PATHWAY TO LIGHT - THE WIND ELEMENTAL

ELEMENTAL WIND (AIR) ATTUNEMENTS

AN INTRODUCTION TO PATHWAY TO LIGHT - THE WIND ELEMENTAL:

It is with much love & light that we warmly welcome you to The Wind (Air) Elemental where you will be guided towards yet another significant upgrade in your energy system. And to help us introduce these very fortifying and strengthening wind energies, let us now hear from the Guides as they introduce The Wind Elemental.

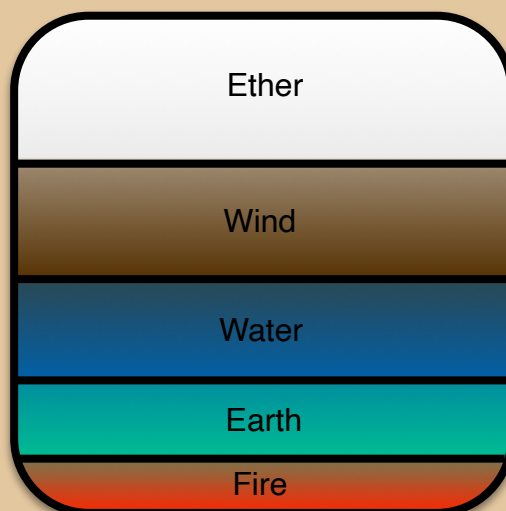

The Wind Elemental

"Greetings and welcome to the Wind Elemental. Throughout the Elemental journey so far, you have now completed the Fire attunements, Earth attunements and Water attunements. This has been in great preparation for the next level of Wind attunements.

As you have progressed, the Elemental energies have slowly and very strongly been gradually increased within your energy system. Each element has been a substantial increase in vibration from the previous and here at the Wind element the energies are four-fold more intensive than Water. This is not to say that the Wind element is more powerful than the others, but simply that as you progress, your core Elemental energies are being compoundedly increased. *(See diagram below).* This is of great benefit to building and strengthening your fundamental energetic system."

Elemental Energies Being Compounded & Increased

Increase In Core
Elemental
Energies

“The Wind Elemental, or Air as some may call it, brings to the table a great force or strength of energy. It opens the doorway to transitional changes within your frequency allowing deep and stirring progress to be made. Here we have chosen to call this Elemental ‘Wind’ instead of ‘Air’, due to the nature of Wind being the ‘movement’ of Air, rather than just the air itself. This is critical in the energetic upgrade you receive as the Wind energies install the foundational ability to clear damage caused from the past (traumas, sufferings etc). It also strengthens your innermost connection with the Air element itself, as the previous Elemental volumes have done.

The movement of energy is particularly important in your healing journey, allowing great transformations to take place. Without movement, energy becomes stagnant, like air in a closed room. The Wind element brings the ‘flow’ of movement into the energy system and helps to keep it clear along with rejuvenating and refreshing at the same time. The ‘force’ or pressure of the Wind energy is also important. The stronger or more powerful the Wind, the more movement there is and this is also crucial in the building blocks of symbol practice you will be undergoing.

During Part A - Foundation, the attunements work to install and increase the Wind element itself, growing the foundation of the Wind Elemental within your energy system. This takes some time and with each level, the growth is enhanced dramatically. By Level Four the energies are fully installed and expanded to allow a solid foundation for Part B - Acceleration.

During Part B - Acceleration, the energies are quite simply accelerated, increasing their efficiency. This second part takes considerably less time than Part A, however is equally as important. Again, the acceleration increases level by level reaching an optimal efficiency by Level Four. At this stage you have reached full momentum and your Elemental energy system is now functioning at around 60-70%.

The final 30-40% will come in the final Elemental stage of Ether. Here we look forward to your completion of the Elementals and to the enhanced functioning of your entire energy system.”

PATHWAY TO LIGHT - THE WIND ELEMENTAL

ELEMENTAL WIND (AIR) ATTUNEMENTS

“All in all, the Elementals are installing one huge ‘upgrade’ in your energies, one step (element) at a time. At the end of the final element, your energy upgrade will be complete and your system will be 150 - 200% increased in size, capacity and efficiency from where it was previously.

Although you may not feel the slight changes taking place at each step, when you look back at where you have come from there have indeed been great leaps forward. Your ability to process and heal energies is far more multi-dimensional than ever before and this is critical for the large energetic changes coming in the future.

For now, open yourselves up to reaching new heightened levels of evolution, new layers of advancement and new profound expansions of love. The world you are creating and co-creating is relying on your tremendous advancement. Use the Wind Elemental energies to benefit all.

