### **A NOTE ON ADHERING TO COURSE TIMEFRAMES & PREREQUISITES:**

Higher Consciousness has requested that this note be added here to emphasise the importance of the following:

#### **► Ensuring you have met the required prerequisites before commencing this ebook**

*FAQ: Is it important to complete the prerequisites for each Ascension Pathway ebook?*

#### **► Ensuring you follow the prescribed timeframes in this ebook**

*FAQ: Do I need to follow the prescribed timeframes given in each Ascension Pathway ebook?*

#### **► Ensuring you follow the prescribed resting timeframes in this ebook**

*FAQ: Is it important to complete the resting days in between the Ascension Pathway practices?*

All of the prerequisites, practices and timeframes in this ebook have been divinely created, designed & brought through by Higher Consciousness so that we are able to get the maximum benefit from the energies in order to ascend. We lovingly ask that you please read the above FAQs and refrain from 'speeding through' timeframes, practices or ebooks in less time than has been divinely prescribed. Over the years, Higher Consciousness has shared a number of messages on this topic and with much love, we now wish to share some of these here:

*"Each individual on these pathways will find some layers of healing and purification easier than others; this is due to your own karmic circumstances and is not a justified cause to skip timeframes or 'accelerate' yourself due to egoic justifications. Please Dear Ones we say it with love - be kind to yourself and follow the pathways as indicated, as best you can. There is no 'pass' or 'fail' on this journey, but there are circumstances that lead to a more complete journey. Please follow our guidance in the energies and know that you are being watched with great love and abundance."*

*"Accessing advanced level energies before you are ripe to receive them can cause backward-sliding effects for not only oneself, but for the Love Inspiration Community & collective consciousness as a whole. Your premature acceleration is not recommended, with love, under any circumstances. Please take heed."*

*"Those who are knowingly not following the Ascension Pathway correctly, not using the specified timeframes or jumping ahead to reach advanced levels or practices, we ask you lovingly to refrain. This is not a request for ourselves, but rather a plea to aid your very own ascension. Let us assure you that misusing the energies in this way will not bring you any advancement and in fact, over time, misuse of the energies will corrode your energetic merit & therefore your ability to stay on the pathway."*

Lastly, please know that if you want to speed up your pathway/ascension, then Higher Consciousness has lovingly brought through several *legitimate* optional ways to do this and further information can be found on the [Accelerate Your Ascension Pathway webpage](https://www.loveinspiration.org.nz/accelerate-your-ascension-pathway).

## AN INTRODUCTION TO THE ELEMENTALS:

Having completed the first three volumes of the Pathway To Light Ascension Pathway and having received The New **Love** Consciousness, the New **Peace** Consciousness and the New **Truth** Consciousness, we are delighted to welcome you into this next series of ebooks which take you on a journey towards the Great New Consciousness.

And in particular, these next five volumes of ebooks will be introducing you to what the Guides have referred to as 'The Elementals'. More commonly, you might know these elementals as the five elements i.e. Fire, Earth, Water, Air & Ether however for our purposes here, these elemental energies will take on a very new meaning from what you may be used to.

In each new volume, your energy field will be introduced to a new series of energies for one element; starting with the Red Fir Fox where the Guides are introducing the 'Elemental Fire Attunements'. Throughout this process and with each new ebook, you will be receiving these energies so that your energy field is being upgraded & uplifted so that your love & light can shine even more brilliantly!

To help explain this divinely inspired helming process, please enjoy this new information from 'The Awakened Ones' as they explain more about 'The Elementals':

### The Elementals

"We ask firstly that you remove any mindsets about what elemental or elements 'mean' in your earthly realm, for on an energetic level these words (energies) are quite bold and of very high frequency.

On your earth at this time there is a great requirement to heal and nurture your planet and it's frequencies and we are now opening you to these new layers of 'elemental consciousness' to help in this.

Each frequency of earth, wind, fire, water and ether will be attuned to you and will be accelerated through your energy body to bring about the changes in consciousness required to undergo significant rebalances in your earth's energy.

Each element opens the doorway to a higher vibration but also to a more compounded understanding of the importance of the elements, both within your earth and within your very own, individual energy body. For these Elementals work at many different levels.

