A NOTE ON ADHERING TO COURSE TIMEFRAMES & PREREQUISITES:

Higher Consciousness has requested that this note be added here to emphasise the importance of the following:

► Ensuring you have met the required prerequisites before commencing this ebook

FAQ: Is it important to complete the prerequisites for each Ascension Pathway ebook?

► Ensuring you follow the prescribed timeframes in this ebook

FAQ: Do I need to follow the prescribed timeframes given in each Ascension Pathway ebook?

► Ensuring you follow the prescribed resting timeframes in this ebook

FAQ: Is it important to complete the resting days in between the Ascension Pathway practices?

All of the prerequisites, practices and timeframes in this ebook have been divinely created, designed & brought through by Higher Consciousness so that we are able to get the maximum benefit from the energies in order to ascend. We lovingly ask that you please read the above FAQs and refrain from 'speeding through' timeframes, practices or ebooks in less time than has been divinely prescribed. Over the years, Higher Consciousness has shared a number of messages on this topic and with much love, we now wish to share some of these here:

“Each individual on these pathways will find some layers of healing and purification easier than others; this is due to your own karmic circumstances and is not a justified cause to skip timeframes or ‘accelerate’ yourself due to egoic justifications. Please Dear Ones we say it with love - be kind to yourself and follow the pathways as indicated, as best you can. There is no ‘pass’ or ‘fail’ on this journey, but there are circumstances that lead to a more complete journey. Please follow our guidance in the energies and know that you are being watched with great love and abundance.”

“Accessing advanced level energies before you are ripe to receive them can cause backward-sliding effects for not only oneself, but for the Love Inspiration Community & collective consciousness as a whole. Your premature acceleration is not recommended, with love, under any circumstances. Please take heed.”

“Those who are knowingly not following the Ascension Pathway correctly, not using the specified timeframes or jumping ahead to reach advanced levels or practices, we ask you lovingly to refrain. This is not a request for ourselves, but rather a plea to aid your very own ascension. Let us assure you that misusing the energies in this way will not bring you any advancement and in fact, over time, misuse of the energies will corrode your energetic merit & therefore your ability to stay on the pathway.”

Lastly, please know that if you want to speed up your pathway/ascension, then Higher Consciousness has lovingly brought through several *legitimate* optional ways to do this and further information can be found on the [Accelerate Your Ascension Pathway webpage](#).

ACTIVATING (UNLOCKING) THE RIGMALON ENERGIES:

Before opening up to these beautiful ascension energies, it is very important that you firstly activate or 'unlock' the energies in this ebook. Once this is completed, you will then be ready to begin!

The activation is a very simple process, done by yourself, using a specially embedded activation code to 'unlock' the energies in this ebook. The four step process is outlined below and should only take you around five minutes or so to complete.

(For more information about the activation codes or the activation process - please visit our [Activation Codes FAQ's](#)).

■ 1) Preparation:

Please sit or lie down, whichever is more comfortable for you, and ensure that you will not be disturbed for at least 5 minutes or so. Perhaps you wish to play some [healing or relaxing music](#), light some candles or burn some incense to create a nice ambience.

■ 2) Invocation:

Invoke the activation ('unlocking') by placing your hands together, fingertips touching in prayer position and saying the following:

"With infinite grace, I ask humbly and clearly to activate the energies of Rigmalon - The New Light. With the unique activation code 347711922 may this be so. May this activation benefit all beings. Thankyou, thankyou, thankyou."

■ 3) Receiving:

If you wish to, you can now just sit for a few minutes as the energies are unlocked for you. After this period of time, as you feel ready, you may wish to give thanks. The activation is now complete!

■ 4) Understanding:

Once you have completed your activation, we ask that you now read through - ["Activation Codes and Prescribed Timeframes"](#). This will only take around a minute or so and will help you to receive the maximum benefits from all of these healing energies and practices. After this, you are now ready to begin opening up and receiving these beautiful ascension energies! May you enjoy these with much love & light and with an intention to benefit all beings.

AN INTRODUCTION TO BLUE LIGHT - RIGMALON - THE NEW LIGHT:

With much love & joy, let us now share this beautiful message from The New Light Beings as they welcome you into The New Love Consciousness with love, light & gratitude:

“Congratulations on reaching an independent pathway. For a long time we have watched over you on your progressionary journey and we have been patiently and lovingly awaiting your arrival. Now that you are here, we shall insightfully begin to explain where ‘here’ is. Please bear with us as there is much to convey and we shall try to do so in small increments to better your understanding.

