A NOTE ON ADHERING TO COURSE TIMEFRAMES & PREREQUISITES:

Higher Consciousness has requested that this note be added here to emphasise the importance of the following:

► Ensuring you have met the required prerequisites before commencing this ebook

FAQ: Is it important to complete the prerequisites for each Ascension Pathway ebook?

► Ensuring you follow the prescribed timeframes in this ebook

FAQ: Do I need to follow the prescribed timeframes given in each Ascension Pathway ebook?

► Ensuring you follow the prescribed resting timeframes in this ebook

FAQ: Is it important to complete the resting days in between the Ascension Pathway practices?

All of the prerequisites, practices and timeframes in this ebook have been divinely created, designed & brought through by Higher Consciousness so that we are able to get the maximum benefit from the energies in order to ascend. We lovingly ask that you please read the above FAQs and refrain from 'speeding through' timeframes, practices or ebooks in less time than has been divinely prescribed. Over the years, Higher Consciousness has shared a number of messages on this topic and with much love, we now wish to share some of these here:

"Each individual on these pathways will find some layers of healing and purification easier than others; this is due to your own karmic circumstances and is not a justified cause to skip timeframes or 'accelerate' yourself due to egoic justifications. Please Dear Ones we say it with love - be kind to yourself and follow the pathways as indicated, as best you can. There is no 'pass' or 'fail' on this journey, but there are circumstances that lead to a more complete journey. Please follow our guidance in the energies and know that you are being watched with great love and abundance."

"Accessing advanced level energies before you are ripe to receive them can cause backward-sliding effects for not only oneself, but for the Love Inspiration Community & collective consciousness as a whole. Your premature acceleration is not recommended, with love, under any circumstances. Please take heed."

"Those who are knowingly not following the Ascension Pathway correctly, not using the specified timeframes or jumping ahead to reach advanced levels or practices, we ask you lovingly to refrain. This is not a request for ourselves, but rather a plea to aid your very own ascension. Let us assure you that misusing the energies in this way will not bring you any advancement and in fact, over time, misuse of the energies will corrode your energetic merit & therefore your ability to stay on the pathway."

Lastly, please know that if you want to speed up your pathway/ascension, then Higher Consciousness has lovingly brought through several *legitimate* optional ways to do this and further information can be found on the [Accelerate Your Ascension Pathway webpage](#).

ACTIVATING (UNLOCKING) THE GREY SMOKE ENERGIES:

Before opening up to these beautiful ascension energies, it is very important that you firstly activate or 'unlock' the energies & attunements in this ebook. Once this is completed, you will then be ready to begin!

The activation is a very simple process, done by yourself, using a specially embedded activation code to 'unlock' the energies in this ebook. The four step process is outlined below and should only take you around five minutes or so to complete.

(For more information about the activation codes or the activation process - please visit our [Activation Codes FAQ's](#)).

■ 1) Preparation:

Please sit or lie down, whichever is more comfortable for you, and ensure that you will not be disturbed for at least 5 minutes or so. Perhaps you wish to play some [healing or relaxing music](#), light some candles or burn some incense to create a nice ambience.

■ 2) Invocation:

Invoke the activation ('unlocking') by placing your hands together, fingertips touching in prayer position and saying the following:

**"With infinite grace, I ask humbly and clearly to activate the
energies & attunements of The Grey Smoke.
With the unique activation code 99148725 may this be so.
May this activation benefit all beings.
Thankyou, thankyou, thankyou."**

■ 3) Receiving:

If you wish to, you can now just sit for a few minutes as the energies are unlocked for you. After this period of time, as you feel ready, you may wish to give thanks. The activation is now complete!

■ 4) Understanding:

Once you have completed your activation, we ask that you now read through - "[Activation Codes and Prescribed Timeframes](#)". This will only take around a minute or so and will help you to receive the maximum benefits from all of these healing energies, attunements and practices. After this, you are now ready to begin opening up and receiving these beautiful ascension energies! May you enjoy these with much love & light and with an intention to benefit all beings.

ELEMENTAL ETHER ATTUNEMENTS

For further insight into just how far you have come by nearing the end of the Pathway To Light journey, please feel free to have another look at the "Growth into the New Love Consciousness" diagram below. Congratulations on your continued ascension into the divine New Love Consciousness!

