A NOTE ON ADHERING TO COURSE TIMEFRAMES & PREREQUISITES:

Higher Consciousness has requested that this note be added here to emphasise the importance of the following:

► Ensuring you have met the required prerequisites before commencing this ebook

FAQ: Is it important to complete the prerequisites for each Ascension Pathway ebook?

► Ensuring you follow the prescribed timeframes in this ebook

FAQ: Do I need to follow the prescribed timeframes given in each Ascension Pathway ebook?

► Ensuring you follow the prescribed resting timeframes in this ebook

FAQ: Is it important to complete the resting days in between the Ascension Pathway practices?

All of the prerequisites, practices and timeframes in this ebook have been divinely created, designed & brought through by Higher Consciousness so that we are able to get the maximum benefit from the energies in order to ascend. We lovingly ask that you please read the above FAQs and refrain from 'speeding through' timeframes, practices or ebooks in less time than has been divinely prescribed. Over the years, Higher Consciousness has shared a number of messages on this topic and with much love, we now wish to share some of these here:

"Each individual on these pathways will find some layers of healing and purification easier than others; this is due to your own karmic circumstances and is not a justified cause to skip timeframes or 'accelerate' yourself due to egoic justifications. Please Dear Ones we say it with love - be kind to yourself and follow the pathways as indicated, as best you can. There is no 'pass' or 'fail' on this journey, but there are circumstances that lead to a more complete journey. Please follow our guidance in the energies and know that you are being watched with great love and abundance."

"Accessing advanced level energies before you are ripe to receive them can cause backward-sliding effects for not only oneself, but for the Love Inspiration Community & collective consciousness as a whole. Your premature acceleration is not recommended, with love, under any circumstances. Please take heed."

"Those who are knowingly not following the Ascension Pathway correctly, not using the specified timeframes or jumping ahead to reach advanced levels or practices, we ask you lovingly to refrain. This is not a request for ourselves, but rather a plea to aid your very own ascension. Let us assure you that misusing the energies in this way will not bring you any advancement and in fact, over time, misuse of the energies will corrode your energetic merit & therefore your ability to stay on the pathway."

Lastly, please know that if you want to speed up your pathway/ascension, then Higher Consciousness has lovingly brought through several *legitimate* optional ways to do this and further information can be found on the [Accelerate Your Ascension Pathway webpage](#).

ACTIVATING (UNLOCKING) THE CRYSTAL TRANSCENSION ENERGIES:

The Unified Pathway To Transcending The Light

VOLUME FOUR CRYSTAL TRANSCENSION

WELCOME, WITH LOVE, TO VOLUME FOUR - CRYSTAL TRANSCENSION!

Welcome to the pinnacle of The Unified Pathway To transcending The Light! This fourth and final Volume can be commenced 21 days after the completion of Volume Three. To help us introduce this final volume, let us now here from the Guide Plankton:

Crystal Transcension

“Welcome to your final chapter in the Transcending The Light Series. We firstly congratulate you on your extreme achievement in reaching this pious point.

With open arms and a warm embrace we invite you into the Crystal Transcension; a place where you will receive what is known as ‘Archiapellagro’s Atrium’ - a deep blue, translucent and radiating crystal that is placed just above your Soul Star Chakra.

The energy frequency of this tiny yet powerful crystal is immense in its ability to transcend light; giving it's bearer freedom to move higher and higher at an accelerated pace, transcending through the many layers of light.

This small crystal will aid your transcension at this level and at many levels to come. Consider it a transcension gift that has been well earned by your conscious self.

The crystal receival process is as simple as an attunement to 'download' the energy, followed by 3-4 days of rest and assimilation. The crystal will be fully functional from day 5.

Following day 5 (i.e. from day 6), there will be 8 days of Transcension. We shall describe this simply as a 'shift up' in consciousness and vibration. We shall not elaborate further as we do not wish to manifest confusion. Know solely that you are in the arms of the creator and that all is well.

There is nothing required of you during this 8 day period other than to relax, open, surrender and know that all is well. The transcension will take place and some may feel light-headed or 'spacey' during the process. In this case, 'grounding' exercises may be required.

