A NOTE ON ADHERING TO COURSE TIMEFRAMES & PREREQUISITES:

Higher Consciousness has requested that this note be added here to emphasise the importance of the following:

► **Ensuring you have met the required prerequisites before commencing this ebook**

FAQ: Is it important to complete the prerequisites for each Ascension Pathway ebook?

► **Ensuring you follow the prescribed timeframes in this ebook**

FAQ: Do I need to follow the prescribed timeframes given in each Ascension Pathway ebook?

► **Ensuring you follow the prescribed resting timeframes in this ebook**

FAQ: Is it important to complete the resting days in between the Ascension Pathway practices?

All of the prerequisites, practices and timeframes in this ebook have been divinely created, designed & brought through by Higher Consciousness so that we are able to get the maximum benefit from the energies in order to ascend. We lovingly ask that you please read the above FAQs and refrain from 'speeding through' timeframes, practices or ebooks in less time than has been divinely prescribed. Over the years, Higher Consciousness has shared a number of messages on this topic and with much love, we now wish to share some of these here:

"Each individual on these pathways will find some layers of healing and purification easier than others; this is due to your own karmic circumstances and is not a justified cause to skip timeframes or 'accelerate' yourself due to egoic justifications. Please Dear Ones we say it with love - be kind to yourself and follow the pathways as indicated, as best you can. There is no 'pass' or 'fail' on this journey, but there are circumstances that lead to a more complete journey. Please follow our guidance in the energies and know that you are being watched with great love and abundance."

"Accessing advanced level energies before you are ripe to receive them can cause backward-sliding effects for not only oneself, but for the Love Inspiration Community & collective consciousness as a whole. Your premature acceleration is not recommended, with love, under any circumstances. Please take heed."

"Those who are knowingly not following the Ascension Pathway correctly, not using the specified timeframes or jumping ahead to reach advanced levels or practices, we ask you lovingly to refrain. This is not a request for ourselves, but rather a plea to aid your very own ascension. Let us assure you that misusing the energies in this way will not bring you any advancement and in fact, over time, misuse of the energies will corrode your energetic merit & therefore your ability to stay on the pathway."

Lastly, please know that if you want to speed up your pathway/ascension, then Higher Consciousness has lovingly brought through several *legitimate* optional ways to do this and further information can be found on the [Accelerate Your Ascension Pathway webpage](https://www.loveinspiration.org.nz/accelerate-your-ascension-pathway).

(For more information about the activation codes or the activation process - please visit our [Activation Codes FAQ's](#)).

■ 1) Preparation:

AN INTRODUCTION TO PATHWAY TO LIGHT - THE BLUE CANAL:

It is with much love & light that we welcome you to The Blue Canal. Here you will be guided towards opening up and receiving the blessed Elemental Water Attunements as you receive yet another significant upgrade in your energy system.

The Blue Canal energies will also be helping you to heal & purify at an even faster rate than before as you open up to receiving these attunements. And as you can see from the below information, the Elemental Water attunements are indeed a most wondrous and significant step forwards for you on this Ascension Pathway.

The Blue Canal

“Here at this new advanced level of Elemental energies, we aim to bring the Blue Canal energy system into the energy field. This soul purpose of energies acts like a literal ‘water channel’ or ‘canal’ and enables your frequency to purge and clear more energies than before. Opening up the flow of energy between the chakras and around the entire energy body, the Blue Canal functions as an overwhelmingly efficient provider, carrier and extractor of energies. In this way the Blue Canal speeds up the level of purification at each intricate moment in one’s evolution to liberation.

By creating newly advanced energy channels (or canals if you wish), the energy body - and physical body - is able to undergo much more rapid and efficient healing and purification. Think of the analogy of simply turning the water on faster through a hose pipe. The water (energy) flows much faster and is able to cleanse and rehydrate much more quickly. This is the same as your body undergoes when the Blue Canal energy upgrade system is installed.

Currently your energy body of course contains an energy system similar to this, however you may wish to think of The Blue Canal as a new installed upgrade - one you have now earned on your Pathway To Light journey. The increased efficiency helps alleviate much clogged energies and can help to rejuvenate and reinvigorate the entire body, both energetically and physically.

PATHWAY TO LIGHT - THE BLUE CANAL

ELEMENTAL WATER ATTUNEMENTS

During the eight attunements, you will receive simultaneous upgrades in your current energy stem until the point of the eighth attunement where The Blue Canal will be fully installed and activated. Here you will require a rest period of at least two months before undergoing further energy changes, as your body will require time to assimilate and 'get used to' this new energy system.

This resting time period also includes limiting any other attunements or energy work; anything that could overload your system whilst still in the new activation phase.

Stress and great exertion may also be helpful to reduce where possible and the consumption of water both during the attunements and resting phases is also recommended.

Your energy body will be going through a serious and advanced energy upgrade during this Water Elemental phase so we do indeed encourage you to be kind upon yourself.