AN INTRODUCTION TO PATHWAY TO LIGHT - THE GREY SMOKE:

It is with much love & light that we welcome you to this pinnacle point of your Elemental journey and to these beautiful Grey Smoke Attunements! So far, you have been guided through a series of very significant periods of energetic upgrades, uplifts and inner transformation and we would again like to pass on our sincerest congratulations to you on this wonderful achievement!

On behalf of all beings, we bow down to your profound healing work and we thank you from the depths of our heart for all of your determination, dedication and courage on this Ascension Pathway. At this stage of your journey, you will already know that there are a great number of Divine Beings who are watching over you on this pathway; many kinds of benevolent beings who are helping you to heal, purify and expand even further as you move closer into the vibration of the Great New Consciousness.

And like all of the Elemental ebooks so far, we have been blessed to receive a beautiful introductory message from the Guides that helps to explain these energies & attunements and we are now delighted to share these loving, wise words with you here:

The Grey Smoke

“Here at the pinnacle Elemental level, we welcome you with deep gratefulness and devotion. We have watched you progress on this steep gradient and have seen your fortitude, grace and pain. With our most compassionate love we thank you for staying committed and open to this Pathway To Light, for we understand that this journey is not without it's challenges.

Bringing into focus each of the four elements previous, you have undergone great healing and expansive changes. At a cellular level, every part of your being has now manifested great capability and capacity to heal and rejuvenate itself more than ten times faster than before. Your accelerated energetic frequency now brings more energy faster and more frequently into, and out of, your body.

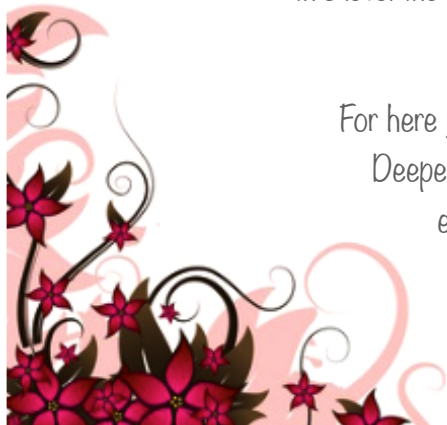

This in itself deserves great congratulations. We again thank you.

And now, as we reach the final Elemental level, Ether, we are again ready to embark on another fine upgrade. At this level the energetic frequencies are so minutely subtle, yet incredibly powerful and are ready to illuminate the great that lies beyond.

For here you are now ready to open to a new understanding of the unified consciousness.

Deeper and more expansive knowledge and wisdom awaits you as the Ether Elemental is expansively installed and then expanded. We choose here not to elaborate too much as we wish you to experience your own unique journey here for yourself.

This is not out of ignorance that we do so, but out of deep compassion and respect for your own unique being.

PATHWAY TO LIGHT - THE GREY SMOKE

ELEMENTAL ETHER ATTUNEMENTS

Similar to the previous Elementals, you will be taking compounding energetic attunements to bring you into the new light that lies at the completion of the Ether Elemental. During each of the three phases you will open to different frequencies of Ether, allowing a slow but steady expanse of these precious energies.

Each of the three enhanced symbols at this level have been diagrammatically and evolutionary advanced to allow the most comprehensive energies to be 'stacked' on top of each other. This information is external to your understanding requirements however it is beneficial to be informed of the great expansiveness of these symbols (even though to your physical eye they are perceived no different).

At the end of your attunement period, there is an additional step or steps to be taken to complete the Elemental phase; the pinnacle ending to your many, many months of Elemental work over the series of five ebooks.

Five days after the completion of the three weeks of Romaldor, you will undergo a final activating sequence to clear "The Grey Smoke"; the haze or filter that you have been experiencing your life through. This is a monumentous and well-earned reward for your immense hard work and is gained purely through The Grey Smoke Renunciation procedure or ceremony. A simple yet profound process.

For now we trust that we have outlined the Ether Elemental satisfactorily for you at this pinnacle time in your evolution. Please know here that you can do no wrong within the attunements and renunciation invokement stages. You are guided by light and everything that happens is for your own highest benefit. Trust as always your inner guidance and free yourself from bondage (that of the ego).

We are walking alongside you on your journey with great love and admiration.
You are brave and strong and we love you deeply.