By day 14, your transcension will be complete. You may choose on this day to make an offering of thanks. This is in your best interest.

After your offering has been completed, you may now consider your 'Transcending The Light' chapter to be completed.

Congratulations!

Enjoy your new frequency and experience the new light with grace.

A whole new manifestation of your future awaits you!"

~ Plankton

1. INSTRUCTIONS FOR RECEIVING YOUR CRYSTAL ASCENSION ATTUNEMENT:

To ensure that the attunement process works successfully we ask that you follow our instructions and most important is to relax, open up and receive these gifts with love.

NOTE: Before you begin your attunement, please ensure that you have activated (unlocked) the Crystal Transcension energies & attunements prior to commencing.

The activation / unlocking process is a simple 5 minute process which unlocks the energies and gives you access to them. Once you have unlocked the energies, this means that you have activated **ALL** the energies & attunements in this whole ebook specifically for you.

You are therefore then ready to continue your Crystal Transcension journey by working through this ebook, at your own pace and receiving the energies as you feel guided.

If you have not yet activated / unlocked the Crystal Transcension energies & attunements for yourself, you may do this by following the instructions on Page III of this ebook.

■ 1. Preparation:

Sit or lie down, whichever is more comfortable for you, ensuring that you will not be disturbed for at least 15 minutes. Perhaps you wish to play some soft [healing or relaxing music](#), light some candles or burn some incense to create a nice ambience.

■ 2. Invoke the Crystal Transcension attunement:

Invoke the attunement by placing the hands together, fingertips touching in prayer position whilst saying the following:

**"With love & divine thanks, I open to the Crystal Transcension.
May I continue to benefit all.
Thankyou, thankyou, thankyou."**

THE UNIFIED PATHWAY TO TRANSCENDING THE LIGHT

VOLUME 4 - CRYSTAL TRANSCENSION

Now your attunement will commence and will take around 8 minutes to finish so **it is best to sit or lie down for around 15 minutes.**

During this time, you may imagine (if you wish) that a tiny blue crystal is being inserted just above your Soul Star chakra.

****The Soul Star Chakra can be seen in the diagram to the right, sitting above the head. It is usually white and gold in colour and is said to be the catalyst to heightening one's relationship with the Universe. Once awakened (when the soul transcends the ego) it allows people to experience a more enlightened, joyful and wonderful physical existence. For more information on the chakras please visit our [FAQ page](#).*

■ 3. Closing the attunement:

As always, we close our attunement with love and gratitude, by saying something like:

"With love and gratitude I offer my sincerest thanks for receiving the Crystal Transcension attunement. May I use this new energy for the benefit of all. Thankyou, Thankyou, Thankyou."

2. THE 'EIGHT DAYS OF TRANSCENSION':

Following the attunement there is a rest period for 3-4 days and on day 6 the 'Eight Days Of Transcension' begins. During this time, as the Guides explained, you may feel a little floaty or ungrounded as you 'transcend'.

Marty and Gerry experienced a lot of ungrounded feelings during this time such as dizziness, lightness, inability to concentrate etc. These are all signs of being ungrounded. Therefore as a daily practice, or as you feel you need it, you may like to complete some grounding exercises. Here is an example of one:

Grounding Exercise:

When you are comfortable, with eyes closed, imagine that at the bottom of your feet are thick, strong roots, much like a tree.

The roots are growing deep down into the earth

further

further

further

Deeper and deeper down into the earth, helping you to be firmly grounded. Feel the strength that these roots bring to your body, feel the connection to the earth and draw up this beautiful grounded, energy into you.

If you wish, you may like to imagine something at the centre of the earth that your roots are tapping into - such as a white light, large crystal or ball of amazing energy. The energy from this can also be drawn up into your body; like you are "recharging" your battery.

This process should take only a few minutes to complete or if you wish to, you can allow yourself some more time if you feel that you are needing additional grounding energies.

As always, please feel free to be creative with this practice. For example, if you feel that you would rather imagine an anchor of some sort being cemented far down into the earth, and this helps you to feel more grounded, then please honour your own ideas.