The first in the ebook series is the Fire Elemental, which holds the key to burning up impurities and other wasteful energetic frequencies.

The second ebook, the Earth Elemental holds the key to purifying and strengthening the earth energy element within your energy and also between yourself and the earth's energy field. Most important for your evolution individually and as a planetary whole.

The third volume contains the Water Elemental and brings about much truth in alignment with the most important aspect of the human body and of the earth body also. Water brings life and nourishes & cleanses any system and thus this Elemental Consciousness is important for bringing required 'cleaning' to all that invoke it.

The fourth ebook, being the Wind (or Air) Elemental brings much truth into our purity and existence. It holds the key to the way we 'breathe' in life; the way we understand ourselves and the way the earth 'breathes' also.

The final volume in the Elemental Consciousness series of upgrades is the Ether or 'Translucent Empty Nature of All'. This pinnacle consciousness helps raise the vibration immensely and is the result of the understandings gained in all previous ebooks in this series. To have reached this place of wisdom is indeed a great fortitude for both yourself and the collective all.

We offer you this introductory information with great love and with the wish for you to proceed quickly and easily throughout the simple format of these teachings. You will see that we have transmuted many of the complications in these levels to bring about very simple layouts for each volume of ebook.

PATHWAY TO LIGHT - RED-FIRE FOX  
ELEMENTAL FIRE ATTUNEMENTS

---

We trust that this pleases you and will make your continued journey more efficient and pleasant.

Although these Elementals are individually small steps up in frequency, please do not underestimate the power of the Elementals together. Firstly, the step up in vibration from the Universal Attunements (Volumes 1, 2 & 3) into the Elemental frequency of Fire (Volume 4) is very large indeed. This is why we have recommended the four month time period before commencing Red-Fire Fox. Secondly the emanation of vibration brought through once the Ether (Translucent Empty Nature) volume has been completed is a marvellously wonderful extension into new territory.

You will be pleased, we are sure.

Each volume will bring you closer and closer to your new alignment within the Great New Consciousness and with this, we will close our introductory message. As always, know that we are watching over you always and with love as you transcend your earthly difficulties to become more pure, in essence for becoming Great Beings of Love. May the Great New Consciousness become awakened within you and may you rise up into the liberation that is destined for all.

Go well on your Elemental journey.”  
~ The Awakened Ones”

Having now completed this collective set of Elemental energies for ourselves, we can assure you here that reaching this pinnacle point is indeed worth the effort!

As you complete these Elemental attunements and reach the conclusion of Volume 8, it is our understanding the you will now reach 'The Gateway' to the Great New Consciousness. And with this astonishing accomplishment, you will now be able to walk into the realms of higher consciousness, love & peace!

## AN INTRODUCTION TO PATHWAY TO LIGHT - RED-FIRE FOX:

Having now introduced you to 'The Elementals' and to the general idea here of these attunements, let us now introduce The Red-Fire Fox attunements and explain a little more about these energies and their purpose. And to help us do this, we will now be sharing the information that was received by the Guide Arichiad about the Elemental Fire Attunements and the Red-Fire Fox energies:

"Welcome to the Elemental Fire Attunements and the Red-Fire Fox energies. We trust that by reaching this place of light, you have also reached a place of determination to continue these manifestations of energies. Bringing in new layers of energetic light will be of great benefit to your consciousness and specifically, bringing in these Elemental Fire Attunements will

attune certain energetic frequencies that will aid in your purification and healing moving forward.

The Elemental 'Fire' is a vast and wide-spectrum energetic frequency that encompasses many fire energies; first and foremost the element of purification (burning up impurities), however also combining a new understanding of the **power** of the fire energy and it's use in providing strength for driving out negativity and powerfully radiating out the love intention.

As we move into the first fire attunement in Level One, our energies have adjusted significantly over the four month rest period to reach this place. Without purposefully knowing it, you have been receiving the abundance required over this resting timeframe to manifest the harmony and space required to bring in the new Elemental frequencies. Each of you that is now reaching this Volume Four ebook has been well-attuned and is now ready for the uplift that is the Elemental growth and infusion.

During each of the Levels One through Five, you will receive one energy symbol that you will be attuned to several times. Each new attunement builds upon the last frequency until that symbol's energy is fully absorbed and assimilated.