Go well with many blessings." ~ Archmenior & Hellimorh

AN OUTLINE OF PATHWAY TO LIGHT - THE GREY SMOKE:

With much love we welcome you to this overview section for these Ether Elemental Attunements. On the next page you can see the overview table which includes all of the levels and approximate timeframes for these beautiful Grey Smoke Attunements. Unlike previous volumes, you will notice here that there is a final phase which has been added called 'The Grey Smoke Renunciation' and this is followed by an eight week resting period which the Guides call 'the period of Illumination'.

1. INTRODUCING THE NINE LEVELS OF THE GREY SMOKE:

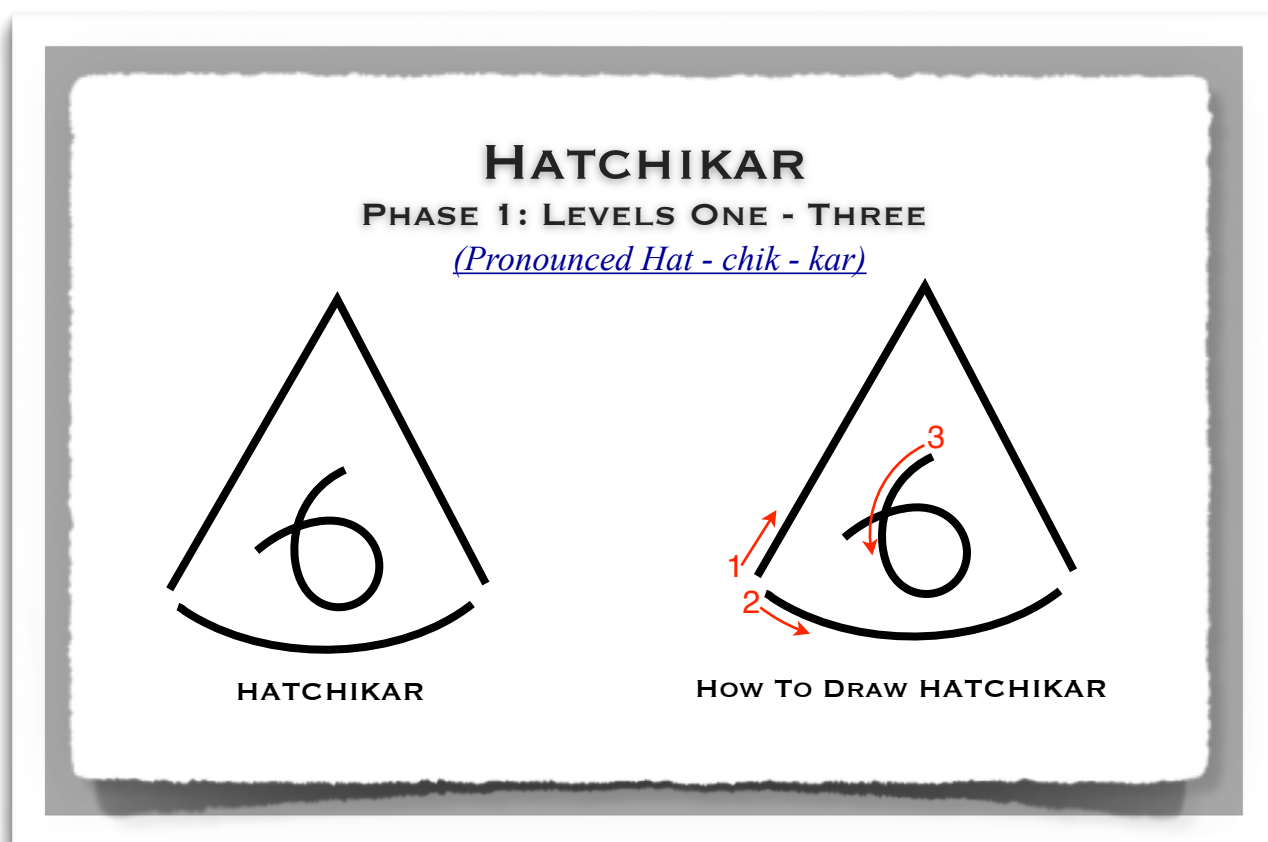

Welcome to the first three phases and nine levels of the Grey Smoke Attunements. It is with great pleasure that we welcome you to this new series of energetic upgrades and we hope that these new energies will help to bring much benefit and love into your life!