Grounding Exercise:
Visualising Our "Tree Roots" Going Into
The Centre Of The Earth

May you enjoy this beautiful period of transcension and may it help to bring you to an amazing state of bliss, peace & infinite nothing-ness!

3. ADDITIONAL INSIGHTS FOR THE 8 DAY TRANSCENSION PROCESS:

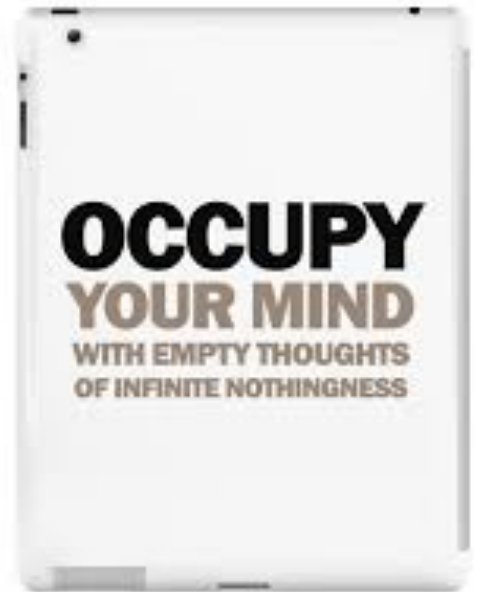

At this level of consciousness, we understand that transcending the light means to transcend to the idea that we are all a truly infinite, limitless and amazingly expansive part of the collective consciousness.

To transcend at this level is to gain the energetic understanding that there truly is nothing external; nothing that isn't connected with your truly almighty self! There are no more 'levels' and no separation; there is simply one-ness, expansiveness and infinite nothing-ness.

This deeply profound realisation came to Gerry as she went through the final stages of the transcension process (during day 7) in what was a series of visions and guided imagery shown to her by a series of 'Higher Consciousness' beings.

To help explain this to her, she was shown the image of a candle shining in a room. This, she was told was the 'external light' that we are all used to believing in; the light that we all think shines somewhere outside of us or 'external' to us. For many, this is where our God lies - external; where our faith is or where we perhaps pin all of our hopes and dreams. This is the concept of separation.

Gerry was then shown another light, our internal light, being represented as a lightbulb on the ceiling with a dimmer switch on the wall. As the light is turned up by the dimmer switch, becoming brighter and brighter, the candle (the external light) becomes dimmer and dimmer.

In other words, as our internal light becomes brighter and brighter, the idea of believing in separation, other selves and anything else which is 'external' to us becomes less and less convincing.

Of course in daily life, the concept of being separate is constantly reinforced however what we are talking about here is more of an internal world, deeply meditative understanding about separation, one-ness & being a truly infinite being - connected with all things throughout the cosmos.

It seems that at this stage of transcension, we are being guided towards a deeper understanding of our expansive and truly infinite self. We are able to gain a deeper feeling of this one-ness vibration within ourselves as we release and let go of the old & outdated concept of the 'external light' or separateness.

*It is here, at this level of transcension,
that your internal light has grown so much
that it is now stronger than the external light.*

This was described to Gerry as a sort of 'inversion point' or flipping point; the point where the light in the room now shines more brightly than the candle.

Gerry also gained the understanding during this transcension period that this may be where many of us feel a sense of loss in our lives; a sense that we are losing something whereas actually, it is the direct opposite - we are gaining an understanding of unity!

At a deeper level, as we reflect on these comments and concepts, we can perhaps understand that this analogy is also a wonderful representation of the transitioning from old to new consciousness. A transition from the egoic self to the unified self; a transition from the idea of separation to the understanding of unity.

So please, during this eight day transcension period, take some time to rest as you digest some of these very deep concepts within yourself. Please allow yourself some personal time for reflection, contemplation and meditation as your internal light grows strongly and adjusts to this new & higher frequency as a result of the transcension.

This will no doubt be a very significant eight days for you and it is here that we are very happy to share our own deeper insights into the transcension process and to this pathway towards infinite love, infinite light & to the idea of infinite nothing-ness.

4. DAY 14 - OFFERING OF THANKS:

On the final day of the transcension (day 14) - Marty and Gerry were asked by the Guides to make an offering as part of receiving these ascended energies. For them, this offering took the form of offering ourselves to the path towards 'higher ascension' pathways.

