\*\* Please note that as The Guides did for Marty and Gerry, we have deliberately left this symbol practice quite open for you to explore for yourself. (I.e. there are no set instructions on where to put the symbol or for how long). These energies are deeply divine and come from an immensely pure source so the more open and expansive your intention is, the more energies you will likely feel from your practice.

At this stage of your journey, you will no doubt have some familiarity with how to practice for the benefit of all beings and it is with this mindset that we suggest you approach this practice. For example, if you are doing healing work on yourself, please be sure to also hold the intention to benefit all as paramount. If you are shining for others, please be sure to again keep the infinite collective consciousness in mind as you do this. There are many ways that we can cultivate an infinite, divine or altruistic intention so please be creative and have fun with this practice!

\*\* As an additional note here, it may also be helpful during your Maitrijusha Gold & Maitrijusha-Na practices to be aware of the Maitri mantra. This mantra is a very powerful complement to these Maitrijusha practices and can help to add a deeply divine feeling of loving kindness to your practice.

Son Wha Ney Hi Nig Ma Gya Wi Gya Tey  
Gya Wi En Dig Nyen Dey Nig Ma

If you wish to, you can [download or play the Maitri Mantra \(Mantra 2\) from our website](#). Sing along or play it in the background; this mantra will help to bring immeasurable benefit into your life!

### 6. INTRODUCING MAITRIJUSHA GOLD INFINITY:

After your two weeks of Maitrijusha Gold & Maitrijusha-Na symbol practice, you are now able to receive the blessings & attunement for the Maitrijusha Gold Infinity Master Symbol.

And as we've mentioned previously, the Maitrijusha Gold Infinity symbol is the combination of Maitrijusha Gold and Maitrijusha-Na together, thus making your symbol practice, meditations and healing work far easier. The Maitrijusha Gold Infinity symbol will do all the necessary releasing, healing and receiving of energies as in Maitrijusha Gold PLUS it will also absorb & draw out of any energies released, as in Maitrijusha-Na.

Feel free to also load this symbol up with whatever frequencies you wish so that you can then shine these blessings & love outward for all to benefit from! And as you continue to progress in this practice, you will surely realise just how much this symbol responds to the width and expansiveness of your intention.

You may wish to send out these higher vibration healing energies to all those who are in need at this time; may all those people in the world receive what they need so that this new love filled consciousness can blossom beautifully & swiftly!

These kinds of expansive & deeply loving intentions will always help you to bring more healing within yourself and more intensity from your practice for the benefit of all - we hope that you will enjoy creating these wonderful and rewarding intentions in your own meditation & healing practices.

## 7. INSTRUCTIONS FOR RECEIVING THE MAITRIJUSHA GOLD INFINITY ATTUNEMENT:

*Please note that this attunement is different to previous attunements so please read the instructions first and then follow them through. Your attunement will only be complete after the three days of mantra recitation have been finished.*

### ◆ Day 16 : Maitrijusha Gold Infinity Attunement & Start Chanting Mantras

#### ■ 1. Preparation

Sit or lie down, whichever is more comfortable for you, ensuring that you will not be disturbed for at least 30 minutes. Perhaps you wish to play some soft [healing or relaxing music](#), light some candles or burn some incense to create a nice ambience.

#### ■ 2. Sit Quietly & Prepare Internally

Sit quietly for 5 - 10 minutes and prepare yourself internally for receiving the Maitrijusha Gold Infinity attunement. (This was part of the instructions from the Guides).

#### ■ 3. Invoke the Maitrijusha Gold Infinity Attunement

Invoke the Maitrijusha Gold Infinity attunement by placing the hands together, fingertips touching in prayer position whilst saying the following:

**“With love and Maitri kindness I call upon the energies of Maitrijusha Gold Infinity to be attuned into my higher consciousness. May the embedded Maitri light heal and awaken me for the infinite benefit of all. Thankyou, Thankyou, Thankyou.”**

#### ■ 4. Draw the Symbol

Draw the Maitrijusha Gold Infinity symbol and place it into your Third Eye Chakra for 12 - 15 minutes (or until you feel the energies drop off) whilst repeating the symbol's sacred name. If you wish to, you may also try to radiate these beautiful energies outward for the benefit of all as they come to you during the attunement!

#### ■ 5. Closing the attunement

As always, we close our attunement with love and gratitude.