As you have seen from the summary table on page VII, each of the three phases of The Grey Smoke have one symbol. For each phase, this symbol will be used for two attunements; one on day 7 and one of day 14. After you have received these attuning energies and have allowed these energies to be assimilated into your energy field, you are then able to progress into the next phase or layer of these energies.

To help make this process as easy as possible, we will now be showing you each of these three symbols here and then outlining the attunement process afterwards.

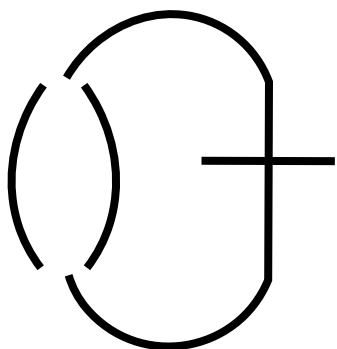

May you enjoy receiving these beautiful and profoundly uplifting energies!

2. INSTRUCTIONS FOR RECEIVING THE ATTUNEMENTS FOR LEVELS 1- 9:

As with all of the Love Inspiration teachings and healing systems, we have done our very best to ensure that the attunement processes described here are as simple and straightforward as possible.

Please be sure to take some time to read through this process carefully to ensure that you are comfortable and familiar with everything prior to receiving your attunements.

NOTE: Before you begin, please ensure that you have activated (unlocked) The Grey Smoke energies & attunements prior to commencing.

The activation / unlocking process is a simple 5 minute process which unlocks the energies and gives you access to them. Once you have unlocked the energies, this means that you have activated ALL the energies & attunements in this whole ebook specifically for you. (i.e Levels 1,2,3,4,5,6,7,8 & 9). You are therefore then ready to continue your Grey Smoke journey by working through this ebook, at your own pace and receiving the energies as you feel guided.

If you have not yet activated / unlocked The Grey Smoke energies & attunements for yourself, you may do this by following the instructions on Page IV of this ebook.

Once you have unlocked the energies and you feel ready to commence your first Level One attunement, please open up to receiving the energies in line with the process outlined below. And most importantly, relax, open and enjoy your attunement with love & gratitude and for the benefit of all. We hope you have a series of wonderful attunements!

Please note that all of the Level One to nine attunements will be taken in exactly the same way as outlined below, just simply replacing the applicable words in the invocation for each different attunement (and using the different applicable symbol in the symbol practice.)

■ 1. Preparation:

Sit or lie down, whichever is more comfortable for you, ensuring that you will not be disturbed for at least 10 minutes. Perhaps you wish to play some [healing or relaxing music](#), light some candles or burn some incense to create a nice ambience.

■ 2. Invoke the attunement:

Invoke the attunement by placing your hands together, fingertips touching in prayer position and say the following:

**"With divine blessings, I pray to be opened and attuned to the great unknown, the frequency of emptiness. With immense patience, I am ready and willing to grow and manifest for the benefit of the unified all. I shall, I will, I am.
Thankyou, Thankyou, Thankyou."**

PATHWAY TO LIGHT - THE GREY SMOKE

ELEMENTAL ETHER ATTUNEMENTS

3. Complete the symbol practice:

Please see the below table for the applicable symbol and symbol practice instructions:

Phase	Levels	Symbol Name	Symbol	Instructions
One	1 - 3	Hatchikar		Place into the Heart Chakra for 7 - 8 minutes
Two	4 - 6	Mommiok		Place into the Crown Chakra for 7 - 8 minutes
Three	7 - 9	Romaldor		Place into the Base (Root) Chakra for 4 - 5 minutes

As you will remember from previous Elemental attunements, it is important here to *surrender* during the symbol practices to allow the energies to 'infuse' throughout your body. You may feel the Ether energies radiating through your chakras and spreading throughout your entire body and to help with this, you may like to use the following affirmation given by the Guides during your symbol practice:

"I open and surrender with love to the Great Unknown"

As with all attunements, you may feel some energy moving during this time, perhaps you may feel relaxing vibrations or some may feel almost nothing happen. Whatever the case may be for you, please know that you will receive each symbol's energies in accordance with your own highest good.

The Grey Smoke Attunements are of a wonderfully high vibration and these new energies will likely be felt 'cumulatively' during this next 5 - 6 months. And as you open up to these beautiful Grey Smoke energies & attunements, you will also be able to fully merge and absorb the entire suite of Elemental energies with much love, peace & harmony - for the benefit of all!