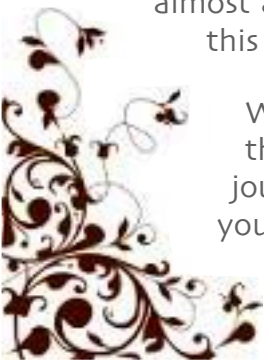

With accelerated blessings.”

~ Oxxion

After reading through this information, we can now see very clearly that these Elemental Attunements have been providing a number of significant upgrades to your overall energy system. These upgrades are indeed very necessary for us to ‘ascend’ into the Great New Consciousness and are also helping your energy system to function with far more efficiency and at a far higher energetic frequency than ever before!

Having now completed this series of energies themselves and having now opened up to the sequel to these Elemental energies, Marty and Gerry understand now just how important this series of upgrades has been for their journey forwards towards Ascension. Having now received the Universal Love Attunements, the Universal Peace Attunements, the Universal Truth Attunements and almost all of these Elemental Attunements, you are well on your way to standing tall in this new vibration of love, unity and the Great New Consciousness!

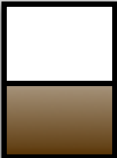

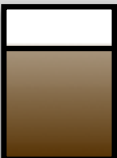

What has now been a number of years with Love Inspiration, we again wish to take this opportunity to thank you from the depths of our hearts for walking on this journey. We are truly grateful for all the work that you have done and we can assure you that we will continue to offer more and more levels of ascension attunements as Marty and Gerry themselves evolve towards higher & more harmonious states of purity. ***May all beings be guided towards full enlightenment, joy & peace!***

1. INTRODUCING THE EIGHT LEVELS OF THE WIND ELEMENTAL:

It is with great gust (excuse the pun!) that we welcome you to yet another layer of your Elemental healing journey and we trust that you will enjoy the energetic upgrades that come with these truly remarkable Elemental Wind Attunements!

The Eight levels in The Wind Elemental are divided up into two parts (as you already saw in our summary table) with Part A being the Foundation phase. This takes around 20 weeks to complete using only one symbol - Brichtor. Part B is the Acceleration phase and this takes only 4 weeks whilst using the symbol Emmanthor.

Both of these wonderful symbols will help to bring these Wind Elemental energies into your energy system so that they can be assimilated and digested into your consciousness over the prescribed timeframes. So without further adieu, let us now introduce the two symbols Brichtor and Emmanthor.

2. INSTRUCTIONS FOR RECEIVING THE ATTUNEMENTS FOR LEVELS 1 - 8:

As with all of the Love Inspiration teachings and healing systems, we have done our very best to ensure that the attunement processes described here are as simple and straightforward as possible.

Please be sure to take some time to read through this process carefully to ensure that you are comfortable and familiar with everything prior to receiving your attunements.

NOTE: Before you begin your attunements, please ensure that you have activated (unlocked) The Wind Elemental energies & attunements prior to commencing.

The activation / unlocking process is a simple 5 minute process which unlocks the energies and gives you access to them. Once you have unlocked the energies, this means that you have activated ALL the energies & attunements in this whole ebook specifically for you.

You are therefore then ready to continue your Wind Elemental journey by working through this ebook, at your own pace and receiving the energies as you feel guided. If you have not yet activated / unlocked The Wind Elemental energies & attunements for yourself, you may do this by following the instructions on Page IV of this ebook.

Once you have unlocked the energies and you feel ready to commence your first Brichtor attunement, please open up to receiving the energies in line with the process outlined below. And most importantly, relax, open and enjoy your attunements with love & gratitude and for the benefit of all - we hope you have a series of wonderful attunements!

Please note that all of the Level One to eight attunements will be taken in exactly the same way as outlined below, just simply replacing the applicable words in the invocation for each different attunement (and using the different applicable symbol in the symbol practice.)

■ 1. Preparation:

Sit or lie down, whichever is more comfortable for you, ensuring that you will not be disturbed for at least 15 minutes. Perhaps you wish to play some [healing or relaxing music](#), light some candles or burn some incense to create a nice ambience.

PATHWAY TO LIGHT - THE WIND ELEMENTAL

ELEMENTAL WIND (AIR) ATTUNEMENTS

■ 2. Invoke the attunement:

Invoke the attunement by placing your hands together, fingertips touching in prayer position and say the following:

"With love and grace I open to the Wind Elemental and ask to be attuned to it's glorious frequency. May the Wind acceleration generated within my body be used for the infinite benefit of all. May it increase faith, love and peace throughout all eternity. Thankyou, Thankyou, Thankyou."

■ 3. Complete the symbol practice:

Now place the relevant symbol into the spine at the Heart Chakra level for 8 - 12 minutes (this applies for both Brichtor and Emmanthor).