**“With love and gratitude I offer my sincerest thanks for receiving the divine Maitrijusha Gold Infinity attunement. May I radiate these new energies for the benefit of all. Thankyou, Thankyou, Thankyou.”**

■ **6. Mantra Reciting (Day 16, 17, 18 & 19)**

Immediately after your Maitrijusha Gold Infinity attunement steps 1 - 5 are completed, you are ready to begin chanting the Maitri Mantra as often as possible, for a period of three days, in order to complete your attunement. If you take your Maitrijusha Gold Infinity attunement at say 3pm on Day 16, then you will chant the mantra as often as possible until 3pm on Day 19, at which time your attunement will be complete. Or if you take your attunement at 9am on Day 16, then you will chant mantras until 9am on Day 19, at which time your attunement will be complete.

Chanting simply means repeating the mantra over and over, either out loud or silently in your head, or a mixture of both - whatever works for you. This process of connecting with the mantra helps to *embed* the symbol and energies into your consciousness and helps to *activate* a deeper level of Maitri energies within the symbol. Here is the Maitri mantra again:

---

Son Wha Ney Hi NigMa Gya Wi Gya Tey  
Gya Wi En Dig Nyen Dey NigMa

---

Although we don't have an exact translation of what the mantra means, we can tell you that this mantra is written in the Maitri language and calls on the energies of Maitri Guru ('Maha Maitri Marga Gyawi' in Maitri language). This sacred mantra is a truly divine and precious gift to receive here. Simply chant the mantra as often as you possibly can during the three days for the most benefit.

To help make this process a little easier for you (as the mantra can be quite difficult to learn) we lovingly suggest that you play the mantra music as a starting point and simply repeat the mantra as best you can throughout this time.

[Maitri Dharma Mantras](#)

After these three days of chanting the Maitri mantra, the attunement process is then complete. The necessary energies have been activated and you may now start using the Maitrijusha Gold Infinity symbol on yourself and others (from Day 20 onwards).

\*\*\* As an additional note, during this Maitrijusha Gold Infinity three days (and for a few more days afterward), both Marty and Gerry experienced quite a large 'clean out' in the intestinal or Sacral Chakra area. This was as a result of many old emotions clearing from the Maitrijusha Gold Infinity practices; things that were stored, old perspectives etc. All specifically in this lower sacral area.

Of course everyone is very different in their healing issues but please don't be surprised or concerned if you have some intestinal upsets or a few extra trips to the toilet during this time as the healing & attuning energies do their work!

---

## 8. HOW TO USE MAITRIJUSHA GOLD INFINITY:

Once you have completed your three days of chanting the Maitri mantra and the attunement process is completed, you may now start using the Maitrijusha Gold Infinity symbol on yourself and others, from Day 20 onwards.

To begin with then, Higher Consciousness explained that it will take from 7 - 14 days of symbol use for your energies to adjust to this new frequency, with the average time of assimilation being around 10 days. Therefore, with this in mind, They have prescribed the following practice times which will now be relevant at this stage of your journey.

- Practice once per day for the first 4-7 days for 3-4 minutes, building to around 7-8 minutes, as you feel guided to.
- Then you can extend the practice to twice per day, again starting with 3-4 minutes per session, building to 7-8 minutes, as you feel guided to.

(These practice times also apply in situations where you wish to use this symbol for others however as always, please trust your intuition and do what feels right for you.)

*Note that there is no 'exact' time limit for how long or how often you can use the Maitrijusha Gold Infinity symbol on yourself or others, other than what has been described above by Higher Consciousness. Above all, it is important that you trust your own intuition and inner feelings as you continue to progress and please also trust that the energies are divinely intelligent and will always drop off when they are ready.*

Also, as Higher Consciousness has suggested previously, the Maitrijusha Gold Infinity energies are best suited for those issues at a higher vibration, as the energies go to work on deeper and more subtle levels of your energy system. Essentially this means that the energies radiated by the Maitrijusha Gold Infinity symbol will not be specifically targeting any particular ailment on its own, but rather they will be helping to introduce a higher frequency of love & light which will help to soothe, rebalance and reconnect your energies so that the underlying impurities, problems or diseases can then be healed and cleared successfully.

At this stage of learning then, we can understand that the Maitrijusha and Maitrijusha-Ni energies work on a 'gross' level, which means that there might be more 'physical' purification experienced when connecting regularly with these symbols. The Maitrijusha Gold Infinity energies then complement this by working at a more subtle level. In this way, the Maitrijusha Gold Infinity energies are very helpful for those problems & issues that are locked in at higher vibrations, or for those issues that are felt and experienced at a very subtle level.