At the time, their intention was firmly set to dedicating themselves entirely to help bring love, light & peace to all beings throughout all realms & dimensions. They also set their intention firmly to continue on their own Dharmic pathway and try their best to continue walking towards infinite purity & light.

Of course, your offering should take the form of whatever feels right for you. Most importantly, please offer something from the depths of your heart and for the benefit of all.

5. TWELVE WEEKS ON - 'COMPLETION & A NEW BEGINNING':

After 12 weeks from completing the offering and after many, many 'upgrades' and evolutions in her spiritual pathway, Gerry received further information from the Guides about Transcending The Light during a deep meditation.

During this meditation she continued to rise upwards, transcending further and further through what she now realises was 'the light'. And after an almost eternal journey, on the 24th July 2015 she finally transcended through the final layer of light and was birthed into her 'new' being.

This was a place of infinity and emptiness, like being launched into eternal space. Gerry understood that this was not somewhere new but rather, it was a reunishment with who she really was; like connecting back together with her higher self.

After all the energies shifted and the profoundness of the moment had ended, everything seemed to return instantly back to the way it was, the only difference being that a new beginning had started. A moment of profound transcension and unity coupled with a most basic & simple reality of union with the self.

For each of you, the 12 week period following the Offering Of Thanks will be something entirely different yet very much the same - the paradigm of all transcension! Here is the message from the Guides that may help to explain this further:

“After the completion of the Offering Of Thanks, you have indeed completed the Crystal Transcension and The Unified Pathway To Light, however only now does the true journey home begin. For each individual, what occurs over the coming 12 weeks will be entirely different, challenging, opening and paramount in the changing of the Unified Love Consciousness.

Each step forwards will mark a pinnacle milestone in the evolution of your consciousness and that of all beings. For in every way possible, you are being guided to ‘come home’. This means to come home to the self, your own truth, your own understanding, your own realisation, but also to come home to the collective - the collective truth and the collective consciousness.

During this 12 week period you will be asked to raise your vibration continuously in order to re-reach your humble being. You will transcend further & further throughout your daily life until you finally reach the entity known as your higher self.

This journey will embark many challenges for the self and will bring about much soul searching. You can be reassured however dear ones that this pathway has been a tremendous growth period and that you have been accelerated to reach this point - the point beyond the light.

Transcending The Light indeed offers us a glimpse of what lies beyond, but more importantly it offers us the chance to ‘come home’ to our own reality and destiny. Do not be afraid by what lies ahead. Simply know that for the benefit of all beings you have transcended the light and brought yourself home. What a wonderful feeling to know that you have achieved something so incredibly precious and that this marks the point in your own evolution where the pieces of the puzzle, known as the self, begin to fruitfully come together.

After much break down, separation, turmoil & growing pains, you have now reached such a point of wonderment that it is here we would like to say goodbye for now. Throughout this journey we have offered you our help, our guidance & our love to bring you into the truth and you are welcomed here with true divine love and peace. We open our love light to you and those who follow in your footsteps, for the infinite benefit of all.

We wish you well on your journey forwards, knowing that now, in the arms of the creator, and home, safe in the heart centre you are more ready than ever to achieve your true destiny.

Do not believe this to be an ending dear ones, but rather a complete new beginning. Surrender with love and all will be well. Go now into your freedom and open your purposeful existence for the benefit of all.

Blessings be.”

7. INTRODUCING A.E.I. RETREATS:

Introducing A.E.I. Retreats Fast-Tracking Your Ascension Pathway

With much love, we welcome you here to the exciting new concept of Accelerated Energetic Integration Retreats (A.E.I. Retreats). The A.E.I. Retreat process was first brought through to Love Inspiration in April 2018 after Marty and Gerry reached The Grand New Maitri Consciousness (in Step 8 of the Ascension Pathway) and in simple terms, these optional retreats help to accelerate your Ascension Pathway by swapping selected ebooks for time in a Maitri Centre.

By completing an A.E.I. Retreat, you will be guided towards receiving a *very* significant amount of energies in a very short period of time. For example, an ebook which might ordinarily take 567 days to complete can be done in only 57 days through the A.E.I. Retreat format. Wonderful!

