ACTIVATING (UNLOCKING) THE 'A NEW LIGHT' ENERGIES:

Before opening up to these beautiful ascension energies, it is very important that you firstly activate or 'unlock' the energies in this ebook. Once this is completed, you will then be ready to begin!

The activation is a very simple process, done by yourself, using a specially embedded activation code to 'unlock' the energies in this ebook. The four step process is outlined below and should only take you around five minutes or so to complete.

(For more information about the activation codes or the activation process - please visit our [Activation Codes FAQ's](#)).

■ 1) Preparation:

Please sit or lie down, whichever is more comfortable for you, and ensure that you will not be disturbed for at least 5 minutes or so. Perhaps you wish to play some [healing or relaxing music](#), light some candles or burn some incense to create a nice ambience.

■ 2) Invocation:

Invoke the activation ('unlocking') by placing your hands together, fingertips touching in prayer position and saying the following:

**"With infinite grace, I ask humbly and clearly to
activate the energies of A New Light.
With the unique activation code 44290183 may this be so.
May this activation benefit all beings.
Thankyou, thankyou, thankyou."**

■ 3) Receiving:

If you wish to, you can now just sit for a few minutes as the energies are unlocked for you. After this period of time, as you feel ready, you may wish to give thanks. The activation is now complete!

■ 4) Understanding:

Once you have completed your activation, we ask that you now read through - ["Activation Codes and Prescribed Timeframes"](#). This will only take around a minute or so and will help you to receive the maximum benefits from all of these healing energies and practices. After this, you are now ready to begin opening up and receiving these beautiful ascension energies! May you enjoy these with much love & light and with an intention to benefit all beings.

As you move deeper and more insightfully into who you truly are and as you open yourself up to receiving these purer & higher dimensional energies, you may start to feel the sense of depth, which is the the ocean of dharma, start to dawn on you.

For example, you may now start to feel here that the Guides are now speaking to you at a far deeper and more profound level than previously encountered. So please sit back and enjoy the ride!

Having now completed the Maitrijusha Gold Eternity teachings (and having completed the 30 days of self healing practices) , you will have received a greater intensity of Maitri Light and this is a most important set of teachings that we are overjoyed to have shared with you. THE UNIFIED PATHWAY TO TRANSCENDING THE LIGHT

VOLUME 3 - A NEW LIGHT

And to formally welcome us to the energies of A New Light, please find below the introductory message from Guide Sutara:

“Let us begin with a new understanding of our consciousness; a new understanding of our own deepest awareness.....Let us take these frequencies and then multiply them exponentially, with an intention to free all beings from the Samsaric suffering we call ‘life’. This is the introduction to A New Light.

At every level in the prior teachings you have received countless blessings, energies and healing at many different levels of your being. Each one helping to open up, recharge, re-ignite and unfold the absolute infinite essence that is you - and all. Without knowing it, you have manifested a creation of love and light that is far beyond what the majority of your world sees and feels at this very present day. Your gift on this pathway is to indeed be free from the hurts, wants and cravings of this eternal Samsara and to envelope the freedom of being that comes with Transcending The Light.

A New Light brings with it similar blessings and energies as previously received, however we now open and expand onto a whole new plane of light. Where before we were working with the energies of light indeed, we now begin to transcend into a new light, one filled with deepened expressions, understandings and truths. A higher and more definitive manifestation of the love-light that ignites boundless unity and infinite potentials!

The accelerated energies at this level become more and more uplifting as we progress and it can be noted here that although the practices we are working with become simpler and simpler, the roots of these energies are more founded in absolute purity and light than experienced before. Each step is a milestone on it's own as we conquer new levels of darkness in order to facilitate the absolute divinity of our own light.

As you progress on your journey, know that the unfolding is occurring as it should; that darkened energies are indeed turning and being released to light and that you are blossoming right before your very own eyes. A New Light helps us to see this more effervescently and with more truth, in order to continue our plight for the infinite freedom of all.

Do not be alarmed at the truths you may uncover about both yourself and others. Do not be fearful of the darkness you are encountering to release. Know only that you are ready for this giant leap in faith and healing and that without your input this world will surely suffer. Your light is now more profoundly needed than ever; especially as you raise in vibration towards infinite light. Let A New Light guide you and others to come into a new plane of unity and existence. A new wondrous place of understanding and healing for the greatest good of your mankind and all worlds.