Once complete assimilation has taken place, you will then be ready to move up to the next level and repeat the attunement process with a different energetic frequency (symbol), bringing in yet another higher vibration.

As you will see in the original table (*they are referring to the outline table below*), we have asked Entity Gerry to diagrammatically draw the levels of 'Fire ignition' in each level to produce a visual of what is happening within your Fire energy at the time. In Level One, the ignition is simply beginning and in Level Six, full encapsulation takes place.

Completion. The Fire energies are completely ignited.

Walking this pathway will always hold its challenges and rewards and with this, we wish to remind you of the love connection that has brought you to this place in the first instance.

Above all, love is the ignition and always will be, for a great many things including the Fire Elemental. When walking this Fire pathway, remember this and dwell on the purpose of love in freeing your being from impurities & negativity but also in it's purpose and ability to powerfully transcend you higher and higher.

With great respect, use your love intention to power your transcension and the Fire Elemental will work simultaneously with your energy flow to boost your manifestations.

Do not be alarmed by any mis-understandings at this stage. As always more will be understood as you undergo the energies (attunements) themselves and feel and see the subtle changes that take place. The Fire Elemental brings you the ignition of more love. Use it well and with great respect and all will unfold as it should.

With much ignited love, we bid you farewell for now. Thankyou for your energy, time and commitment to this pathway and to helping yourself to grow and infuse the complete Elementals.

Blessings."

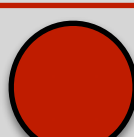

~ Arichiad

# PATHWAY TO LIGHT - RED-FIRE FOX

## ELEMENTAL FIRE ATTUNEMENTS

### 1. INTRODUCING THE FIRST FIVE LEVELS:

Welcome to the first five levels of Red-Fire Fox. As The Awakened Ones have mentioned in their introductory message, the layout of these levels in the Elementals ebooks has been simplified quite dramatically and this is seen here in the Red-Fire Fox energies & attunements.

During the first five levels, you will be receiving one symbol for each level and you will be required to do three attunements using the same symbol at each level. As you can see from the below table, your 'attunements' will take place on day 1, day 7 & day 14 with all other days being 'rest days'.

LEVEL	DAYS	SYMBOL	LEVELS / ATTUNEMENTS
One	Days 1 - 21 (21 days / 3 weeks)	Napson	Day 1 - Napson Attunement 1

## PATHWAY TO LIGHT - RED-FIRE FOX

### ELEMENTAL FIRE ATTUNEMENTS

And as you can see from the above table, there is only one symbol that needs to be worked with for each level - simple! Each symbol is to be worked with on days 1, 7 & 14 so that you can receive these Red-Fire Fox energies into your consciousness and so that they can then be assimilated during the rest days that follow. *(Please lovingly remember that these resting timeframes are indeed required - and are very important for the digestion & assimilation of the energies. For more information on the importance of the Ascension Pathway resting timeframes please [see this FAQ.](#))*