\*\*\*\*\*

### **Practices for using Maitrijusha Gold Infinity:**

When you use the Maitrijusha Gold Infinity symbol, either on yourself or others, it is best to always follow your intuition and trust in the divinely guided aspects of this symbol. However, in addition to this, Higher Consciousness has lovingly brought through four suggestions for how you can connect with the Maitrijusha Gold Infinite energies for both healing yourself and healing others, as shown on the following page:

## MAITRIJUSHA MASTER LEVEL SYMBOLS

### VOLUME 2 - MAITRIJUSHA GOLD INFINITY

---

1. Draw out a very large Maitrijusha Gold Infinity symbol in front of your body (e.g. draw the symbol out a few feet in front of you and draw it quite large, approximately 1 metre x 1 metre in size). Now, you can allow the energies to radiate into you from this very large symbol and after some time, you may even start to feel the symbol merging into you (or you merging into it).

For healing others, a similar approach can be applied. Simply visualise / draw the large symbol a few feet in front of the recipient & allow the energies to radiate into their being from this very large symbol.

2. Another technique is to tap the Maitrijusha Gold Infinite symbol into the Heart, Third Eye, or Crown Chakra and just allow the energies to radiate from there. Remember to use the most expansive intention possible so that these energies can radiate lovingly and magnificently for all. Shine, shine & shine for the infinite benefit of all beings!

3. Just like we learnt in the previous Maitrijusha teachings, the Maitrijusha Gold Infinity symbol can also be loaded up with whatever energies you wish. For example, you can load up the Maitrijusha Gold Infinity symbol with any symbols or with the energies of Usui Reiki, The Unified Pathway To Light, Mahasambodhi Dharmasangha, Maitri Guru, Creator, God or any other source you feel connected with. Once you have loaded everything into the Maitrijusha Gold Infinity symbol, the symbol will then radiate with all these energies combined, sort of like an all-in-one package that you can now use meditatively or in your healing work for others. Remember again to be as expansive as possible in your intention!
4. Finally, we can use the Maitrijusha Gold Infinity symbol through 'The Triple Approach'. This is a new technique being introduced here that combines all of the Maitrijusha practices learnt so far. We begin by drawing out the Maitrijusha symbol above the head and drawing out the Maitrijusha-Ni symbol below the feet (just like you remember from the Volume 1 practice). Then, you tap the Maitrijusha Gold Infinity symbol into the Heart Chakra or alternatively, you can draw out a very large Maitrijusha Gold Infinity symbol a few feet in front of you and just let it radiate into you from here.

Now, all of these three symbols will work together in harmony in what is a multi-faceted healing technique. The Maitrijusha Gold Infinity symbol will be offering you very calming & soothing energies which is why it works so well with the deeply cleansing & physically purifying energies of Maitrijusha & Maitrijusha-Ni.

For this 'Triple Approach' technique, Higher Consciousness has lovingly suggested that you please be very gentle when using this technique in your healing sessions with others. The reason for this is that your recipient will not have been attuned to these energies and they may be very strong or bring about deep healing. They therefore suggest that perhaps it is best to use Maitrijusha & Maitrijusha-Ni for a few minutes first and then add the Maitrijusha Gold Infinity symbol for just a minute or two at the end, whilst being sure to use your intuition for more guidance about what the recipient is needing at the time.

### VOLUME 2 - MAITRIJUSHA GOLD INFINITY

To help you with a more deepened understanding about The Triple Approach, we have put together an image, below, which may help you to understand exactly how The Triple Approach works. (Note that this image depicts the technique where the symbol is drawn a few feet in front of the recipient, but you can also put the Maitrijusha Gold Infinity symbol into the Heart Chakra as explained above).

We hope that you will enjoy working with this new technique and may it help to bring about a vast array of deep inner healing on your journey forwards!

In addition to the four practices outlined above, we also lovingly recommend that you also visit the [Love Inspiration Community Facebook Group page](#) to view the comments and ideas from others about how to use the Maitrijusha Gold Infinity symbol. We are all unique in our approach to energy based healing so its always nice to see what others are working with on their own journey. When using the group, you can simply use the 'search' function on the left hand side of the group page to type in keywords like 'Maitrijusha' or 'Maitrijusha Gold Infinity' and then you can see any posts in the group where those words appear. Wonderful!