Do not underestimate the power of your energies at this time, for the transcension to light is a powerful and unique set of teachings designed to bring you into the utmost manifestation of freedom and liberation. You have been granted this gift of light due to your own karmic merits and that of those around you also. Gurus shine their light for you on this pathway; always and with infinite love. Know this and go well.”

~ Sutara

The Unified Pathway To Transcending The Light

VOLUME THREE

PHASE ONE - SHON, EPPICRON, PLIESON

WELCOME, WITH LOVE, TO PHASE ONE!

We welcome you here to this first phase with much love & light and trust that you have enjoyed your Maitrijusha Gold Eternity practices. These beautiful energies provide a wonderful foundation for the Volume Three energies which can be commenced after completing your 30 days of self healing practices with Maitrijusha Gold Eternity.

This first phase of Volume Three is a very important preparatory step as we open ourselves up to receiving a range of new ascension energies through symbol practices. The symbol practices here are again very simple & easy and require very little 'effort' which is another wonderful simplified gift from the Guides!

Of course however, the energies here are from a very pure source and as such, there will likely be much dirt, darkness and impurity being stirred & released throughout this first phase as we prepare ourselves for moving forwards into the higher dimensions. As the Guides explained:

"This first phase of Volume Three helps to unfold your understanding deeper in preparation for the energies of phase three and four inter-dependently."

We hope that you will enjoy connecting with these new divine healing energies and may they help you to move to higher & more harmonious states of awareness in your life!

PHASE ONE SYMBOL PRACTICE:

Before you begin your Phase One symbol practice , please ensure that you have unlocked the energies in this ebook for yourself. See the note below:

NOTE: Before you begin your practices, please ensure that you have activated (unlocked) the 'A New Light' energies prior to commencing.

The activation / unlocking process is a simple 5 minute process which unlocks the energies and gives you access to them. Once you have unlocked the energies, this means that you have activated ALL the energies in this whole ebook specifically for you. You are therefore then ready to continue your 'A New Light' journey by working through this ebook, at your own pace and receiving the energies as you feel guided.

If you have not yet activated / unlocked the 'A New Light' energies for yourself, you may do this by following the instructions on Page III of this ebook.

Once you have unlocked the energies, you are ready to begin your Phase One practices. Welcome!

In this first phase we are given 3 symbols to work with - Shon, Eppicron and Plieson. These symbols are very simple but also very astute and they are not like any other symbols that we have used before in previous levels.

There is no attunement required for these symbols and we only need to work with each symbol for one day after which, there is a 4 - 6 week rest period where the energies go about their healing work and uplifting process. Here is the outline of how to work with the symbols for your practice:

- Day 1 - Shon
- Day 2 - Eppicron
- Day 3 - Plieson
- Then 4-6 weeks rest

When doing your symbol practices, please visualise or draw the symbol once in front of the third eye and allow the light from the symbol to radiate into your whole body (the energies may take a few minutes to build so if you do not feel anything immediately do not worry). Each symbol practice is to be completed once only on days 1, 2 & 3.

Please note that this is quite different to placing or tapping the symbol into the third eye as we usually do; the intention here is for the energies to radiate into your whole body and go to where they are needed.

No specific timeframe was given for this practice so please do each symbol practice until you feel the energies drop off. We suggest that each symbol practice be completed for at least 15 minutes, however it may be up to one hour depending on the person.

The process is the same for each symbol so please enjoy opening up to these beautiful and remarkable new frequencies!

As we said above, these symbols are not like any other symbols we have used before. They are quite unique and here is how they work:

Each symbol:

1. Opens you up to the frequency (of that symbol)
2. Sends you the energies of that symbol
3. Activates the energies within you
4. Stirs up the 'dirt' (inside you)
5. Expels the 'dirt'
6. Communicates with higher *consecutive* energies and brings them forth (depending on what you require)
7. The cycle then repeats from 1. again

This process will continue (for each symbol) for 24 hours until the next symbol is used which then carries out the same process i.e. repeating the 7 steps. Each symbol has a slightly different energetic frequency so overall, these 3 days of symbol practice are immensely powerful! The Guides explained that:

"4 - 6 weeks of rest is advised after completing the 3 days in order to assimilate the energies and for a new equilibrium to be reached within the body."

Even though this symbol practice is very simple and short, these energies are again far more 'intelligent' than we have used before. Therefore, please be prepared for them to stir up lots of dirt! The symbols are shown here below with lots of love.