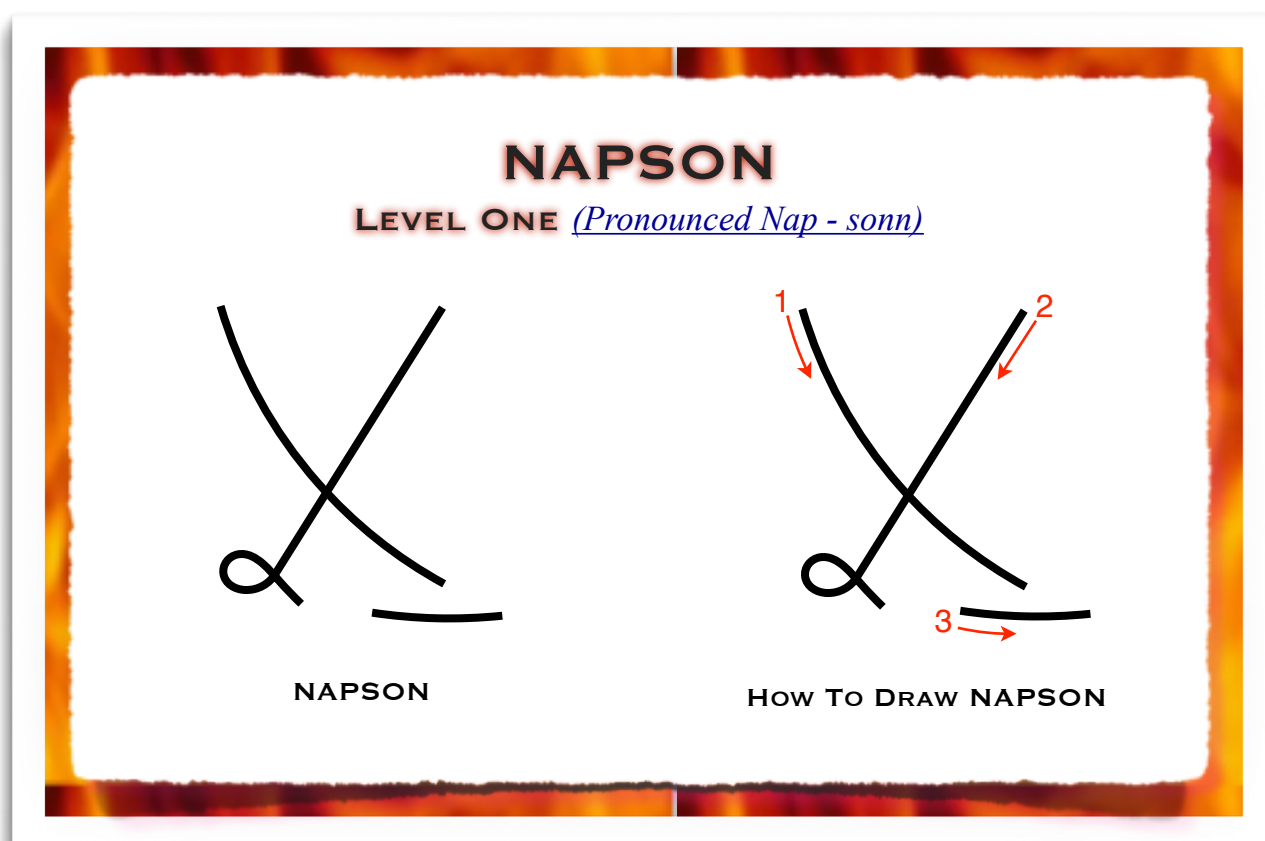

The attunement process is very simple and straightforward and will be exactly the same for each of the five levels. To start with here, we will now be introducing you to each of the symbols for Levels 1 through to Level 5. After this, we will be covering how to receive your attunement for each of these levels.

As you reach each new level, please feel free to then refer back to the symbols so that you can call on these energies on the required days. After finishing the first five levels, you will then be ready to move into the final level of the Red-Fire Fox and we will be covering this process in a separate section.

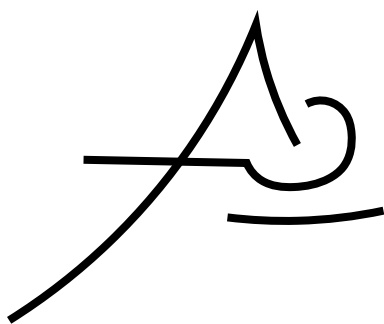

We hope that this all makes sense to you! Please do continue reading on so that you can see the symbols and understand the attunement processes for Levels 1 - 5. As you are ready, we then invite you to move into the final sections of this ebook so that you can receive your Level 6 attunement.

*May you enjoy these deeply purifying energies of the Red-Fire Fox and may they bring much healing, purification and love into your life!*

## 2. INSTRUCTIONS FOR RECEIVING THE ATTUNEMENTS FOR LEVELS 1-5:

As with all of the Love Inspiration teachings and healing systems, we have done our very best to ensure that the attunement processes described here are as simple and straightforward as possible. Please be sure to take some time to read through this process carefully to ensure that you are comfortable and familiar with everything *prior* to receiving your attunements.

