DIVINE CLEANSES THE ANALGAM CLEANSE

INTRODUCTION:

With love we welcome you to The Analgam Cleanse ([pronounced An-nell-gam](#)). These energies were intuitively brought to the earth plane through in May 2013. Whilst traveling in Nepal, the cleanse was clairvoyantly 'downloaded' by Gerry from a group of wonderful beings called the Pyronytes.

The cleanse is suitable for everyone however as divine guidance so beautifully works; if you find yourself drawn to it, then it is most likely something that you will benefit from. The cleanse is a good "base" health "tonic" for general use, but is also useful for all forms of cleanse and repair e.g.

- viruses
- immune boost
- health upgrade
- synergy
- prolonged illness
- pains
- flatulence, ulcers & other digestive illnesses

Please note that although the symptoms listed above are physical, the cleanse works at an emotional and spiritual level in order to then help with the physical symptoms. Physical symptoms in our body manifest where there is an energy blockage (directly relating to a lack of love in that space) – i.e. if an energy blockage is left long enough, (if any part of our body is starved of love for long enough) it can manifest into an illness.

Therefore instead of taking an allopathic approach to 'fix' the physical symptom (and not treat the root cause), The Analgam Cleanse works with the subtle energies in the body to remove old, unneeded thought patterns and emotions which are blocking the flow of love, therefore helping to reduce the physical condition.

Please note however, than many physical ailments are the result of many, many layers of thought patterns and energy blockages, therefore:

- 💖 The cleanse may need to be repeated and used in conjunction with other energy practices and
- 💖 The cleanse may stir up (release) many emotions resulting in a [healing crisis](#).

THE ANALGAM CLEANSE

DIVINE CLEANSE

1. THE ANALGAM CLEANSE OUTLINE:

The full cleanse takes 17 – 19 days and consists of an attunement followed by four separate parts:

Part	Name	Timeframe
	Attunement	+/- 10 minutes
One	Byanzipar	7 - 8 days
Two	Didonimo	6 days
Three	Pyronoth	3 - 4 days
Four	Schelotaph	1 day

Each of the four parts of the cleanse has one symbol which is to be energetically placed in the body over the timeframes given.

Each part is followed on from the previous part the day after. i.e.:

- ▶ after 8 days of Byanzipar, begin Didonimo on Day 9
- ▶ after 6 days of Didonimo, begin Pyronoth on Day 7 etc.

2. INSTRUCTIONS FOR RECEIVING THE ANALGAM CLEANSE ATTUNEMENT:

Let us now cover the processes to follow for completing the cleanse. This process should take around 10 - 15 minutes.

NOTE: Before you begin your cleanse, please ensure that you have activated (unlocked) The Analgam Cleanse energies prior to commencing.

The activation / unlocking process is a simple 5 minute process which unlocks the energies and gives you access to them. Once you have unlocked the energies, this means that you have activated your Analgam Cleanse specifically for you.

You are therefore then ready to continue your Cleansing journey by working through this ebook, at your own pace and receiving the energies as you feel guided.

If you have not yet activated / unlocked The Analgam Cleanse energies for yourself, you may do this by following the instructions on Page III of this ebook.

Once you have unlocked the energies you are ready to begin!

The attunement opens your energy to receive the energy frequencies of the cleanse. (For more information about attunements please [click here](#) to see our website FAQ's section on attunements).

You will only need to do the attunement once at the beginning of the first cleanse. After that, you can repeat the cleanse whenever you wish, without repeating the attunement, however you may wish to repeat the motions of invoking the energy and setting your intention as a loving gesture.

■ 1. Preparation:

Sit quietly with both feet flat on the floor, in a peaceful and relaxed environment where you will be undisturbed for about 10-15 minutes. (Note that in other attunements you are able to lie down, however this one specifically came through requesting both feet on the floor). You may wish to light a candle or incense and have some soft [healing or relaxing music](#) playing in the background to create a nice ambience.

THE ANALGAM CLEANSE

DIVINE CLEANSE

■ 2. Invoke The Analgam Cleanse attunement:

Invoke the attunement by placing the hands together, fingertips touching (in prayer position) and saying the following:

**"I wish to invoke the Analgam
Cleanse Synergy.
With love I give thanks."**

**HANDS IN
PRAYER POSITION**

■ 3. Set your intention for the cleanse:

The intention is most important in this (and any) process because it outlines what you wish to receive. Your intention may sound something like:

"My intention for this cleanse is for it to help with my stomach ulcers, to remove the causes of the ulcers and the ulcers themselves. I am open and willing to change, please direct me with love, to what I need in order to most benefit from the cleanse. And please help this cleanse to benefit all beings to be free from their own forms of suffering."