VOLUME THREE PHASE TWO - OPON

WELCOME, WITH LOVE, TO PHASE TWO - OPON:

With love we warmly welcome you to Phase Two! Here we introduce you to the symbol Opon and to explain more about it's energies, please find below the message received from the Guides:

"Opon - The Key To The Elements"

"These energies will introduce a strong connection to the elemental fundamentals. Be open to receiving and do not let the mind limit what you receive.

A strong foundation in elementals will help your practices and energies to grow from deepened 'roots'. This is important as a tree cannot grow taller with only shallow roots to support it.

You must find within yourself the strength and courage to believe infinitely in your own power, for it is your light, piece by piece, that will open the possibilities of unity and endless love for the infinite consciousness.

Do not dwell on those minority energies which you feel are lacking. Keep the mind present at all times and embrace that which you have and that which is opening within you.

It is here in this energetic vibration that the elementals will deepen your consciousness roots. Allow your divine strength to be nurtured and enveloped in love, for all is happening in divine accordance with your deepest intentions.

Embrace the new foundations of your light!"

~ Opon

THE UNIFIED PATHWAY TO TRANSCENDING THE LIGHT

VOLUME 3 - A NEW LIGHT

PHASE TWO SYMBOL PRACTICE:

The Phase Two practices can be started immediately after the 4-6 week rest period at the end of Phase One.

