## THE TRIPLE ADVANCED SYON CLEANSE

### DIVINE CLEANSE

#### WELCOME TO THE TRIPLE ADVANCED SYON CLEANSE!

It is with much deep delight that we welcome you to The Triple Advanced Syon Cleanse. After completing The Advanced Syon Cleanse, this new cleanse is another wonderful step towards a deeper layer of cleansing which works to uncover and purify the deepest darkness that hides within us.

The cleanse works in three stages to help firstly uncover and open any hidden darkness, then cleanse it, and finally repair any damage done by the darkness in the first place. This is certainly our most advanced Syon cleanse to date!

The Triple Advanced Syon Cleanse utilises the energies of the elements Fire, Earth and Wind to bring about the cleansing and repairing. The energies are very strong and powerful and after only two days from taking the cleanse, much energetic work has been done.

We are immensely grateful to have received such a deeply powerful and transformational energetic cleanse, helping to bring to us to cleaner, lighter and brighter states of being. Be prepared however for the darkness to surface - the energies at this cleansing level can be very stirring and bring out some deep *low* frequency vibrations.

This is of course the point of the cleanse; to help us move closer towards liberation! May your Triple Advanced Syon Cleanse open, cleanse and repair your innermost sufferings to allow you the deep transformation to infinite purity!

## DIVINE CLEANSE

### 1. INTRODUCING THE TRIPLE ADVANCED SYON CLEANSE:

With love we wish to introduce these beautiful Triple Advanced Syon Cleanse energies with a message from the Guides:

#### The Triple Advanced Syon Cleanse

“The Triple Advanced Syon Cleanse is the next step up in vibration from The Advanced Syon Cleanse. It has its cleansing abilities based in the elements of Fire, Earth and Wind and the three symbols given include these elements.

The great benefit of The Triple Advanced Syon Cleanse is that it brings a deep-clean cleanse at a very high emotional frequency. It allows one to really open up the darkness that lies at the base of the ocean of emotion, releasing and cleansing past traumas, emotional ties or energetic tangles as we call them plus it also has the ability to repair at an infinite level. Therefore the Triple Advanced Syon Cleanse is called this because of its triple function:

- 1) Opening
- 2) Cleansing
- 3) Repairing

At this great time in the evolution of your healing work, it is paramount to take cleansing activities regularly, especially those of an energetic nature. The Triple Advanced Syon Cleanse is recommended to be taken every 2-3 months approximately and can be used in conjunction with The Advanced Syon Cleanse (use alternately) or on its own as you wish.

Understanding the elemental nature of this cleanse is not necessary however it may be important to know that the energies in this cleanse come from very high Elemental vibrations and have been deeply bestowed into each symbol. Trust that these energies always work for your own best interests at the time, even when they stir up deep emotional challenges to be released.

You are always being guided dear ones. Know this and trust this.  
We love you immensely. The Wanderers"

## 2. COMPLETING THE TRIPLE ADVANCED SYON CLEANSE:

In many ways, The Triple Advanced Syon Cleanse is very similar to that of The Advanced Syon Cleanse. For example, The Triple Advanced Syon Cleanse works with three individual symbols which help to call on the cleansing energies. The cleanse itself is very easily received in around 15 minutes or so and after this period of time your cleanse is complete. The Triple Advanced Syon Cleanse can also be used on an ongoing or regular basis and can be used to help you to cleanse, heal and nourish your body.

Where the Triple Advanced Syon Cleanse differs slightly is in its healing efficiency and in the sophistication of these new energies. And as we progress through the material in this section, you will no doubt see here that there are also some differences to be found in the inner workings of this beautiful cleanse and how it can help you to heal the darkness from within.

Something that stands out here about this new cleanse is that these energies really help to burrow down into your deepest inner darkness. This can therefore help many kinds of old or unwanted energies & thought forms to be brought to the surface for healing and this is something that is invaluable for the journey forwards towards more light. It is also for this reason that we continue to suggest that these energies be called on regularly on your healing pathway.