Firstly, you are now aware that Blue Light Volumes I - III have been a bridging of both The Unified Pathway and the Pathway To Light Ascension Pathways. We have outlined this earlier in Blue Light. Secondly you may now well be aware that there are many sets of energies at work for you here on this Ascension journey. Up until now, each set of these energies has come from a Source or main fraction of light, known as ‘The One’.

This great Entity has been co-ordinating all the Ascended Beings and their teachings in order to bring through all the aspects of healing required to make up the Ascension Pathway(s) to date. This has been an incredibly expansive journey and has required time and commitment from many, many beings. With love we thank them immensely for their work.

Thirdly, now that you have reached the Volume Four frequency, you will now be receiving channelled teachings and attunements (energetic upgrades) from a new Source. This new Source, known as RIGMALON will now be coordinating all the energies and all the beautiful beings that will be blessing you on this monumental and incredibly required
Ascended Pathway.

Fourthly, we are delighted to announce that after all of the commitment, education and energetic upgrades to date, that you are now fully blessed and endorsed to receive these newly sourced energies. The step up in vibration here, although somewhat subtle, is a testimony to your continued dedication to benefitting the infinite all. For this we say congratulations. With these fully endorsed blessings you may now begin the Volume Four frequencies of light. We wish you many great achievements for the benefit of all.

Fifthly, whilst there have been many energetic changes within your energy field to date, many of these have been at a gross level, purifying unrequired and darker, older systems of frequencies. Because of this, there has been a great level of primary suffering and unconditional pain (both emotional and physical). This unfortunately is a part of the pathway as you release and surrender the old consciousness that no longer serves you. An out-of-date mode of frequencies that are not viable at higher vibrations.

Moving forwards then, the newly sourced energies have a new and different capacity for capability of healing. You will be connected with many harmonious frequencies simultaneously which will alter the consciousness tremendously. These alterations are at a highly subliminal vibration and are a way of 'initiating' your energy into The New Consciousness or The New Love Consciousness as we have affectionately named it.

Sixthly, yes indeed - with arms open wide, you may now celebrate your arrival into The New Love Consciousness. With a foundation of Trust & Faith coupled with your new loving level of vibration, you are now ultimately blessed and guaranteed by us, to complete your journey to light. With deep admiration we commend you and with heart frequencies open, we love you.

No. 7. You will note that although you are now stepping up to a new Source, the step up in vibration from Volume Three to Four is diagrammatically shown to not be of significant increase. Please note here that in fact, this level (Volume 4) is in great foundational preparation for the great acceleration in Volume Five.

No.8. The new Source shall begin their coordination from the date and time of your intention for them to do so. We therefore recommend that the primary stage of Volume Four be an offering to Rigmalon. This can be as little or large as you wish but must be coupled with a detailed and sincere intention to honour, serve and benefit all.. The following may serve as a guide.

NO. 9 [The channelled information brought through here as point No. 9 has been included in the practices section below so that you can more easily follow along with these practices].

No. 10. The Volume Four energies will be a brief introductory level of new light frequencies before gliding effortlessly into the Volume Five acceleration. For this reason, there will be limited practices in Volume Four and in total it will be of smaller timeframe also. The main theme or point of digestion here is to assimilate yourself with the new energies. In order to do this, you will be asked to open to new ways of thinking and experiencing life. For in the old consciousness, many ways are obsolete or no longer tangible.

We therefore request you to stay mindfully open and ready for change.

No.11 Again, we would finally like to shower you in our love, praises and light for your continued ascension journey. Please do not underestimate the importance and significance of your pathway for it will lead many others also to light. In the connected consciousness we are all aligned and equal and in this way we are all loved equally and immensely. Go well and with great new light into the freedom of accelerated ascension.

And may you always honour, serve and benefit all with your plight.”

BLUE LIGHT VOLUME FOUR - RIGMALON - THE NEW LIGHT

Welcome to Rigmalon - The New Light!

WELCOME TO RIGMALON - THE NEW LIGHT:

As the Guides have mentioned in their introductory message, this new volume of energies will be helping you to connect with an entirely new source of light frequency - that of 'Rigmalon' (*pronounced Rig - mah - lon*). To start with then, let us say a big thank you to 'The One' for helping us to arrive at this point (through all of the previous energies, teachings and attunements) and to Rigmalon for all the blessings and love that are surely to follow on this beautiful and awakened journey towards one-ness!

In the overview sections, you will also have seen that The New Light practices are able to be received in a very short space of time and this is largely because these new energies are simply helping you to lay the necessary energetic foundations for the very significant & brilliant Blue Star Consciousness Awakening through Volume Five.