If you are doing a general cleanse, then your intention will ask for a broader level of help.

The attunement process takes 6-8 minutes, so sit for about 10-15 minutes (move your hands from prayer position to resting on your lap, palms facing upwards) or until you feel the energy drop off. You may wish to repeat your intention during this time, or simply sit quietly opening to the energy.

■ 4. Closing the attunement:

At the end of the attunement, finish by placing your hands in prayer position again and giving thanks for receiving the attunement. You may wish to say something like:

**"With love and gratitude I offer my sincerest thanks for
receiving the divine Analgam Cleanse attunement.
May the cleansing energies help to heal me so that
I may shine my light for the benefit all beings.
Thankyou, Thankyou, Thankyou."**

When you feel ready, you are now able to begin the cleanse.

3. AN INTRODUCTION TO WORKING WITH SYMBOLS:

Working with symbols in our healing and meditation provides a wonderful array of divine healing opportunities as they give us access to a larger selection of healing frequencies. Symbols are also very easy to practice with and give us a much added flexibility to our meditation and healing work.

For those of you who have already had some experience with symbols, we ask for your patience here as we will be running through what we consider the basics. Please keep in mind that different people will have different views about symbols so we ask that you approach this section with an open heart and mind.

For those who have never heard of symbols before, we would kindly ask you to please firstly have a read through our FAQ section on our website about working with symbols before starting here. This is mainly because we will be mostly focusing on the practical aspects of working with symbols in this section. We have provided a good amount of theoretical information about symbols and the role they play in energy based healing on this FAQ page.

[Click here to visit our FAQ pages on 'Using Symbols In Healing'](#)

● a). Introduction to the practical aspects of symbols – THE ANALGAM CLEANSE:

Normally, when someone is being introduced to symbols, there are shown how to draw the symbol, they learn the name of the symbol and they are taught the technique for using that symbol in meditation & healing.

Here, in this practitioner ebook, we will also follow this format but firstly, it is important for us to point out that the symbols being introduced here in the Analgam Cleanse are slightly different in the way they work in healing.

The main difference here is that we are required to work with a number of symbols in a very definite sequence or order with each symbol bringing its own uniquely divine purpose to the cleanse.

Within the Analgam Cleanse there are four symbols to be worked with during the 19 days and each symbol is worked through one by one. Each symbol seems to bring a new layer of cleansing or healing within us and at each frequency, there will also most likely be some issues being brought to the surface for healing.

Please note that it is important to follow the instructions about how and when to use the symbols. These teachings were received by us in this exact format with the specific purpose to cleanse and uplift the energetic frequencies from within an individual closer towards love.

● **b). A general, basic technique for working with symbols in meditation:**

Within this ebook, we will be introducing some new symbols which we will be working with during our practice. We will also be providing you with all the information you require for using these symbols.

We will show you how to draw the symbol, tell you the sacred name (which helps us to invoke the energies) and we will also provide some general instructions on where to draw it / how to use it the healing practice.

In this section then, being an introductory section, we will now give you some helpful tips and guidance about how you may wish to work with the symbols more generally. This will no doubt be a very important section for you in these next few steps forward.

Typically, when we work with symbols, we normally draw the symbol out, either mentally or with our index / middle finger of our preferred hand, above the area we are working with. Once we have done this, we simply tap it in 3 times whilst saying the sacred name silently to ourselves (3 times).

**PLACING SYMBOLS INTO THE
CHAKRAS IN MEDITATION**

So, for example if we are putting the symbol into our Crown Chakra, we will firstly start by drawing the symbol out around 15 - 30cm above the Crown Chakra (top of the head) and once drawn, we will quite literally 'tap' this into our energy field (3 times) whilst saying the name each time we tap it in i.e. saying the sacred name 3 times.

If you are a beginner, this method of physically drawing and tapping can be quite effective until you reach a point where you feel comfortable doing this process mentally i.e. through meditation.