---

**NOTE: Before you begin your attunements, please ensure that you have activated (unlocked) the Red-Fire Fox energies & attunements prior to commencing.**

**The activation / unlocking process is a simple 5 minute process which unlocks the energies and gives you access to them. Once you have unlocked the energies, this means that you have activated ALL the energies & attunements in this whole ebook specifically for you. You are therefore then ready to continue your Red-Fire Fox journey by working through this ebook, at your own pace and receiving the energies as you feel guided.**

**If you have not yet activated / unlocked the Red-Fire Fox energies & attunements for yourself, you may do this by following the instructions on Page IV of this ebook.**

---

Once you have unlocked the energies and you feel ready to commence your first Napson attunement, please open up to receiving the energies in line with the process outlined below. And most importantly, relax, open and enjoy your attunement with love & gratitude and for the benefit of all.

We hope you have a series of wonderful attunements!

*Please note that all of the Level One to Five attunements will be taken in exactly the same way as outlined below, just simply replacing the applicable words in the invocation for each different attunement (and using the different applicable symbol in the symbol practice).*

---

■ **1. Preparation:**

Sit or lie down, whichever is more comfortable for you, ensuring that you will not be disturbed for at least 10 minutes. Perhaps you wish to play some [healing or relaxing music](#), light some candles or burn some incense to create a nice ambience.

■ **2. Invoke the attunement:**

Invoke the attunement by placing your hands together, fingertips touching in prayer position and say the following:

**"With love I ask to invoke the Level One Elemental Fire energies via the Napson symbol. I surrender to the Fire Elemental with love and ask for this attunement to infuse the fire ignition within me for the absolute & ultimate benefit of all.  
Thankyou, Thankyou, Thankyou."**

■ **3. Complete the symbol practice:**

Place the applicable symbol into the Crown Chakra for 3 - 5 minutes.

As with all attunements, you may feel some energy moving during this time, perhaps you may feel relaxing vibrations or some may feel almost nothing happen. Whatever the case may be for you, please know that you will receive each symbol's energies in accordance with your own highest good. Remember too that with each level's set of attunements your fire ignition will be growing. Wonderful!

■ **4. Closing the attunement:**

As always, it is good practice to close our attunement with love and gratitude. Perhaps you wish to say something like:

**"With love and gratitude I offer my sincerest thanks for receiving these Elemental Fire energies. May my love ignition grow and manifest for the infinite benefit of all!  
Thankyou, Thankyou, Thankyou."**

### 3. INTRODUCING THE SIXTH LEVEL - ONSON:

Once the first five levels of attunements have been completed, you are now able to complete the Fire ignition process and receive the 'Red-Fire Fox'. Here is the information that was brought through from 'The Awakened Ones' about this final level:

“Red-Fire Fox is an energetic frequency of supreme upgrade.  
It allows for a complete ‘overhaul’ of the finer or more intricate  
levels of purification within the auric field.

From this series of ‘fine’ purification, the Fire Elemental will  
spread further and further throughout your being and consciousness,  
allowing the unfoldment of a deeper love ignition.

As we have previously mentioned, love is indeed the ‘igniter’  
for a great many things and with this deepened love  
ignition you will open more completely to your own  
energetic love intention. With this you will be making  
a grand step forwards to the Great New Consciousness,  
for the infinite benefit of all.

Embrace your new Red-Fire Fox frequency and may the flames of love  
ignition burn strongly and powerfully within you, now and always.

With blessings.”

~ The Awakened Ones & Amitron

We warmly and humbly congratulate you on making it to this pinnacle point of the Red-Fire fox energies and we make the wish here that your love vibration now reverberates and burns strongly throughout the entire collective consciousness!

To receive this final Level 6 attunement, we kindly ask that you follow along with the instructions on the below page to successfully receive your Red-Fire Fox flames of love!

#### 4. INSTRUCTIONS FOR RECEIVING THE ATTUNEMENT FOR LEVEL 6 - ONSON:

The attunement process at Level Six is a little different than the previous levels and as you can see from the below table, the Onson attunement is only required to be taken *once on day 7* as these final Red-Fire Fox energies are ignited from within.