So now without further ado, let us introduce each of the three symbols in The Triple Advanced Syon Cleanse:

### DIVINE CLEANSE

---

Having now introduced The Triple Advanced Syon Cleanse symbols, it is important that we now provide you with the following information so that you can understand how the cleanse works and how each of the individual symbols work to bring about the required healing from within. So with this, let us now hear from the Guides once more as they explain this beautiful cleanse in more detail:

### The Triple Advanced Syon Cleanse

“The cleanse works in three stages - the three symbols:

**Stage 1 - Fire:** The Fire Elemental embodied in the symbol Okradite works to seek out darkness and ignite it or bring it into the realms of consciousness or sub-consciousness for cleansing. This symbol may be slow to act as it may take some time for the energies to find the ‘buried treasures’ of darkness.

At this level of healing your bodies have become very apt at keeping darkness and pain hidden under many obstacles. This is both a safety mechanism to avoid pain but it is also in many cases the egoic consciousness in control. Once the darkness has been found and uncovered, the Fire element must then transform it into a ‘cleansable format’ by igniting it in order to move it. This stage of energetic work may take up to 36 hours, so please do not be alarmed if there is little ‘felt’ in the initial time period after the symbol practice.

**Stage 2 - Earth:** Here in the second stage, the Earth Elemental brings forth it’s powerful cleansing nature. The beautiful energies of this purifying element help to cleanse gently and with love any darkness it rests upon. This is a peaceful transaction that takes place, soothing and caressing the darkness until it no longer needs to be in existence. Here we give great thanks to the Earth Mother for lending these deeply cleansing energies for use in this cleanse.

During the timeframe of this second phase you may find it beneficial to spend time in nature to allow your energies to be even more in contact with the Earth cleansing element. Alternatively, caring for and nurturing a plant or plants may also be of benefit.

## THE TRIPLE ADVANCED SYON CLEANSE

### DIVINE CLEANSE

---

**Stage 3 - Wind:** At the final stage of The Triple Advanced Syon Cleanse, we invoke the Wind Elemental to literally help 'blow away' any damage caused by the darkness. Many times when darkness has been embedded within us for a period of time, it can hinder our natural growth in that area. When the darkness is removed or cleansed as in stage 2, it can still sometimes leave damaged areas that require repair.

Once the Wind element establishes itself, like a magnet drawn in to the damaged area, it works quickly and efficiently to heal and repair, allowing full restoration. Here you may experience a feeling of rejuvenation or re-invigoration as depleted parts of your 'inner' become restored again. This is a beautiful ending to the cleanse and here we immensely thank the Air and Wind energies for their blessings in the cleanse. The efficiency of this energetic phase is quite remarkable, taking as little as ten minutes to repair damage; some of which may have come from many past lives. It is deeply empowering to see the healing capabilities of our energy once the repressing and damaging darkness is removed.

We trust that these Triple Advanced Syon Cleanse energies will be utilised well by your consciousness for they can provide much well-needed assistance on your pathway to liberation. The more that is cleansed and repaired, the more light you become - raising your vibration immensely for the benefit of all. The infinite benefit of all.

Go well with deep cleansing blessings.

Architron & The Elemental Ones"

For further understanding on how the opening, cleansing and repairing process works through the three stages of the Triple Advanced Syon Cleanse, we have provided you with a diagram on the following page.

The main principles and ideas in this diagram were shown to Gerry by the Guides and can help to give you a more visual perspective about what is happening here during this cleanse.

### 3. INSTRUCTIONS FOR RECEIVING THE TRIPLE ADVANCED SYON CLEANSE / ATTUNEMENT:

As with all of the Love Inspiration attunements and healing systems, we have done our very best to ensure that the attunement processes described here are as simple and straightforward as possible. Please be sure to take some time to read through this process carefully to ensure that you are comfortable and familiar with everything prior to receiving your attunements.