These energies are also very effective in helping to see through the *illusory reality*. At this stage of your journey, we suggest that you try to be mindful & conscious of the inner divinity that surrounds you in every moment. For example, take a look at this kirlian photo here of an apple and see it's truly divine magnificence shining brightly!

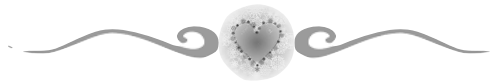

■ **4. Closing the attunement:**

As always, it is good practice to close our attunement with love and gratitude. Perhaps you wish to say something like:

“With love and gratitude I offer my sincerest thanks for receiving these Elemental Ether energies. May I surrender and renounce The Grey Smoke for the benefit of the infinite all! Thankyou, Thankyou, Thankyou.”

Once you have completed all nine levels of attunements and followed along with the necessary assimilation and digestion timeframes, you are now ready to complete The Grey Smoke Renunciation in line with the instructions below.

3. INSTRUCTIONS FOR THE GREY SMOKE RENUNCIATION:

After completing the Romaldor level, The Grey Smoke Renunciation starts with a period of four days rest. On the fifth day, we invite you to invoke The Grey Smoke Renunciation attunement by saying the following:

“With all accumulated merit and guidance, I ask fore-with, with deep compassion, to illuminate the energies of The Grey Smoke. May I see them for what they are and may I then transcend them into a new light for the benefit of all.

In deep co-operation with my higher self & with the guidance of all the Great beings who have led me to this place, may I surrender and renounce all that is not real. May I open to the great unknown and the wisdom of emptiness. Help me to be not afraid, but to trust in my own path and in the guidance of those gone before me. May I relinquish all impurities that are blocking my way & may I renounce all that is not one.

I ask this with great devotion and sacrifice and surrender for the evolutionary evolvment of the Collective. May we all unite as one in a Pure Existence. Thankyou, Thankyou, Thankyou.”

PATHWAY TO LIGHT - THE GREY SMOKE

ELEMENTAL ETHER ATTUNEMENTS

After saying this invocation, you may now wish to sit for around 10 - 15 minutes (or more) to allow yourself to be fully absorbed in the energies that will be received. It was during this time that Gerry felt some remarkable energies moving and it is for this reason that we are suggesting that you simply take this time to sit with the energies after your invocation.

Following the completion of this attunement, the Guides explained the following:

"Please allow three days after the invocation for the energies to transform. During this time, simply surrender, relax and enjoy the journey. You have earned it!"

The Guides also brought through some additional information here to help explain the final stages of these Ether Elemental Attunements and we now share this with you with much love & light:

"At the end of the three days, an activation will spontaneously occur when your energies are ready. By the end of the fourth day (day 9), you will have completed the Ether Elemental and will commence a two month period of 'Illumination' - the final stage of renunciation. Here you are not required to do anything but listen to your own heart and do what is right for you. Trust yourself as we trust you. All is divinely being unfolded."

*Congratulations! You have now
completed The Grey Smoke! AND
Step 1 of the Ascension Pathway!*

*We now invite you to move forwards into your eight week
period of 'illumination' for the benefit of all!*

(Please lovingly remember that this 8-week resting timeframe is indeed required - and is very important for the digestion & assimilation of the energies before moving into Blue Light. For more information on the importance of the Ascension Pathway resting timeframes please [see this FAQ.](#))

4. ADDITIONAL INSIGHTS:

As Marty & Gerry opened up to these energies, it became clearer that 'The Grey Smoke' is a way of expressing the haze or 'blur' that we see our own reality through.

This haze or blur can also be described as our own 'illusions' of a divine reality; something that we see through the 'egoic consciousness'. It is this same illusion that keeps us bound, preventing the illumination of divinity and one-ness to be seen in the different 'things' that surround us.

The stages of releasing, surrendering and renouncing The Grey Smoke are deeply steeped in our own karmic circumstances, meaning that every person will go through their own unique process to reach their own divine realisations.

For this reason, Marty and Gerry recommend an internal referencing system whereby you look at your own individual pathway (i.e. where you have been and where you are going), rather than comparing yourself with others (external referencing). It is also very important here that you trust your own inner guidance and please do not get bogged down in everyone else's perceived achievements or acceleration!