LEVEL	DAYS	SYMBOL	LEVELS / ATTUNEMENTS
Six	Days 1 - 14 (14 days / 2 weeks)	Onson	Days 1 - 6 Rest
			Day 7 - Onson Attunement
			Days 8 - 14 Rest
4 weeks rest before commencing Volume 5 - The Emerald Stone			

The process for receiving this final attunement is also slightly different and it will be important that you have a read through the following information to ensure that your final attunement can be received successfully. Most notably, you will see here that the invocation is slightly different and there are some suggested affirmations which may be of some use for you during this attunement.

##### ■ 1. Preparation:

Sit or lie down, whichever is more comfortable for you, ensuring that you will not be disturbed for at least 10 minutes. Perhaps you wish to play some [healing or relaxing music](#), light some candles or burn some incense to create a nice ambience.

##### ■ 2. Invoke the attunement:

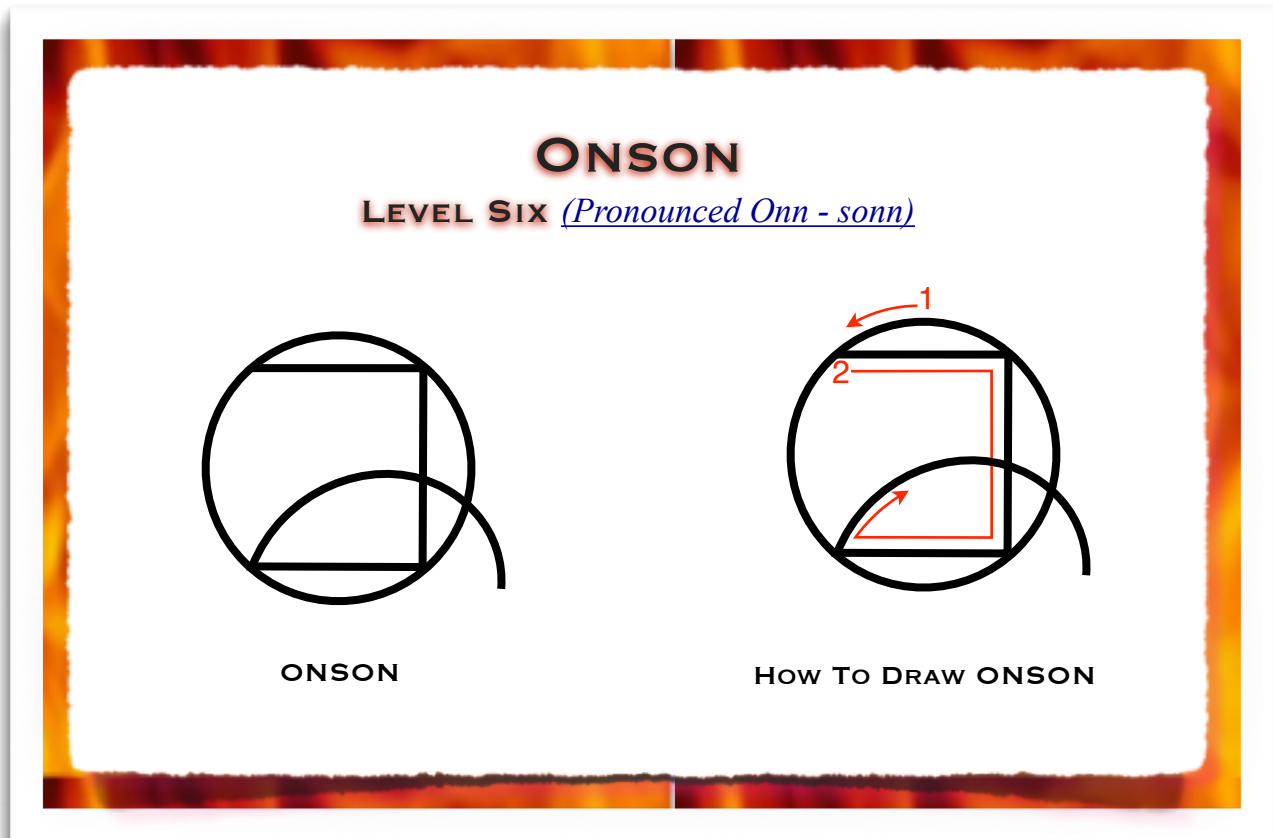

Invoke the attunement by placing your hands together, fingertips touching in prayer position and say the following:

**"With love I ask to invoke the completion of the Elemental Fire energies - the Red-Fire Fox frequency - via the Onson symbol. I surrender to the Fire Elemental with love and ask for this attunement to fully infuse these Fire energies within me for the greatest good of all. Thankyou, Thankyou, Thankyou."**

■ 3. Complete the symbol practice:

Place the symbol Onson into the Crown Chakra for 3 - 5 minutes. The symbol is drawn below.