**NOTE: Before you begin your cleanse, please ensure that you have activated (unlocked) The Triple Advanced Syon Cleanse energies prior to commencing.**

**The activation / unlocking process is a simple 5 minute process which unlocks the energies and gives you access to them. Once you have unlocked the energies, this means that you have activated your Triple Advanced Syon Cleanse specifically for you.**

**You are therefore then ready to continue your Cleansing journey by working through this ebook, at your own pace and receiving the energies as you feel guided.**

**If you have not yet activated / unlocked The Triple Advanced Syon Cleanse energies for yourself, you may do this by following the instructions on Page III of this ebook.**

Once you have unlocked the energies and you feel ready to commence your attunement/cleanse, please open up to receiving the energies in line with the process outlined below.

And most importantly, relax, open and enjoy your attunement with love & gratitude and for the benefit of all.

We hope you have a wonderful attunement/cleanse!

## THE TRIPLE ADVANCED SYON CLEANSE

### DIVINE CLEANSE

Let us now cover the processes to follow for completing the attunement/cleanse. **Remember that the attunement process is the entire Triple Advanced Syon Cleanse** and as such, there is no separate attunement. So once you have completed the below four steps, your attunement/cleanse will then be completed.

The attunement/cleanse process will take around 10 - 15 minutes to complete and as previously explained, the Guides recommend taking it every 2 - 3 months. It will help you to burrow down into your darkness so that those energies can be safely released from your energy field. We hope you enjoy your Triple Advanced Syon Cleanse!

#### ■ 1. Preparation:

Sit or lie down, whichever is more comfortable for you, ensuring that you will not be disturbed for at least 10 or so minutes. Perhaps you wish to play some [healing or relaxing music](#), light some candles or burn some incense to create a nice ambience.

#### ■ 2. Invoke the attunement/cleanse:

Invoke The Triple Advanced Syon Cleanse/Attunement energies by placing your hands together, fingertips touching in prayer position and say the following:

**“I open with love and surrender to request the activation of The Triple Advanced Syon Cleanse. May it open, cleanse and repair all that is not yet light so that I may become fully immersed in the great one-ness that is liberation. May all infinite beings benefit. Thankyou, Thankyou, Thankyou.”**

#### ■ 3. Complete the symbol practice:

Please place the three symbols consecutively into the corresponding chakras as per the below table:

Symbol Number	Symbol Name	Symbol	Instructions
Symbol 1	Okradite		Place into the Heart Chakra for 3 - 5 minutes
Symbol 2	Amdanite		Place into the Heart Chakra for 3 - 5 minutes
Symbol 3	Hecrodite		Place into the Heart Chakra for 3 - 5 minutes

## THE TRIPLE ADVANCED SYON CLEANSE

### DIVINE CLEANSE

Please also find below a note from the Guides about the symbol practice:

“Note that the small timeframe for each symbol practice is due to the fact that most of the cleansing work will happen in the two days after the symbol practice. It is wise to rest and ‘take it easy’ as you say during this two-day period to allow the healing energies to work most efficiently. Stress and other disharmony causes disruptions in the energy body and can affect the impact of the cleanse. We would therefore recommend a relaxed and joyous atmosphere for this time period.”

During the actual symbol practice, it is also important to allow the energies to infuse into your energy system and as such, it will be important to open up and *surrender* to these energies. You may like to use the following simple affirmation given by the Guides, during your symbol practice in order to help you relax and open up (the cleansing energies seem to work better when we are relaxed and open):

**“I Surrender”**

However you experience the energies of the cleanse, please know that you will receive each symbol’s energies in accordance with what needs cleansing at the time and as always, what is in line with your own highest good.