This is probably the most commonly taught method of working with symbols and is very simple and easy to get started with:

-
- ▶ *1. Draw out symbol over chakra / area of body you are working with (physically or mentally).*
 - ▶ *2. Tap the symbol into the chakra / area of body 3 times whilst saying the sacred name 3 times (physically or mentally).*
-

THE ANALGAM CLEANSE

DIVINE CLEANSE

We can imagine the symbols melting into our energy in the same way butter would melt into toast. With time we can start to *feel* the symbol as it enters our energy and we can also start to feel its uniquely divine healing vibration.

We note here that the tapping process does not need to be a physical tapping. This process works equally well (perhaps even more so) if we are able to intend or mentally tap these in as we progress in our practice. You will quickly feel what your preferences are as you start to work with symbols in a regular practice.

Please also be aware that your preferences may change as you progress forwards on this working with symbols journey. Perhaps you start with this physical tapping technique for a month or so and as you feel ready to, you move to a more meditative approach.

The key is just to be loving and patient with yourself as you start out with these practices. For those experienced in working with symbols, you will probably already know that there are many, many variations which stem from this type of basic technique.

● c). Additional ways that we can work with symbols in meditation:

Now that we are armed with a basic symbol technique, we can perhaps discuss some additional ways of working with these symbols in our healing and meditation. These additional techniques simply give us some variety with our practice and may help to invoke the energies in such a way which we feel more strongly.

We would always suggest that you work with techniques and practices which bring you a higher and more blissful states of vibration. When we can feel these deep states of inner peace, stillness and love filled energies in meditation, there is most certainly some very deep healing being done.

Ok so firstly, you can try experimenting with the 'tapping' aspects of the basic technique outlined above. Perhaps try tapping the symbols in 7 times or 11 times (instead of 3) as you wish. You may also wish to try tapping these symbols in many times over (more than 11) in order to create additional healing vibrations.

The number 3 is often held as sacred and it is thought to bring the abundance of these energies into physical manifestation. The number 7 is also a good number to work with and 11 is considered by many to be the golden number. You can choose to work with these numbers or any multiple thereof however equally so. This may be too much to focus on during the meditative practice in which case you may just wish to continually tap in the symbol as you feel appropriate.

THE ANALGAM CLEANSE

DIVINE CLEANSE

As you progress also, the tapping process can almost become like you are visualising or intending for the symbol to enter you many times over without any need for a physical or mental 'tapping' process. For example, let's say that the symbol is to be placed into your Third Eye Chakra. You would draw the symbol out, either mentally or physically and then simply imagine, visualise or intend that the symbol's vibration is continually flowing into your energy field.

As you do this, you may tap, tap & tap or imagine, visualise and intend until you can start to feel the vibrations really moving in through your Third Eye Chakra and into your whole body. Over some minutes perhaps, you may feel the symbol's vibration as it flows through your entire energy field for the best possible healing result.

Equally, we could also imagine the symbol just above our third eye. Rather than drawing it out, we can simply visualise it there; perhaps it is made up of white light, shining beautifully, powerfully and very brightly. From here we can 'tap' this into our chakra or body part (as required).

Perhaps you just wish to receive the light directly from the symbol as it sits so iridescently above your Third Eye or Crown Chakra. The divine healing vibrations are entering your chakra and filling up your whole body. Be sure to keep the visualisation of the symbol firmly in your mind and continue to repeat the sacred name for further effectiveness.

Another option could be to visualise or intend many little symbols entering the chakra / body part you are working with. You just need to open up and surrender to the healing power of the symbol to receive the magical vibrations of love and light.

In addition to this, another way to work with symbols in meditation is to simply imagine a very large symbol vibrating and shining from within us. The symbol in this case may be as large as say your whole body. Just keep our meditative concentration focused on the visual aspects of the symbol whilst continuously saying its sacred name.

As we do this, for say 5 minutes, the energetic vibrations may deepen and deepen for us. We can even add in here the wish that the symbol shines for all beings in the world, the universe or the cosmos as you wish to.

We can also combine some of these techniques together. For example, you may be working with your Crown Chakra or your Third Eye Chakra and drawing and tapping many times over. After some time, say 3-5 minutes, you may find that you can now feel energies starting to fill your body at which point you may wish to now start working with a big symbol, intending that it shine for all.

**VISUALISING A SYMBOL JUST
ABOVE THE THIRD EYE**

THE ANALGAM CLEANSE

DIVINE CLEANSE

Most commonly, it is the feelings of surrender, opening up, letting go, gratitude, love, compassion and the altruistic intention which will help you in any symbol based practices. Visualisation, meditative concentration and the strength or purity of your intention also helps to strengthen our practice.