There are no formal practices required for A.E.I. Retreats however all A.E.I. Retreats *must* be completed within a Maitri Centre environment.

The A.E.I. Retreat option becomes available to you as you step into the Ascended Pathway series (at Blue Light Volume 3) and because these retreats require much planning in advance, you are being introduced to this new concept here so that you can start looking forward to any A.E.I. Retreats you may wish to complete.

With all this in mind, we would now like to formally invite you to visit the [A.E.I. Retreat webpage](#) where you will find more information about how to complete an A.E.I. Retreat and also the A.E.I. Retreat Handbook.

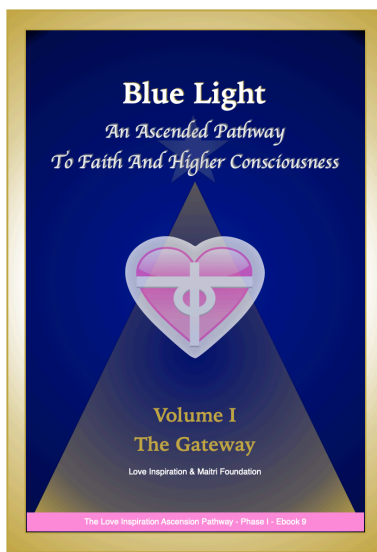

We hope that these beautiful new A.E.I. Retreat offerings will help you to accelerate your Ascension Pathway and guide you towards infinite states of love, happiness and joy in your life. We also hope that should you choose to complete an A.E.I. Retreat, that you will enjoy planning for this as you set out your ideas and plans for visiting a Maitri Centre in the future.

To check out all future ebook acceleration opportunities, feel free to visit the [Accelerate Your Pathway](#) webpage where you can learn about [Ascension Healing Boosters](#), [A.E.I. Retreats](#) and [Golden Ticket Retreats](#).

8. FINAL COMMENTS:

We would again like to share another massive, love filled congratulations for all of the divine healing accomplishments achieved on your journey thus far. Looking back on this pathway, there have no doubt been many ups and downs in your life so we wish to say a big thank you again for persevering with all of this!

For Marty and Gerry, when they arrived at this point, they understood that there was still more work to be done on themselves as they embarked on this new beginning. There were still more things that they needed to resolve within themselves if they were to make it to the level of infinite purity. So, bring forth the [second step on the Ascension Pathway and the new series of ebooks - Blue Light!](#)

Brought through from January 2016, the Blue Light series of ebooks surprised us a little by being the next step of ebooks in **both** The Unified Pathway AND Pathway To Light series. This is a wondrous amalgamation of both Ascension pathways!

The first volume of Blue Light is called 'The Gateway' and encompasses the energies required to walk forwards into the Blue Light and into The Great New Consciousness. These Volume 1 energies can be commenced from 3 months after completing Volume 4 - Crystal Transcension however this 3 month 'waiting' period is technically a part of The Gateway, being referred to by the Guides as "The Progressionary Phase". *(For more information on the importance of the Ascension Pathway resting timeframes and prescribed timeframes, please see these FAQs.)*

During this 3 months, we wish to again lovingly suggest that you receive the beautiful Golden Gaige Synchronicity energies here and also that you again receive [The Triple Advanced Syon Cleanse](#). After completing both sets of energies, we invite you to then download the first volume of Blue Light and start reading your way through the next steps forwards, as you feel divinely guided.

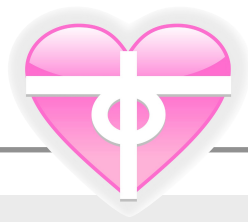

For now however, we wish to again congratulate you on completing The Unified Pathway To Transcending The Light series of ebooks and we truly hope that you enjoy your new 'transcended' vibration as you awaken to an unparalleled union with your higher self!

If you would like a certificate for completing The Unified Pathway To Transcending The Light - Volume 4, please click on the link to be taken to our website where you can [download a certificate](#) for this course in PDF format. Simply print it out and fill it in as you wish. Congratulations!

With Divine Transcension Blessings,