We truly hope that you will enjoy this new frequency of light and that you enjoy your well earned entrance into 'The New Love Consciousness'. After what has now been many years, we are sure that you are happy to have been welcomed into this new ascended state of being for the ultimate & absolute benefit of all. May you enjoy the practices here in Volume Four - The New Light, and may they help you to lay the necessary foundations for your ultimate ascension through the Blue Star Consciousness Awakening!

1. THE VOLUME FOUR PRACTICES:

Before you begin these Volume practices, please ensure that you have unlocked the energies in this ebook before commencing. Please see the note below:

NOTE: Before you begin, please ensure that you have activated (unlocked) the Volume IV - Rigmalon - The New Light energies prior to commencing.

The activation / unlocking process is a simple 5 minute process which unlocks the energies and gives you access to them. Once you have unlocked the energies, this means that you have activated ALL the energies in this whole ebook specifically for you.

You are therefore then ready to continue your Volume IV journey by working through this ebook, at your own pace and receiving the energies as you feel guided.

If you have not yet activated / unlocked the Volume IV - Rigmalon - The New Light energies for yourself, you may do this by following the instructions on Page IV of this ebook.

As part of the Guide's instructions for these Volume Four energies, we will be starting our practices here by setting our intention so that we can more fully open up to the new source Rigmalon. As part of this, the Guides have suggested that we make an offering here as outlined below and for this, we suggest that you choose something that comes from your heart and something that feels right for you.

Following this first step, there will be a short period of rest which will be followed by a series of symbol practices. These will be helping you to draw down and call on The New Light energies for the infinite benefit of all.

So with this all being said, let us now outline the day by day instructions for the New Light practices below:

♥ Day 1:

On Day One, we make our offering to Rigmalon, the new Source and set our "sincere intention to honour, serve and benefit all" as the Guides explained in point 8 of the introductory message:

"The new Source shall begin their coordination from the date and time of your intention for them to do so. We therefore recommend that the primary stage of Volume Four be an offering to Rigmalon. This can be as little or large as you wish but must be coupled with a detailed and sincere intention to honour, serve and benefit all."

Blue Light - An Ascended Pathway To Faith And Higher Consciousness

Volume IV: Rigmalon - The New Light

a) Set your intention

Once you have chosen an offering to make, you may sit with the offering in front of you (if possible) or simply sit with the visualisation of the offering whilst saying the following intention with hands in prayer position:

**“Dearest Great Source Rigmalon, with deep love and compassion I ask you to begin your coordination of the Great Energies for my further ascension on this pathway. May I surrender myself with the clear intention to honour, serve and benefit all, always. With grace and thanks, [your name].”
Thankyou, Thankyou, Thankyou.”**

Please note that if you wish to (although not instructed by the Guides), you may also like to say thank-you to “The One” and all the Beings who have brought through the teachings and energies to date.

b) Connect with the new light

Immediately after asking Rigmalon to begin the co-ordination of energies, you are now able to connect into these beautiful energies for around an hour or so (as you feel guided). As the Guides explain:

“Once the offering and intention setting is complete, you will then be guided to the new light (Source).

You may wish to sit in silence or meditation for up to an hour afterwards (perhaps with your offering) in order to connect to the new light.”

“Rigmalon thanks you sincerely for your offering and for your ultimate dedication to honour, serve and benefit all.”

♥ Days 2 - 5:

Following this practice on day 1, the Guides have prescribed that you now take 3 days to rest i.e. from days 2 - 5.

♥ Day 6:

On Day Six you are now able to begin the ten days of symbol practice and to help explain these practices, here is the information that has been brought through by the Guides:

“For the symbol practices you shall be given ten symbols to use over a period of ten days. This is an intensive ten-day period so please follow the instructions carefully.
We wish you great new light!

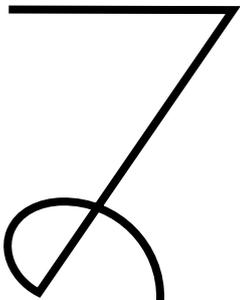

Each of the ten symbol practices should be directed into the Heart Chakra for 3 - 5 minutes once per day. These energies focus on expanding the Heart Chakra day by day, each building on the previous, in order to bring about expansive energetic changes to open the heart further to higher consciousness vibration. Please do not miss a day as each building block is critical. Do not underestimate the simplicity of the symbols for they are deeply embedded in higher consciousness truths.