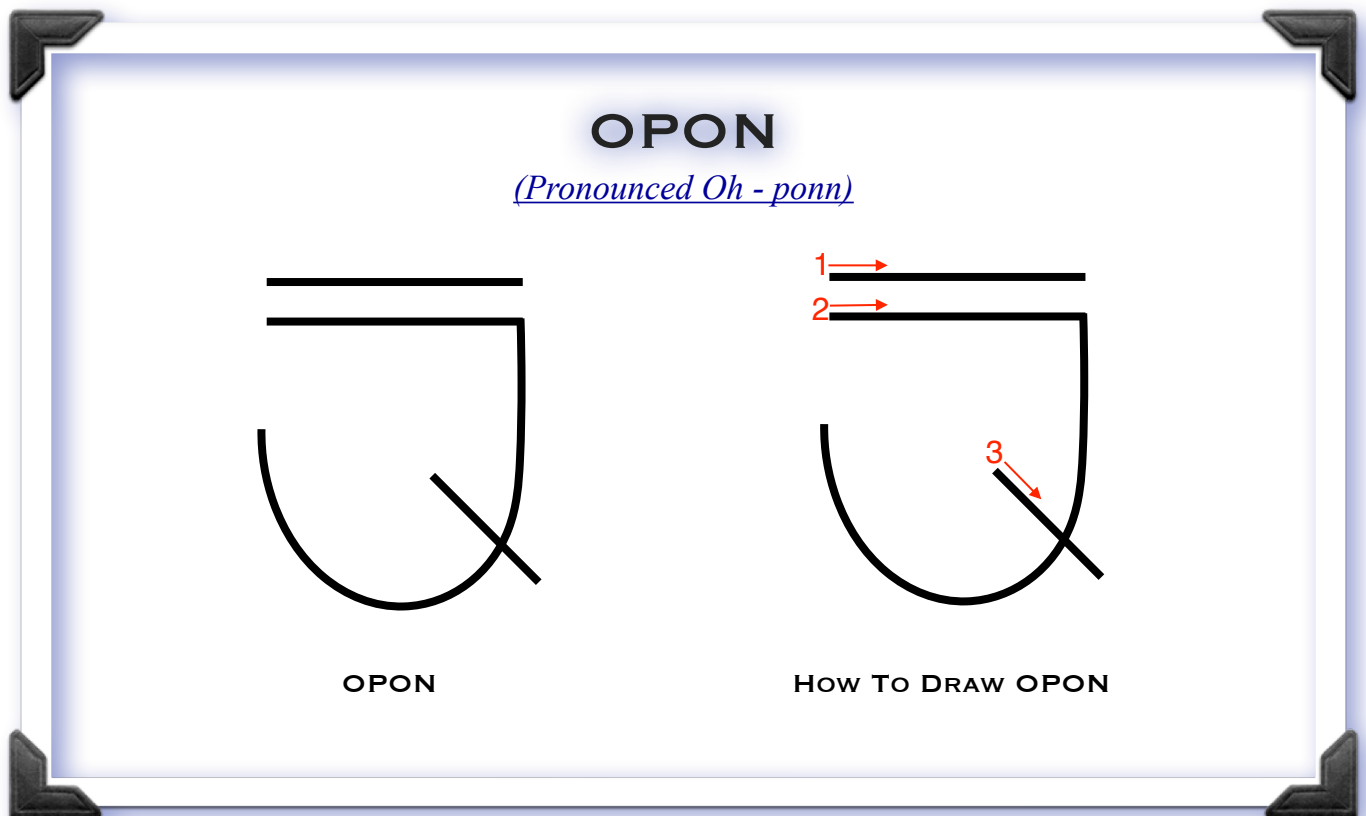

IMPORTANT REMINDER: When you activated the energies for this ebook (on Page III), this has activated all of the energies for the entire ebook. Therefore, you can simply follow along with the below instructions to receive these Phase Two energies with love!

In Phase Two we are being introduced to just one symbol - Opon. Please work with Opon in the following way:

- ♥ 2 days Opon symbol practice
- ♥ 3 weeks rest
- ♥ 2 days Opon symbol practice
- ♥ 3 weeks rest

For each two-day symbol practice, please place Opon into your Crown Chakra for 3-5 minutes whilst saying ***“I open to the elements with infinite love”***. Repeat this practice 3 times per day for both the two day practice periods.

This is an extremely important opening to the 'elementals' and as the Guides have said, please remind yourself during this time that you are truly an expansive, infinite and divine being. May you open up to these beautiful elemental energies and may they bring you the much needed grounding and expansion to progress forwards into the higher levels to come!

VOLUME THREE PHASE THREE - IPON

WELCOME, WITH LOVE, TO PHASE THREE!

With much love, we welcome you to this third phase! Please enjoy this introduction given to us by the Guide Ion:

"Ipon - The Initiator Of New Light"

"Energies at this level are bold and vibrant, vivid and clean, energetic and free. Allow them to fill the full radius of your consciousness as your heart and mind open to this new, divine frequency."

May all your hopes and dreams become a clear channelled pathway leading you to the full fulfilment of liberation. Without releasing the sense of who you are, use these fresh new energies to invigorate yourself from within. Trust wisely your inner intentions and go with open arms and free spirit!

Using these new energies, open yourself to a higher level of light; a higher level of intentional being. Honour and respect your gifts as they receive a light of benefit for the absolute abundance of all.

We pray as we watch over you that you will manifest into your own deep aspirations and we send you light always. Enjoy this new light of hope, peace and abundance!

Go with light and many blessings!"

