ACTIVATING (UNLOCKING) THE HARMONIUM REPLENISH ENERGIES:

Before opening up to these beautiful replenishing energies, it is very important that you firstly activate or 'unlock' the energies in this ebook. Once this is completed, you will then be ready to begin!

The activation is a very simple process, done by yourself, using a specially embedded activation code to 'unlock' the energies in this ebook. The four step process is outlined below and should only take you around five minutes or so to complete.

(For more information about the activation codes or the activation process - please visit our [Activation Codes FAQ's](#)).

■ 1) Preparation:

Please sit or lie down, whichever is more comfortable for you, and ensure that you will not be disturbed for at least 5 minutes or so. Perhaps you wish to play some [healing or relaxing music](#), light some candles or burn some incense to create a nice ambience.

■ 2) Invocation:

Invoke the activation ('unlocking') by placing your hands together, fingertips touching in prayer position and saying the following:

**"With infinite grace, I ask humbly and clearly to activate the
Divine energies of The Harmonium Replenish.
With the unique activation code 227148376 may this be so.
May this activation benefit all beings.
Thankyou, thankyou, thankyou."**

■ 3) Receiving:

If you wish to, you can now just sit for a few minutes as the energies are unlocked for you. After this period of time, as you feel ready, you may wish to give thanks. The activation is now complete!

■ 4) Understanding:

Once you have completed your activation, we ask that you now read through - ["Activation Codes and Prescribed Timeframes"](#). This will only take around a minute or so and will help you to receive the maximum benefits from all of these healing energies, attunements and practices. After this, you are now ready to begin opening up and receiving these beautiful Divine cleansing energies! May you enjoy these with much love & light and with an intention to benefit all beings.

THE HARMONIUM REPLENISH DIVINE CLEANSE

INTRODUCTION TO THE HARMONIUM REPLENISH:

With love we welcome you to The Harmonium Replenish! These energies were intuitively brought through in June 2013 and are really great for beginners who may not have done much energy healing work, or who are unfamiliar with symbol energy work. It can also of course be used by anyone on their spiritual pathway for replenishing, as the name suggests.

It is a basic and short energy system, taking only six days and using simple affirmations daily to help to enhance your energy.

Here is what was said by the Guides who brought it through:

“For those lacking in transparency, The Harmonium Replenish can help to bring the effervescent frequencies of pure and divine love to the core of the energy centre. From here the inner work is done, radiating the love frequency outwards and through the physical and etheric bodies.”

We hope that this replenish brings much love and light to your being.

THE HARMONIUM REPLENISH

DIVINE CLEANSE

1. THE HARMONIUM REPLENISH:

The full replenish takes six days to complete and there is no attunement required.

NOTE: Before you begin your replenish, please ensure that you have activated (unlocked) The Harmoniser energies prior to commencing.

The activation / unlocking process is a simple 5 minute process which unlocks the energies and gives you access to them. Once you have unlocked the energies, this means that you have activated your Harmonium Replenish specifically for you. You are therefore then ready to continue your journey by working through this ebook, at your own pace and receiving the energies as you feel guided.

If you have not yet activated / unlocked The Harmonium Replenish energies for yourself, you may do this by following the instructions on Page III of this ebook.

Once you have unlocked the energies, you may begin.

There are four different affirmations to use over the six days as detailed below. **Each affirmation should be repeated as many times as possible throughout the day or days.**

Day	Theme	Instruction	Affirmation
One	OPENING	Repeat the affirmation for two days.	"I open my energy to the core of pure and Divine love."
Three	CLEANSING	Repeat the affirmation for two days.	"I ask for the Divine love to cleanse and replenish my core."
Five	HEALING	Repeat the affirmation for one day.	"With love, I grant myself the freedom to be me."
Six	CLOSING	Repeat the affirmation for one day.	"With love and thanks, I walk forward as me, in my entirety, with pure and divine love."

You may like to write the daily affirmation on the fridge, bathroom mirror, or carry it around in your pocket to help remind you.

As always with energy work, the more you put in, the more you get out. So try to say each affirmation as many times as possible each day!

First thing in the morning and last thing at night are also prime opportunities to repeat the affirmation.

2. FINAL COMMENTS:

We hope that this replenish brings pure divine love to your true core centre, from where you are able to shine it out for the benefit of all beings.

If you have not already done so, we recommend continuing on your healing journey with [The Unified Pathway To Light](#) ebook series or the [Pathway To Light](#) ebook series where similar energy work is used to bring more light into your true essence.

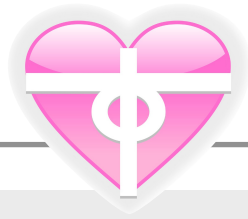

And as always, should you require any help at any stage, please feel free to reach out to us! We are always happy to help wherever we can, in order to benefit all.

*May you walk this path of love shining
outwards for all.*