Know that you are in well renowned and capable hands and that you and your energy system are being well looked after.

We trust that you will enjoy the new found energetic vibration that comes during this water 'course' and we wish you well on your water journey. Remember that we are always here looking over you and guiding you and your energies. Please be patient and you will see the energetic changes unfold. Surely, however slowly, your spiritual body is progressing well.

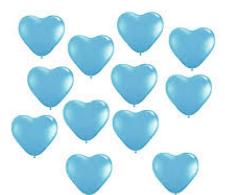

Go with purity and light."
~ Archion

As you can see from this information, these Elemental Water Attunements are indeed offering you a very significant and profound step forwards on this pathway to ascension as you open up and assimilate these Blue Canal energies into your energy system.

And one of the main points that we would like to reinforce here from this information is the idea of being kind, loving and gentle with yourself as you are going through these energetic changes. For example, there may be some days where you just feel like resting, being pampered or perhaps you feel like you just need some time to yourself.

We would just like to say here that this is ok! Please listen to your body in these coming months and please always honour your own inner feelings and treat yourself with loving kindness, patience & compassion wherever possible.

PATHWAY TO LIGHT - THE BLUE CANAL

ELEMENTAL WATER ATTUNEMENTS

In addition to the information above, The Guides have also provided the following summary of The Blue Canal energies so that we can now understand that after these energies have been fully installed and activated within our energy system, they will help us in many, many ways!

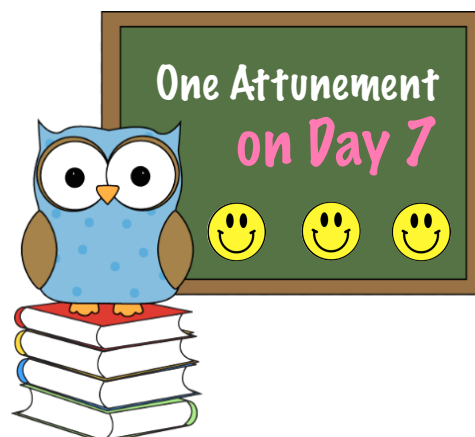

The Blue Canal Energies will:

- * help to more easily clear blockages
- * help to more easily remove toxins
- * escalate healing
- * cleanse the 'old'
- * refresh and revitalise the energy system
- * bring new life (force)
- * help the body to maintain a higher level of purity
- * manifest clearer energy channels
- * open the Heart Chakra to receiving more purity
- * maintain a clear, better state of balance
- * soothe and restore 'torn' energies and channels
- * allow for more rapid purification (healing) to take place (as the energy system can now process more efficiently)

AN OUTLINE OF PATHWAY TO LIGHT - THE BLUE CANAL LEVELS & TIMEFRAMES:

Having now understood the many benefits of these beautiful Elemental Water Attunements, let us now discuss how you can receive these energies over the coming months. And like the previous two volumes of Elemental Attunements, the Blue Canal energies are received very simply over eight different levels.

At each level, you will be asked to receive only one attunement (on day 7) and like the previous ebooks, you will do this by calling on one individual symbol. To help summarise these levels, timeframes and attunements - we kindly ask that you review our summary table on the following page.

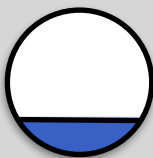

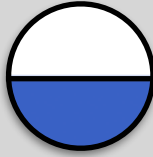

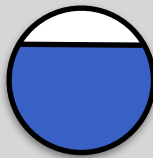

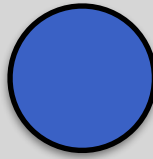

PATHWAY TO LIGHT - THE BLUE CANAL

ELEMENTAL WATER ATTUNEMENTS

1. INTRODUCING THE EIGHT LEVELS OF THE BLUE CANAL:

It is with great pleasure and with our deepest love that we warmly welcome you again to this vast & deeply purifying upgrade of The Blue Canal. And as we've already mentioned, each of the eight levels requires that you receive one attunement as you call on the relevant symbol for each level.

As you continue to receive these levels, we would like to remind you here that Parts A and B have different timeframes for assimilation and digestion that should be adhered to. During Part A, the attunements cover a time period of three weeks for each level whereas Part B attunements have a time period of only two weeks for each level. And please also remember that there is a two week rest period in between Parts A & B!

In addition to this, we would like to humbly remind you here about the gentle note from the Guides to consume plenty of water during and after each attunement as this will help with the energetic transformations taking place from within your energy field.

And with all this being said, we will now be introducing you to the eight symbols that are required for the eight levels of The Blue Canal. We will be outlining the attunement process after this so that you can become attuned to these beautiful frequencies very easily and with much love!

2. INSTRUCTIONS FOR RECEIVING THE ATTUNEMENTS FOR LEVELS 1-8:

As with all of the Love Inspiration teachings and healing systems, we have done our very best to ensure that the attunement processes described here are as simple and straightforward as possible.