We are all uniquely unfolding in line with divine guidance exactly as we should be and as such, there is never a need for worry or doubt on this journey towards light! Please always be grateful, kind and loving to yourself as you give yourself the acknowledgement you deserve for making it so far on this Ascension Journey. As the Guides explained:

**“Try not to look forward in despair, but rather with excitement
and trust. All is unfolding as it should.”**

5. REGULAR ADVANCED SYON CLEANSING:

As we mentioned at the completion of each of the previous Elemental ebooks, the Guides have continually recommended that The Advanced Syon Cleansing energies be called on regularly at the completion of each ebook. Therefore it is with much love & light that we again recommend connecting with one or both of [The Advanced Syon Cleanse](#) and [The Triple Advanced Syon Cleanse](#) to help you with your ascension journey forwards.

6. YOU HAVE NOW OPENED TWO TREASURE CHESTS - ENJOY!

As you continue to ascend into higher energies, Love Inspiration is always delighted to offer a number of very special energies and divine healing tools that can help you to tap into abundance and to help make your ascension journey a little easier. So here, at the end of The Grey Smoke, we are truly delighted that we can now share these two wonderful Treasure Chests with you!

At this point of your journey, having now received all of the Elemental energies, you are now divinely ready to receive two deeply loving healing tools which we will now introduce to you.

1. **Golden Gaige Synchronicity:**

The first of these is a very special Master Symbol called 'Golden Gaige Synchronicity'. These highly evolved energies were brought through to Love Inspiration in order to help us more deeply connect with the Elemental energies so it is very appropriate here that these energies are now offered to you here as you complete this final volume of the Elemental Attunements.

The Golden Gaige Synchronicity energies can be received very easily and will take you around 7 weeks in total to complete (with 4 weeks being a [rest and digest period](#)). These beautiful new healing energies can be used in a self healing capacity and can also be used when doing healing work for others and as such, we truly hope that you will enjoy sharing these beautiful energies with others (as well as opening up to these energies yourself) for the absolute and infinite benefit of all!

Congratulations!

By reaching this point, you have now unlocked this beautiful treasure chest which contains the energies of:

~ Golden Gaige Synchronicity ~

*To access these energies, simply
[download your ebook here](#) and begin!*

2. Maitrijusha Gold Eternity:

After completing the Golden Gaige Synchronicity ebook, you will now be ready to receive the second very precious gift to you - Maitrijusha Gold Eternity. This is a very potent & powerful divine healing tool that can help you to heal the root cause of many kinds of healing issues.

It is most certainly true that during these last few years you have been guided towards healing deeper and deeper layers and as a result of this, the Maitrijusha Gold Eternity energies will now be helping you to heal these deeper issues with more ease, love and effectiveness. It is our great pleasure and honour to present you with these new energies here at this pinnacle point of your Ascension Pathway!

Before receiving the Maitrijusha Gold Eternity energies, the Guides have recommended that you firstly complete your Illumination Period and then wait for an additional 17 days (minimum). As we understand it, this waiting timeframe is helping the Elemental energies to be fully digested and assimilated into your consciousness and this is an important first step prior to receiving these 'new' Maitrijusha energies.

The Maitrijusha Gold Eternity teachings can be received very simply and easily and as part of this Treasure Chest, you will notice that you are also being invited towards embarking on a period of deep self healing. Here, we invite you to complete a simple 5 minute self healing practice for a period of 2 - 3 months. As you complete these practices, you will have healed many of the root causes that may have been surfacing on your Ascension Pathway and this has been in preparation for the Ascended Pathway that lies ahead.

In the next section then, we will be talking a little more about how these self healing practices will very naturally flow into your Ascended Pathway but for now, we truly hope that you will enjoy this very precious and divine healing tool, both for yourself and for your healing work for others!

Congratulations!

By reaching this point, you have now unlocked this beautiful treasure chest which contains the energies of:

7. THE NEXT STEPS:

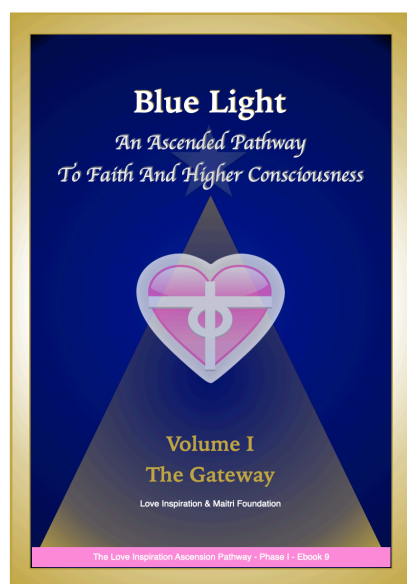

Looking forwards then and it is with great joy & happiness that we invite you into the Ascended Pathway! It is truly a great honour to share this entirely new set of ascended energies with you here in what is a higher dimensional frequency and an entirely new series of ascended attunements & practices being shared and offered with love. Exciting!