Again, there are many different ways that we can work with symbols in healing and meditation and we hope that these words and techniques will inspire your own divinely guided practice for the benefit of all. This is all part of the fun - to create and grow in a way which brings your practice to life. This can often be a very empowering part of your practice.

Please note that the techniques described here are some of the more popular or widely taught techniques. There are also many others not mentioned. Each person has their own mind and therefore can create their own unique techniques.

We have also not yet covered symbol based healing from a 'healing others' perspective as we are for now mainly focusing on the self-healing aspects of the practice. As it is said:

"As we heal ourselves, we also heal all"

THE ANALGAM CLEANSE

DIVINE CLEANSE

4. CLEANSE PART ONE: BYANZIPAR - HEALTH & NUTRITION:

The first part of the Analgam Cleanse is for flushing the body of toxins, wastes and chemicals. The symbol given is BYANZIPAR:

The symbol can be placed into one or all three of the points below, for a few minutes or as long as you wish.

- The Third Eye for “meditative” or spiritual cleansing
- The Crown Chakra for overall health
- Specific parts of the body for specific healing

Repeat this process 4 times per day for 7-8 days for cleansing.

5. CLEANSE PART TWO: DIDONIMO - THE HEALTH ASPECT:

The second part of the Analgam Cleanse is for:

- Creating a new status quo after the part one cleanse
- Balancing the “digestive” system and bringing it to new health (note this refers to the physical, emotional and spiritual digestive systems)
- Fine tuning the third eye to a healthier aspect

The symbol given is DIDONIMO:

II. DIDONIMO

(Pronounced Dy - donn - ih - mo)

DIDONIMO

HOW TO DRAW DIDONIMO

To use this symbol, draw it once under your feet (like you are standing on it), and once above your head (like a halo). The three dots in the head symbol will then get into alignment with the three dots in the feet symbol – and rods of energy will then be connected between the dots – running right through the centre of your body. These energy rods then begin to vibrate or pulse, radiating the DIDONIMO energy throughout your body. (See the diagram below).

Sit in the energy for a few minutes, or as long as you wish.

THE ANALGAM CLEANSE

DIVINE CLEANSE

CLEANSE PART TWO: DIDONIMO ENERGY RODS VIBRATING

Repeat this process 3-4 times per day for 6 days for cleansing.

Notes:

- ★ Byanzipar followed by Didonimo can also be used as "spot-cleaning" symbols.
- ★ If you have taken, or are thinking about taking The Celestine Series ([The Unified Pathway To Light](#) - Volume 1), Didonimo works exceptionally well with Celestine Gold energy.

6. CLEANSE PART THREE: PYRONOTH:

The third part of the Analgam Cleanse is for:

- Expanding and increasing the energetic digestion of nutrients (physically and spiritually)
- Increasing capacity to heal oneself
- Expanding cellular dimension for absorption and elimination

The body effectively becomes a more efficient “machine”. (Like a car running on a new, better quality engine oil).

The symbol given is PYRONOTH:

III. PYRONOTH

(Pronounced Py - roh - noth)

PYRONOTH

HOW TO DRAW PYRONOTH

To use the symbol, put it into the Heart Chakra for a few minutes, or as long as you wish. It will continue to work throughout the day and night.

Repeat morning and night for 3-4 days.