As with the previous Elemental attunements, it is very important to *surrender* during the symbol practice to allow the energies to 'infuse' throughout your body. You may feel the Wind energies streaming through your Heart Chakra and spreading throughout your entire body. To help with this, you may like to say the following affirmation during your symbol practice:

"I surrender with love to the Wind Elemental"

As with all attunements, you may feel some energy moving during this time, perhaps you may feel relaxing vibrations or some may feel almost nothing happen. Whatever the case may be for you, please know that you will receive each symbol's energies in accordance with your own highest good. Remember too that with each level's attunement your Wind Acceleration will be increasing.

■ 4. Closing the attunement:

As always, it is good practice to close our attunement with love and gratitude. Perhaps you wish to say something like:

"With love and gratitude I offer my sincerest thanks for receiving these Elemental Wind energies. May the Wind acceleration benefit the infinite all! Thankyou, Thankyou, Thankyou."

Congratulations!

*After your Level Eight Attunements
you have now completed
The Wind Elemental*

* 2 weeks rest before commencing Volume 8 - The Grey Smoke

3. THE TRIPLE ADVANCED SYON CLEANSE:

After completing the Water Elemental Attunements in Volume 6, we invited you to open another very special Treasure Chest and with this, you were able to access the beautiful and highly effective energies of [The Triple Advanced Syon Cleanse](#). Prior to commencing these Wind Elemental Attunements, we suggested that you call on The Triple Advanced Syon Cleanse as a way of helping you to clear away, release and let go of old and unwanted energies from within.

So here, at the conclusion of The Wind Elemental, we would again like to recommend that you receive [The Triple Advanced Syon Cleanse](#) energies once again. During the Wind Elemental upgrades, there has no doubt been many kinds of internal healing issues being stirred, moved and shifted for you during this time so it is very beneficial to now receive The Triple Advanced Syon Cleanse once again. As the Guides explained in earlier teachings:

“As you progress further on your deep healing pathway your energies will be changing frequently; releasing toxins and old unwanted energies often. It is therefore well recommended to take The Advanced Syon Cleanse periodically as you continue on your healing journey.”

“Do not underestimate the benefit of The Advanced Syon Cleanse as you progress higher and higher on your healing pathway. For you are now reaching levels of great healing and purification and therefore to enable an increased rate of acceleration, cleansing is required.”

As you look forward towards the Ether Elemental Attunements, you will notice that there is only a 2 week resting period here after completing the Wind Elemental Attunements. Therefore, we would humbly and lovingly recommend that you use this 2 week period wisely and receive these beautiful Triple Advanced Syon Cleansing energies with much love!

And as you may recall from the previous ebook, for those of you who are perhaps not able to feel the cleansing energies working their magic, the Guides would like for you to know that the energies are indeed working! They are working on very subtle levels of your energy field and will be helping you to clear away and release many energies that no longer serve you for your journey forwards.

And also, if you haven't done so already, you may like to sign up for an [Ascension Healing Booster](#) to help accelerate your healing journey.

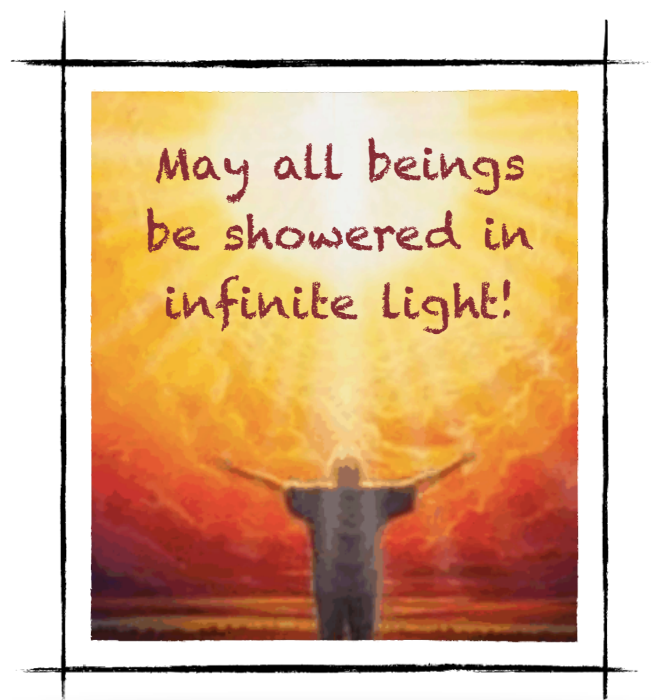

And for those practitioners who have completed the Advanced Usui Reiki Master Teacher - Level 9 ebook, having now completed Pathway To Light - volume 7, you have completed the necessary prerequisites required to step into the final [Rainbow Intuitive Healing System](#) ebook - Financial Aid. The Financial Aid energies offer another amazing tool to add to your healing toolkit and take only 21 days to complete. It would be well worth taking the time to fit this course into your upcoming Ascension Pathway schedule should you wish to!