To start with, you will firstly need to complete your 8 week 'Illumination Period' so that you can digest and assimilate the Grey Smoke energies. If you would like to, you may also use this 2 month period to open up to and start receiving the first of your Treasure Chests - Golden Gaige Synchronicity.

As you complete Golden Gaige Synchronicity and as your 8 week period of illumination has been completed, we now invite you to wait for an additional 17 days (minimum) and then start receiving the Maitrijusha Gold Eternity energies as you feel guided to.

After receiving your attunements for Maitrijusha Gold Eternity, you will be invited to do a simple set of self healing practices for around 2 - 3 months which is then a wonderful time to move into your Ascended Pathway with much love & light!

The first series in the Ascended Pathway is a set of energies and ebooks known as ***'Blue Light - An Ascended Pathway To Faith & Higher Consciousness'***. These new ebooks and energies were brought through from January 2016 and will now be helping to raise your energetic vibration very significantly into the vibration of The New Consciousness!

As we understand it, the 'Ascended' pathway offers you the chance of ascending at a more accelerated speed in what is a steepening in gradient. In other words, the vibrational uplift being experienced here in the Ascended Pathway seems to steepen quite dramatically as you enter into 'The Gateway' of The Great New Consciousness!

Having been equipped with the entire suite of Elemental Attunements and upgrades, you are now ready to move into this entirely new pathway for the infinite benefit of all!

Volume I - The Gateway can be commenced immediately after your Illumination Period has been completed however as you will see here in this ebook, the first 3 months is a waiting period that the Guides have called "The Progressionary Phase".

Therefore, as we explained above, after your Illumination Period has been completed, you will need to have another 3 month 'resting period' and this time can be used to complete your Maitrijusha Gold Eternity self healing practices. As you finish these, it will be the perfect time to then move into the next phase of the Blue Light teachings.

Having now read through and understood these important next steps, we hope that you are feeling ready, prepared and excited for moving into the beautiful Blue Light energies and of course, the beautiful energetic vibration of The Great New Consciousness awaits!

8. INTRODUCING A.E.I. RETREATS:

Introducing A.E.I. Retreats Fast-Tracking Your Ascension Pathway

With much love, we welcome you here to the exciting new concept of Accelerated Energetic Integration Retreats (A.E.I. Retreats). The A.E.I. Retreat process was first brought through to Love Inspiration in April 2018 after Marty and Gerry reached The Grand New Maitri Consciousness (in Step 8 of the Ascension Pathway) and in simple terms, these optional retreats help to accelerate your Ascension Pathway by swapping selected ebooks for time in a Maitri Centre.

By completing an A.E.I. Retreat, you will be guided towards receiving a *very* significant amount of energies in a very short period of time. For example, an ebook which might ordinarily take 567 days to complete can be done in only 57 days through the A.E.I. Retreat format. Wonderful!

There are no formal practices required for A.E.I. Retreats however all A.E.I. Retreats *must* be completed within a Maitri Centre environment.

The A.E.I. Retreat option becomes available to you as you step into the Ascended Pathway series (at Blue Light Volume 3) and because these retreats require much planning in advance, you are being introduced to this new concept here so that you can start looking forward to any A.E.I. Retreats you may wish to complete.

With all this in mind, we would now like to formally invite you to visit the [A.E.I. Retreat webpage](#) where you will find more information about how to complete an A.E.I. Retreat and also download the A.E.I. Retreat Handbook.

We hope that these beautiful new A.E.I. Retreat offerings will help you to accelerate your Ascension Pathway and guide you towards infinite states of love, happiness and joy in your life. We also hope that should you choose to complete an A.E.I. Retreat, that you will enjoy planning for this as you set out your ideas and plans for visiting a Maitri Centre in the future.

To check out all future ebook acceleration opportunities, feel free to visit the [Accelerate Your Pathway](#) webpage where you can learn about [Ascension Healing Boosters](#), [A.E.I. Retreats](#) and [Golden Ticket Retreats](#).