Go well on your symbol practice journey. May it help you to honour, serve and benefit all; always.”
~ Rethom

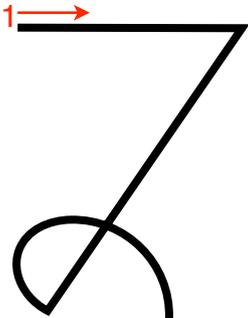

As you can see from this information, for each day you will be connecting with a new symbol which will help you to open up to new and higher light frequencies. It is important that you complete all of these practices here day by day as “each building block is critical”. We hope that you will enjoy these new ‘Higher Consciousness’ energies and may they help to lay the necessary foundations for the beautiful & profound uplift being experienced through the Blue Star Consciousness Awakening of Volume Five!

On Day Seventeen you are now ready to complete this series of energies with the the following 'closing invocation'. If possible, please sit quietly with your hands in prayer position and lovingly say the following:

**"With love and great thanks I sincerely and graciously offer my gratitude to Rigmalon and The New Light Beings for this Volume Four Ascension. I hereby request lovingly to proceed into The Volume Five acceleration with the intention of honouring, serving and benefitting all."
Thankyou, Thankyou, Thankyou."**

Blue Light - An Ascended Pathway To Faith And Higher Consciousness
Volume IV: Rigmalon - The New Light

After you have completed your closing invocation, there is now a 12 week rest period before commencing the Volume Five energies and to help you with understanding why this has been prescribed here, let us now share what the Guides explained for this time period:

“For twelve weeks there shall be a ‘resting’ phase (no practices) however now is the time for great ascension acceleration to unfold. Before your very eyes you shall be ascending through the old light and into the new light, towards the Blue Star Consciousness Awakening.

Please, during this time, do not undertake any other new healing or attunement practices for your energy body must succumb entirely to the Blue Star Awakening Consciousness energies. Enjoy the resting period.

You have earned it!”

Please lovingly remember that this resting timeframe is indeed required - and is very important for the digestion & assimilation of the energies. For more information please [see this FAQ](#). Let us also reiterate here how important it is that you not undertake any other **new** healing or attunement practices during this time. It is of course totally fine to continue with your ongoing meditations, prayers and other healing practices during this 12 week period however we strongly suggest that you not open up to any new or additional healing systems, attunements, symbols or energies during this 12 week period.

You have now completed
Volume Four
Rigmalon - The New Light!
Congratulations!

Blue Light - An Ascended Pathway To Faith And Higher Consciousness

Volume IV: Rigmalon - The New Light

2. FINAL COMMENTS:

It is with a feeling of deep joy and happiness that we congratulate you on taking this wondrous step into the vibration of The New Consciousness! If you are reading this, then you have finally made it into this higher consciousness frequency and truly, you have now reached a point where things can now blossom & flourish in the coming years ahead.

Having now moved through all of the heavy, gross and other physical debris, you have now transcended and faced much of your own internal darkness. And you are now moving into a new healing arena where the healing issues being experienced will be of a more subtle nature.

This Blue Light Ascended Pathway has indeed been an important step forwards and as part of this, there will of course be many challenges and difficulties to overcome. However please know also that your energetic vibration has been raised quite *significantly* during these four volumes of energy work and that you have now been birthed into the 'New Love Consciousness' for the infinite benefit of all.

Having now reached this penultimate level of Blue Light, we strongly suggest that you continue forwards into your Blue Star Consciousness Awakening (and beyond)! For here, you will see that the Volume 5 energies are another very significant step upwards on your Ascended Pathway.

For now though, we hope that you will enjoy your 12 week period here of ascension in what is a beautiful flowering of consciousness, before beginning the Volume 5 energies. Please again remember **not to undertake any new healing energies or attunements** and as always please be loving and kind to yourself (and others) as much as you can during this time.

And for those of who have already started completing your 6 months of charitable work (from the end of Volume 3), we hope you are enjoying your 'giving' and that it is helping to raise your vibration even further! This will be of tremendous benefit to you at the end of Volume 5!

If you would like a certificate for completing Blue Light - Volume 4 - Rigmalon - The New Light, please click on the link to be taken to our website where you can [download a certificate](#) for this course in PDF format. Simply print it out and fill it in as you wish.

Let us finish here finally by giving you a big etheric hug to welcome you into this beautifully warm, loving and peaceful vibration. This is a place where all of your aspirations, dreams and spiritual awakenings are now being brought closer into your physical reality. We look forward to seeing you again in volume Five and until then, please know that you are loved and treasured very much.

With many Rigmalon Blessings,

**LOVE INSPIRATION &