#### ■ 4. Closing the attunement/cleanse:

As always, it is good practice to close our cleanse/ attunement with love and gratitude. Perhaps you wish to say something like:

**“With great love and gratitude, I offer my sincerest thanks for receiving the energies of The Triple Advanced Syon Cleanse. May all darkness be opened, cleansed and the energies repaired for the benefit of liberating all. Thankyou, Thankyou, Thankyou.”**

#### 4. ADDITIONAL INSIGHTS:

During the initial cleanse / attunement, Gerry didn't feel very much as she connected with the first symbol. However these energies did obviously work because during stage two of the process, Gerry felt a huge amount of energy flowing - so much so that it actually made her feel quite sick!

Soon after this, she had a vision of a past life experience where she was a 12 year old girl watching her mother being burned at the stake for being a 'witch'. The grief and anger then started pouring out of Gerry and she became so lost in her tears and pain that the Guides had to remind her (three times!) to do the last symbol practice.

Therefore for yourself, no matter what happens during the cleanse, please ensure that you complete **all three symbols** and follow along with the minimum timeframes. It is fine to spend some additional time with each of the symbols however if you can, we would humbly suggest that you stick to the general timeframes prescribed by the Guides.

Please remember also about the introductory message by the Guides about *the stirring up of old pain and how it is always for your own highest good*. This teaching may be particularly helpful for you if you are feeling some old pains and emotional states rise during your cleanse.

During the third stage of Gerry's cleanse, the Wind energies went to work and quite quickly repaired the damage from her darkness. Her energy felt soothed and the tears stopped almost immediately. After 15 minutes or so, Gerry felt a huge amount of energetic work had been completed and she was very grateful. The energies then continued to work deeply over the next 48 hours as the Guides had explained, to continue the soothing, cleansing & repair process.

After this experience, Marty & Gerry were guided towards noting in their diary to complete The Triple Advanced Syon Cleanses once every 3 months. And as part of this, they chose to use this cleanse as a stand alone practice (no longer feeling the need to call on The Advanced Syon Cleanse energies).

Having said this, you are welcome to call on both sets of energies as you feel guided to. At this stage of your journey, you have ascended through many wonderful levels and as such, we invite you to use your own intuition to decide what works best for you and your own practice. For example, do you still want to continue connecting with both The Advanced & Triple Advanced Syon Cleanses? Or would you prefer to complete The Triple Advanced Syon Cleanse on a two or three monthly basis?

As we understand it, The triple Advanced Syon Cleanse is very similar to The Advanced Syon Cleanse in that it will be highly effective and of great assistance to you as you continue to move through the Ascension Pathways (and beyond!). And it is for this reason that these energies have been introduced to you here at this stage of your Ascension Pathway!

As you progress more and more, we are very happy to rely on your divine intuition so again, please feel free to call on these energies as you feel guided! We sincerely hope that these new energies will help you to clear away much internal darkness and may you be guided to move towards many beautiful experiences on your continued journey towards an ascended state of being!

## 5. FINAL COMMENTS:

Congratulations on completing the Triple Advanced Syon Cleanse! We trust that you have enjoyed these beautiful energies and that they are continuing to work on any internal darkness that you have lingering in your beautiful energy system!

Please again be reminded of the importance of *surrendering* throughout these Syon cleanses (and in the days following) as this will often help any old and unwanted energies to be more effectively released & cleared away from your energy system.

Looking forwards then, and with this course now being completed, we invite you to now move back into your chosen Ascension Pathway where you will now be guided into many more delicious and highly evolved sets of ascension based attunements!

As you continue to progress, we would again like to suggest that you use these Triple Advanced Syon Cleanse energies regularly and as you feel like you need them. These energies will be highly effective in helping you to clear and release many old and ingrained energies from within you so if you are feeling like you could benefit from a quick clean out, then this new tool will be very helpful!

*May your darkness be transformed to light and may you radiate these beautiful energies outward for the infinite benefit of all beings!*

*With love & light blessings,*