### **Uses of Maitrijusha Gold Infinity:**

As we've already mentioned, the Maitrijusha Gold Infinity symbol will be offering you a series of very calming & soothing energies, further humbly described by Higher Consciousness below:

---

**“Maitrijusha Gold Infinity is like a hot cup of tea brought in by your mother on a cold day when you are sick in bed. Soothing, calming, nurturing.”**

---

### **Uses of the Maitrijusha Gold Infinity symbol are outlined below:**

- The symbol has restorative effects on brain function and tissues and is therefore useful before exams, for those with mental anguish or anxiety or for those with dementia.
- It is beneficial for growths in the body (eg. cysts, tumours etc).
- It is helpful in fighting viruses; coughs & colds or anywhere that a virus is overrunning the immune system. Again, the soothing & calming energies are restoring the energy system of the recipient by literally soothing & calming the imbalances so the healing can then take place from there.
- The symbol is helpful in traumatic or stressful situations to soothe & calm nerves. It can be programmed to use in the future, such as a stressful event that is coming up, where you can visualise the symbol radiating in front of you at that future time and place. (For example an upcoming exam, an upcoming speech in front of a crowd, an upcoming flight if you are a nervous flyer or if you are bringing a baby on board a flight).
- It is useful for diseases such as cancers & melanomas and for deficiencies (such as vitamin deficiencies). And it can be helpful to use on those undergoing severe medical treatments like chemotherapy where the body is 'shocked' out of balance.
- Use it to energise pure water before drinking or over medications to help alleviate side effects. Or over food before eating to aid in digestion, reduce any aggravating effects (eg. eating gluten if you are gluten intolerant), or if you are 'emotional eating', (when you consume the Maitrijusha Gold Infinity infused food it will help to soothe & calm the emotions).
- Use it over noisy or hyperactive children (or adults) or animals. And also for shock, fright, paranoia, terror, stress. For example someone who has been in a car accident, has just found out a person dear to them has passed, has broken up with their partner, or an animal that has been frightened by fire-works or a storm.

## MAITRIJUSHA MASTER LEVEL SYMBOLS

### VOLUME 2 - MAITRIJUSHA GOLD INFINITY

---

- The Triple Approach is a good way of cleansing & detoxing, with an added sense of calmness, nurturing and soothing. Use it above the earth, a city, a country, a house, a neighbourhood, or a person/persons who you feel are in need.
- For those of you who are doing your healing work through a more meditative format, this symbol is best accompanied by truly altruistic & very expansive intentions. Remember that if you are shining this symbol's energies outward for the benefit of all beings, you too will surely receive many great healing benefits!

And again we wish to reiterate that you are now at a level where you can really help to create a more light filled, love filled and harmonious universe so please, use this symbol with an expansive and truly infinite perspective!

For example, you can imagine the symbol shining throughout the entire world, the entire galaxy or even the entire cosmos! There is no limit to our infinite selves or to how far this symbol can radiate so please let go of all limiting beliefs & embrace your truly infinite and divine reality.

Overall, there are endless possibilities for use of the Maitrijusha Gold Infinity symbol, but if you simply keep in mind that it is for soothing, calming and nurturing, then use it in any situation in which those qualities will help.

#### **Further symbol use insights from Marty and Gerry:**

Gerry also tried using the symbol to shine over situations from the past where there had been trauma in her life, helping to ease / heal the stress, tension, trauma at the time. In doing so, she imagined herself in the situation and drew the Maitrijusha Gold Infinity symbol a few feet in front of her, allowing it to radiate its soothing & calming energy. In some cases Gerry experienced a sensation of that past stress or trauma in the present time and then gradually it eased (like it was being removed). For example, she put it over herself at a funeral she had been to and images of that day came rushing back and then a sense of peace was washed over her.

After experimenting with this beautiful symbol, Gerry decided that Maitrijusha Gold Infinity would be great to have permanently sitting above her, radiating the calming & soothing energies for all situations, so she tried programming it to be there all the time!

Have a play yourself and try the multitude of ways to use this symbol and remember to use your expansive intention for the benefit of all. When Gerry remembered this 'expansive intention' concept, she visualised the symbol above the earth and asked it to stay there (instead of selfishly above herself)! Upon doing so she felt the symbol strongly radiating inside her heart. Beautiful!

We hope that you enjoy the energies of this remarkably pure & divine healing symbol. May it bring you a great deal of depth, expansion and love into your practice, and may it bring immeasurable benefit to the collective consciousness!