Please be sure to take some time to read through this process carefully to ensure that you are comfortable and familiar with everything prior to receiving your attunements.

NOTE: Before you begin your attunements, please ensure that you have activated (unlocked) The Blue Canal energies & attunements prior to commencing.

The activation / unlocking process is a simple 5 minute process which unlocks the energies and gives you access to them. Once you have unlocked the energies, this means that you have activated ALL the energies & attunements in this whole ebook specifically for you. You are therefore then ready to continue your Blue Canal journey by working through this ebook, at your own pace and receiving the energies as you feel guided.

If you have not yet activated / unlocked The Blue Canal energies & attunements for yourself, you may do this by following the instructions on Page IV of this ebook.

Once you have unlocked the energies and you feel ready to commence your first attunement (Blem), please open up to receiving the energies in line with the process outlined below.

And most importantly, relax, open and enjoy your attunement with love & gratitude and for the benefit of all! We hope you have a series of wonderful attunements!

Please note that all of the Level One to Eight attunements will be taken in exactly the same way as outlined below, just simply replacing the applicable words in the invocation for each different attunement (and using the different applicable symbol in the symbol practice.)

■ 1. Preparation:

Sit or lie down, whichever is more comfortable for you, ensuring that you will not be disturbed for at least 10 minutes. Perhaps you wish to play some [healing or relaxing music](http://www.loveinspiration.org.nz), light some candles or burn some incense to create a nice ambience.

■ **2. Invoke the attunement:**

Invoke the attunement by placing your hands together, fingertips touching in prayer position and say the following:

"With love and grace I ask to invoke the energies of the Level One (Blem) Water Elemental for the infinite benefit of all. May this new energy stream purify and clean my energy system for the purpose of liberation. Thankyou, Thankyou, Thankyou."

■ **3. Complete the symbol practice:**

Place the applicable symbol into the Throat Chakra for 3 - 5 minutes.

As with the previous Elemental attunements, it is very important to *surrender* during each attunement to allow these energies to 'infuse' throughout your body. You may feel the Water energies streaming through your Throat Chakra and spreading throughout your entire body. To help with this process of surrendering, the following affirmation might be of some assistance to you:

"I surrender with love to the Water Elemental"

As with all attunements, you may feel some energy moving during this time, perhaps you may feel relaxing vibrations or some may feel almost nothing happen. Whatever the case may be for you, please know that you will receive each symbol's energies in accordance with your own highest good. Remember too that with each level's attunement your Water ascension will be increasing, getting ready for the activation of The Blue Canal at Level Eight.

■ **4. Closing the attunement:**

As always, it is good practice to close our attunement with love and gratitude. Perhaps you wish to say something like:

"With love and gratitude I offer my sincerest thanks for receiving these Elemental Water energies. May my Water Ascension benefit the infinite all! Thankyou, Thankyou, Thankyou."

Congratulations!

*After your Eighth Attunement
you have now completed*

The Blue Canal!

*** 8 weeks rest before commencing Vol 7 - The Wind Elemental**

(Please lovingly remember that this 8-week resting timeframe is indeed required - and is very important for the digestion & assimilation of the energies before entering into Volume 7. For more information on the importance of the Ascension Pathway resting timeframes please [see this FAQ.](#))

3. YOU HAVE NOW OPENED ONE TREASURE CHEST - ENJOY!

As you will already know, as part of these Ascension Pathways, Love Inspiration is delighted to offer you a series of very special 'Treasure Chests' to help you tap into more abundance & love!

Each Treasure Chest contains a highly unique and divinely enriching set of Higher Consciousness energies which can help to make your Ascension Pathway easier and more enjoyable at each step of your journey.

By completing The Blue Canal, you have now opened another very special and highly effective Treasure Chest. Here, with much love, we would like to offer you The Triple Advanced Syon Cleanse which will be helping you to more easily progress into the higher and more sophisticated upgrades happening through Volumes 7 & 8.

Please note that if you have already been taking The Advanced Syon Cleanse and you have not been feeling much different, the Guides have explained that because the filtration is occurring at such a subtle level, there may indeed be no visible or 'feel-able' effects of the cleanse. However they wish to reassure you that these advanced cleanses are indeed benefitting you greatly on your ascension journey. The Elemental Attunements 'stir up' A LOT of healing from within and this is especially true as you continue to advance into the higher elemental energies. Therefore, this new Triple Advanced Syon Cleanse is a very important tool for helping you on your onward journey into the light.

There is no minimum timeframe for receiving your Triple Advanced Syon Cleanse however we do recommend here that you receive these wonderful cleansing energies during the two month resting period (prior to commencing Volume 7 - The Wind Elemental).

As you continue forwards, there will be many more exciting Treasure Chests being shared with you but for now, we hope that you will enjoy this beautiful and divinely important Triple Advanced Syon Cleanse for the absolute and infinite benefit of all!