~ Ion

THE UNIFIED PATHWAY TO TRANSCENDING THE LIGHT

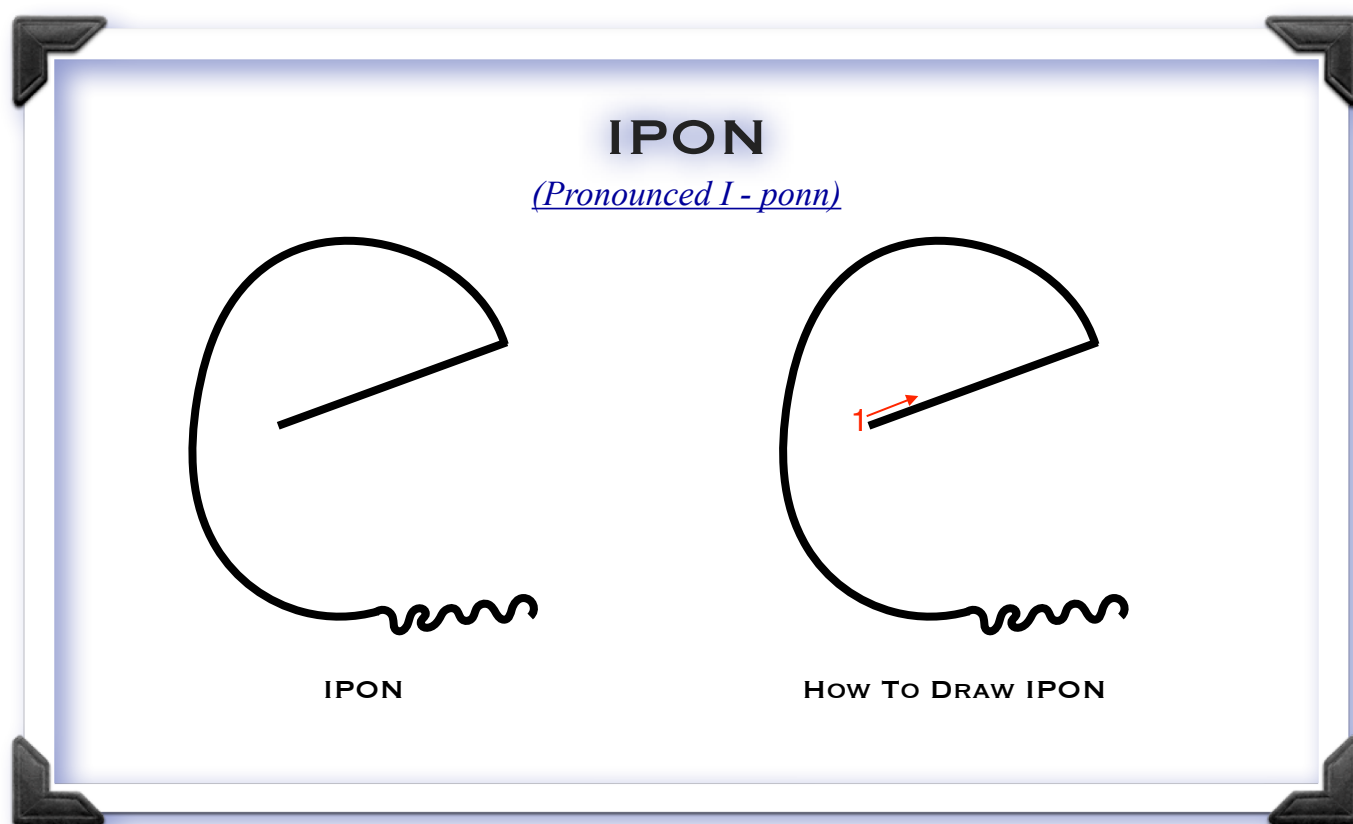

VOLUME 3 - A NEW LIGHT

PHASE THREE SYMBOL PRACTICE:

The symbol practices for Phase Three can be started immediately after the 3 week rest period at the end of Phase Two. And again, we are only required here to work with one symbol - Ipon. To ensure that the appropriate energies are being received, please complete the following symbol practices:

- ♥ 4 days Ipon symbol practice
- ♥ 3 - 5 weeks rest

For the four-day symbol practice period, please place Ipon into your Crown Chakra for at least 10 minutes - 3-5 times per day. The symbol Ipon is drawn below.

*** Please note that the squiggle at the end of the symbol is just that - a squiggle. There is no need to count the number of curves etc, just as long as your symbol tails off into a squiggle is fine.*

You will notice again here that as the energies are becoming more sophisticated, intelligent and pure, we are now no longer needing to work with many symbols over many weeks as we have done in previous phases & levels. At these higher levels of The Unified Pathway To Transcending The Light, the steps upward are becoming steeper and steeper i.e. we are able to ascend higher and higher at a far more rapid rate. Enjoy!

Welcome to Phase Four:

Rion

Love Inspiration

The Unified Pathway To Transcending The Light

VOLUME THREE PHASE FOUR - RION

WELCOME, WITH LOVE, TO PHASE FOUR:

Welcome to Phase Four - a vibration of deep healing, happiness & bliss! Please enjoy these introductory words from the Guides as you prepare to receive these beautifully blissful energies.

"Rion - Fundamental Bliss"

"The energies of this deeply encrypted symbol bring forth a profound abundance of healing; with or without the beneficial factors of faith as you so desire. Meanings hidden inside these energies are deeply vibrationally uplifting and will bring with them many high-level challenges. Do not be alarmed however, as these challenges will reap the benefits of seeds already sewn in previous phases."

Energetically speaking, the Rion energies act as a deeply cleansing catalyst, bringing out many 'reactions' & pieces of the puzzle we call life. Each piece being individually designed to bring the love-light from within, to the surface and thus developing a new level of happiness, understanding, fulfilment and 'bliss' as you say in this earthly realm.

Do not mistake bliss for being a point of liberation, but rather a point at which you understand the entails of happiness more completely than before.

Open many doors at this level for you will find many answers!

All is but to be revealed to the naked eye, however to the naked heart all shall be unravelled and blessed with infinite love and blessings.