7. CLEANSE PART FOUR: SCHELOTAPH - MORE FUEL:

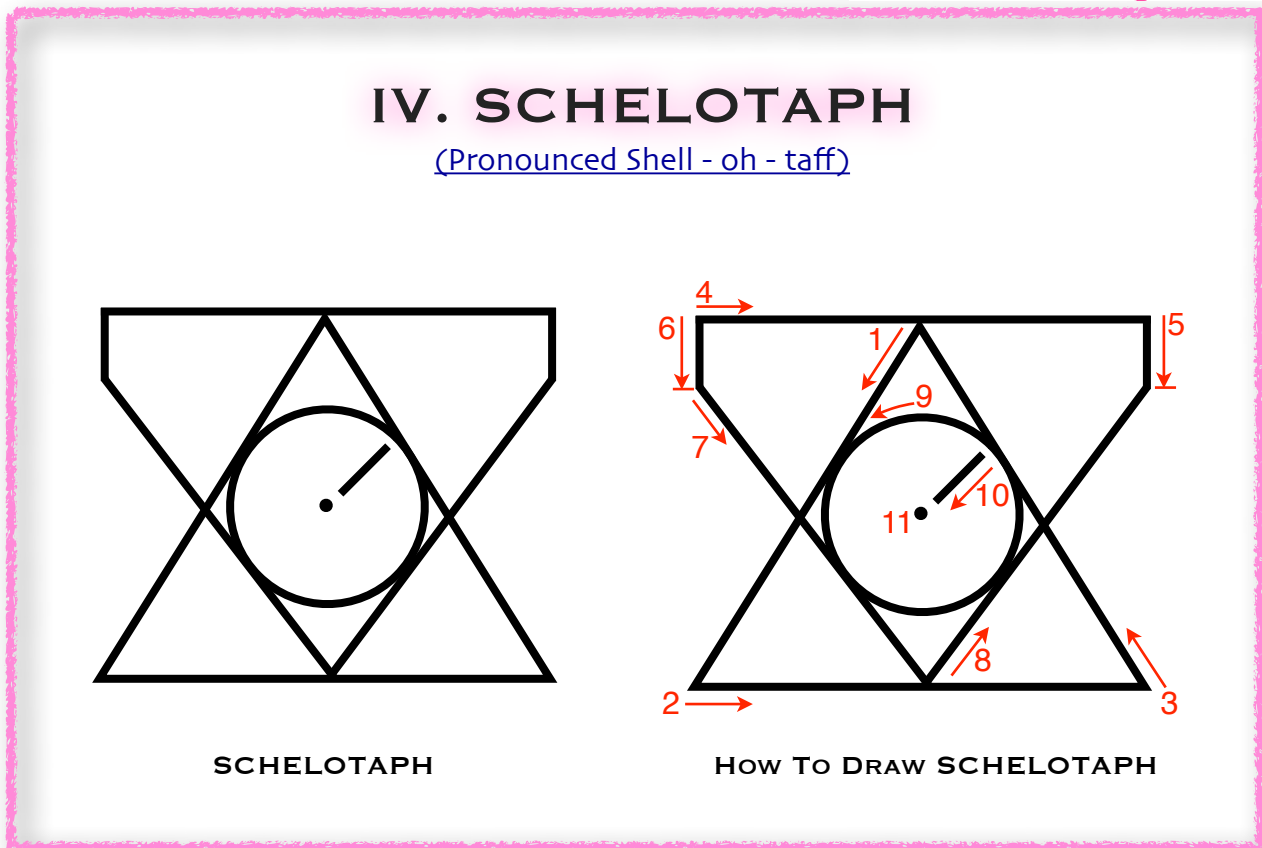

The fourth part of the Analgam Cleanse is for:

Increasing the ability for the body to receive more "fuel"

By increasing the ability for the body to heal itself (from part three of the cleanse), it is now able to receive more "fuel". This is important because as our vibration increases, so too does our energetic consumption of electro nutrients.

This symbol simply helps us to "draw in" more nutrients (physically and spiritually) in a more efficient manner, in order to help fuel our new vibration.

The symbol given is SCHELOTAPH:

To use the symbol, place it once into the Heart Chakra. (This was the instruction given when it came through to us, however you may wish to place it once in your Heart Chakra a several times during the day for a few minutes.

Note: This symbol can also be used effectively on its own to help those going through vibrational upgrades.

8. FINAL COMMENTS:

We hope that you have enjoyed The Alngam Cleanse and all the energetic work it has brought forth for you. The cleanse is an intensive period and will continue to bring out more old, unwanted energies for a time after the conclusion. We also hope that you have read the information on our FAQ pages about the [Healing Crisis](#), as this is important to help you through the process.

Remember that healing occurs in layers, so it may be viable for you to repeat the cleanse when you feel it appropriate. It is a tool that you now have to use whenever you wish.

Also, if you wish to pass the cleanse information to others, please direct them to our website where they can download the ebook directly.

If you have not already done so, we recommend continuing on your healing journey with [The Unified Pathway To Light](#) ebook series or the [Pathway To Light](#) ebook series where similar energy work is used to bring more light into your true essence.

And as always, should you require any help at any stage, please feel free to reach out to us! We are always happy to help wherever we can, in order to benefit all.

May your true light shine and become a beacon of hope for all beings. May you be inspired to walk your own true, authentic pathway, allowing a new and deeper consciousness to unfold within you. May you take the healing from the cleanse and use it to benefit all beings.

Walk forward, cleansed, with love and light,