As the Guides explained, it is important to 'surrender' during this final attunement to allow the energies to 'infuse' throughout your entire body as best they can. As you open up to this attunement, you may also feel the subtle warmth of the Fire energies being received into your Crown Chakra and spreading throughout your entire body.

For Marty & Gerry, they found it helpful to use the following affirmations during their symbol practice and it is with much love that we now share these with you here:

"I surrender with love to the Fire Elemental ..."  
"Red-Fire Fox, Red-Fire Fox, Red-Fire Fox ..."

During the attunement process, Gerry saw a series of red flames moving quickly (looking like a running fox) as they jumped into her Heart Chakra. She was told that this was the symbolism of receiving this Red-Fire Fox completion frequency and at this point, she then experienced an overwhelming sense of peace and an underlying strength or power from the fire energies. These peaceful yet powerful Red-Fire-Fox flames then gently engulfed her entire body and stayed burning for quite some time after the attunement was received.

The Guides explained to her that these flames would continue to complete a very beautiful 'refining' process (i.e. a purification process but at a very fine level). This purification would continue for 3-4 weeks and therefore it is best to wait a month before commencing Volume 5 - The Emerald Stone whilst this purification process is still being undertaken.

#### ■ 4. Closing the attunement:

As always, it is good practice to close our attunement with love and gratitude. Perhaps you wish to say something like:

**"With love and gratitude I offer my sincerest thanks for receiving these Elemental Fire energies. May my love ignition grow and manifest for the infinite benefit of all! Thankyou, Thankyou, Thankyou."**

***Congratulations!***  
***You have now completed the Red-Fire Fox!***

#### **\* 4 weeks rest before commencing Vol 5 - The Emerald Stone**

*(Please lovingly remember that this resting timeframe is indeed required - and is very important for the digestion & assimilation of the energies before commencing The Emerald Stone. For more information on the importance of the Ascension Pathway resting timeframes please [see this FAQ.](#))*

### THE ADVANCED SYON CLEANSE:

As you completed your New Blue Moon attunements, you were offered the chance of opening two very special Treasure Chests. Within one of these was The Advanced Syon Cleanse and we truly hope that you have already opened this beautiful series of cleansing energies prior to commencing the Red-Fire Fox.

So here, at the completion of the Red-Fire Fox energies, upgrades and ascension attunements, we would now like to take this opportunity to invite you once again to open up to these beautiful and highly effective cleansing energies. As the Guides explain:

“As you progress further on your deep healing pathway your energies will be changing frequently; releasing toxins and old unwanted energies often. It is therefore well recommended to take The Advanced Syon Cleanse periodically as you continue on your healing journey.”

“Do not underestimate the benefit of The Advanced Syon Cleanse as you progress higher and higher on your healing pathway. For you are now reaching levels of great healing and purification and therefore to enable an increased rate of acceleration, cleansing is required.”

As you continue to move through these Pathway To Light volumes, the Guides have suggested that you *periodically* take [The Advanced Syon Cleanse](#) to help you to clear away, cleanse & release old and unwanted energies from within. This becomes especially important as you continue into the higher volumes of the Pathway To Light. The entire cleanse takes around 25 minutes to receive (each time) and these energies will become a very helpful part of your accelerated healing pathway towards more love & light.

Please know however that above all, this is an optional step on this pathway. We would like to point out here that the Guides have recommended these energies be received at this point and as such, we would now like to pass this information onto you with much love but as always, please do as you feel guided to.

Should you wish to receive these cleansing energies, may we again suggest that you use your coming resting period (4 weeks) to now access these Advanced Syon Cleanse energies. If you do not wish to receive these energies, then this is also ok. We humbly invite you to move forwards into the next volume of energies after your 4 week rest period into the beautiful Emerald Stone attunements!