Use the very state of awakened bliss to reach new inner heights of purification for the benefit of all. Go well.....Your Bliss awaits you!"

~ Rallion

PHASE FOUR SYMBOL PRACTICE:

The Phase Four practices can be started immediately after the 3-5 week rest period at the end of Phase Three. And again, you will see here that we are only working with one symbol; this time for 14 days. The practice outline is as follows:

- ♥ 14 days symbol practice - Rion
- ♥ 2 - 3 weeks rest

For the fourteen-day symbol practice period, please place Rion into the Heart Chakra once per day for up to 12 minutes each time.

The symbol Rion is drawn below. Please note again that the squiggle at the end of the symbol is just that - a squiggle. There is no need to count the number of curves etc, just as long as your symbol tails off into a squiggle is fine.

May you enjoy these blissful, liberating & happiness filled energies and may you radiate these beautiful & loving vibrations outward so that all beings can benefit throughout the entire cosmos!

Welcome to Phase Five:

Peon

Love Inspiration

Learn • Heal • Awaken

The Unified Pathway To Transcending The Light

VOLUME THREE PHASE FIVE - PEON

WELCOME, WITH LOVE, TO PHASE FIVE!

Welcome to this penultimate phase - Master of The New Light! Here is the information from the Guides given to us at this level:

"Peon - Master Of The New Light"

"The Master Of The New Light energies unfold a deep understanding of love and truth perspectives. As the new light energies become unravelled, integrated and embedded within your inner consciousness, the consciousness layers become more defined, yet more united."

Bringing in these new energies of 'Master-dom' entails a dedicated practice, a deep sense of faith and a love of humanity as a collective 'being'. Use your faith-light to repel any miscommunications and embrace the one-light for your own deep infinite benefit and for the greatest benefit to all.

At this level allow the energies to soar, bringing you into a heightened compassionate consciousness. Allow all to be one; one faith, one love, one integral, nurturing heart of completeness!

Without abandon, bring to the surface any doubts and fears for final healing, for it is here that we farewell the old depths of our darkened consciousness. Bringing in the Master Light defines a new pathway, a new love and a new 'us'. For the benefit of all, may the Master Light be shone strongly and humbly through your very being; your effervescence, your compassionate glow & your warmth.

Be one with the Master Light. Go well with a sense of deepened understanding."

~ Smeilon

PHASE FIVE SYMBOL PRACTICE:

These Phase Five practices can be started immediately after the 2-3 week rest period at the end of Phase Four. And again, we receive just one symbol during this phase which requires only 1 day of symbol practice. The practice outline is as follows:

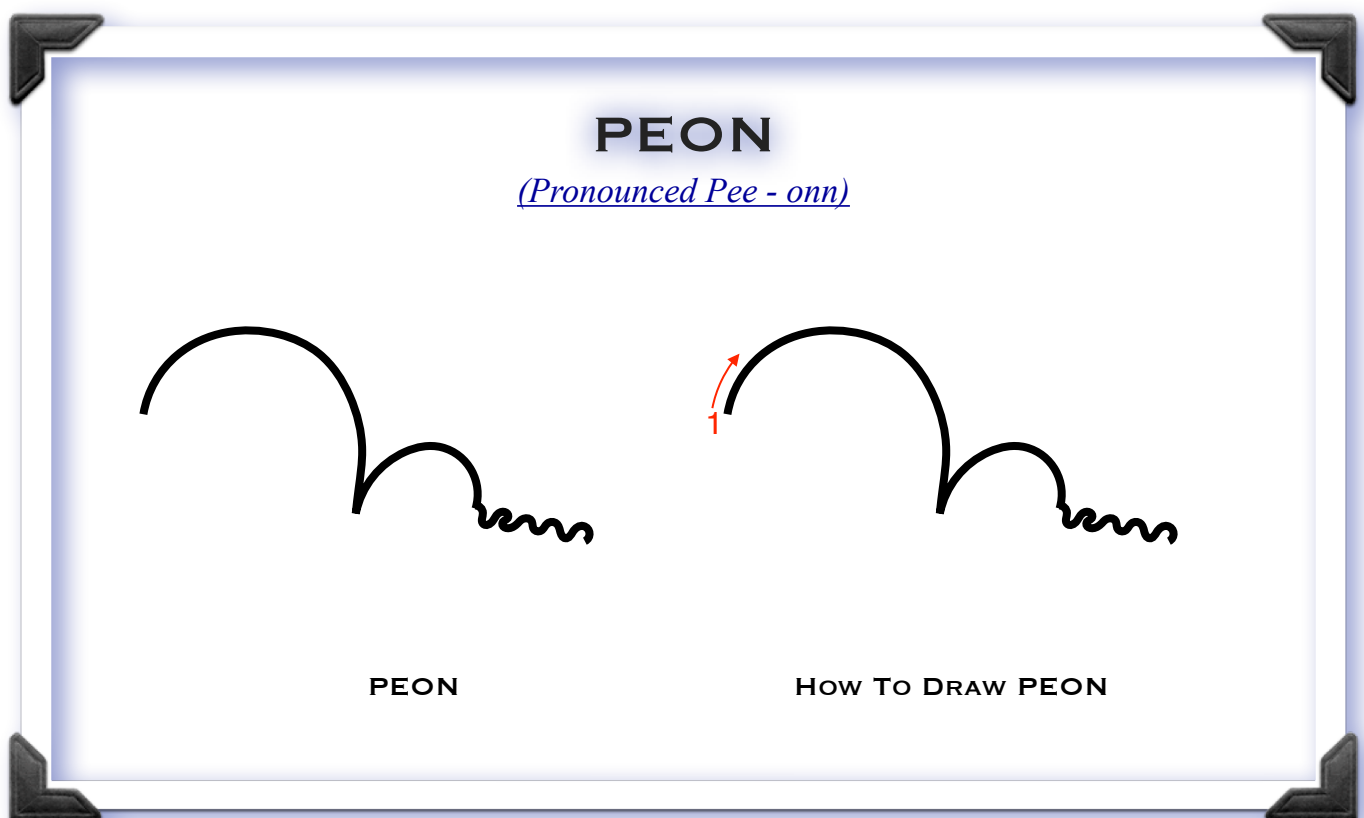

♥ 1 day symbol practice - Peon

♥ 5 days rest

For the symbol practice, please place Peon into your Heart Chakra three times per day for about 5 minutes each time. As you do this, please be sure to "renounce the old" in whatever way you feel is appropriate for you.

The 5 minutes of prescribed practice time should be sufficient, however the Guides explained that if your renunciations takes a little longer then this is also ok!

The symbol Peon is drawn below. Please note again that the squiggle at the end of the symbol is just that - a squiggle. There is no need to count the number of curves etc, just as long as your symbol tails off into a squiggle is fine.

Welcome to Phase Six:

The Unified Pathway To Transcending The Light

VOLUME THREE PHASE SIX - UNION

WELCOME, WITH LOVE, TO PHASE SIX!

Welcome to this final phase of A New Light - a place of completion, realisation & infinite love! Here is what the Guides have said about this final phase:

"Union - Completer Of Infinite Light"

"At this level of receipt you are welcomed to The New Light! An infinitesimal plane of realisation and Truth await you. This final phase completes your Volume Three energies and it is with great love that we pass on The New Light blessings to you for the greatest benefit of all."

As always, subtle changes are taking place within your physical and emotional body, allowing rapid growth and assimilation of The New Light energies. Take care of yourself during this time, as your body and light body are undergoing expansive changes. At the completion of the two days of symbol practice it is wise to rest intensely as the pinnacle New Light 'crown' or 'cap' is sealed within your energy during rest days 4 - 8. In this way The New Light energies may only be recognisable after rest day 10, when they are fully integrated and your light becomes one with The New Light.

Brace yourself with love, understanding and nurturing and allow your inner sanctuary to come alive vibrantly with these new energies. After six phases you can be pleased with your progress as you have realised significant changes within your light body.

Use The New Light when fully integrated, for the absolute benefit of all existence.

Congratulations - your New Light is born!"

~ Tion

PHASE SIX SYMBOL PRACTICE:

The Phase Six practices can be started immediately after the 5 day rest period at the end of Phase Five. And in Phase Six we are again requiring just one symbol - Union. The practice outline is as follows:

- ♥ 2 days Union symbol practice
- ♥ 10 - 14 days rest

For the symbol practice, please place Union into your Heart Chakra, Crown Chakra and Throat Chakra for 3 minutes per chakra. Please repeat this process three times per day for the two consecutive days. The symbol Union is drawn below.

You have now completed A New Light ...
Congratulations!

ADDITIONAL 'GIFT' FROM THE GUIDES:

At the conclusion of this final phase, the Guides came through and explained that from now on, during your energy healing work, some prescribed timeframes will be halved. That is, what previously might have needed four weeks rest will now only require two weeks rest. What a wonderful ascension gift! In their own words:

"As you reach this higher vibration your energy body is able to absorb and assimilate new energies faster than before. Take this as a sign of your progress as from now on (volume 3 onwards) your resting minutes and some practice times will be halved.

**As you progress on this journey further you will find other small yet significant changes to help you ascend faster and faster.
We offer this gift with love for all.**

**Blessings be."

YOU HAVE NOW OPENED A **TREASURE CHEST** - ENJOY!

As you will now already be aware, as part of these Ascension Pathways, at various points along the way, Love Inspiration would like to offer you a series of very special 'Treasure Chests' so that you can tap into abundance!

Each Treasure Chest will contain a highly unique and divinely enriching set of Higher Consciousness energies and these are being made available to those who are walking on the Ascension Pathways. We wish to offer these to you as an energetic reward for all the hard work that you have done on your ascension journey so far!

Having now completed 'A New Light', we are delighted to introduce you here to **The Triple Advanced Syon Cleanse**. As we understand it, these beautiful energies help to form a very important part of your Ascension Pathway and this is especially true as you continue to move forwards into the higher levels!

So with this, we lovingly recommended that you connect with these energies regularly i.e. either at the start or at the end of each volume of energies.

To receive The Triple Advanced Syon Cleanse, it is important that you have first received both The Syon Cleanse and The Advanced Syon Cleanse (as we have guided you to). In addition to this, the Guides have recommended that The Triple Advanced Syon Cleanse should only be received after 6 months from your first Advanced Syon Cleanse attunement. This is again another important reason why we have been continually suggesting you to complete The Advanced Syon Cleanse in previous ebooks.

So with this, we truly hope that you will enjoy this beautiful gift from us here. These highly effective cleansing energies will surely be helping you to clear away many kinds of internal debris and other healing issues that are starting to come to the surface from these high ascension based attunements so it is with much love in our hearts that we offer you these energies here.

May they help to bring much love, joy and happiness into your life and may you radiate these energies outwards for all to benefit from!

Congratulations!

By reaching this point, you have now unlocked this beautiful treasure chest which contains the energies of:

VOLUME 3 - A NEW LIGHT

FINAL COMMENTS:

It is with much love that we pass on our deepest & sincerest congratulations for making it to this wonderfully new ascended state of being. After what has been much hard work, determination & courage, you are now ready to move into the deeply profound ascension processes of Volume 4 - The Crystal Transcension!

Once you have completed the final 10 - 14 day rest period (from Phase 6), the Guides prescribed an additional 3 week rest period before moving into the final Volume Four transcension process.

This is a great time for you to now open up to receiving The Triple Advanced Syon Cleanse and we hope that these beautiful cleansing energies will help you to clear away and release any old and unwanted energies that no longer serve you for your pathway forwards.

And for those practitioners who have completed the Advanced Usui Reiki Master Teacher - Level 9 ebook, having now completed TUPTTTL - Volume 3, you have completed the necessary prerequisites required to step into the final [Rainbow Intuitive Healing System](#) ebook - Financial Aid. The Financial Aid energies offer another amazing tool to add to your healing toolkit and take only 21 days to complete. In addition to The Triple Advanced Syon Cleanse, it would be well worth taking the time to fit this course into your upcoming Ascension Pathway schedule should you wish to!

And also, if you haven't done so already, you may like to sign up for an [Ascension Healing Booster](#) to help accelerate your healing journey. Or to check out all future ebook acceleration opportunities, feel free to visit the [Accelerate Your Pathway](#) webpage.

For Marty & Gerry, the final transcension process happening through TUPTTTL - Volume 4 took them through a vast array of ascension & transcension processes and seemed to bring them to a point far beyond what they had experienced before. Throughout the process, Gerry received countless blessings from an array of ascended beings, realms and other galactic entities in what was a truly rewarding and sometimes 'floaty' set of experiences!

We truly hope that you can join us again for the final volume of the Transcending The Light series, remembering that your ascension times are now faster than ever before with the gift of less time required at each level. This gift is truly a fantastic blessing and we know that it will indeed benefit all!
